Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

SNAP is the name of our cafeteria cash register system. With the SNAP cash register system a parent/guardian deposits money into an account that is accessed by the child entering their SNAP number on a keypad in the cafeteria. If your child is returning to our school, they will use the same number as last year. If your child is new to Lincoln Public Schools, a number will be assigned. Money in an account can be transferred from one school to another if a student changes schools within Lincoln Public Schools.

We welcome you to join your child for lunch. If you plan to join your child for lunch, please contact the **Clinton office** at **(402) 436-1132**. The price of school lunch for adults and children who are not LPS students will be announced.

Any questions you may have regarding the breakfast or lunch program at Clinton School should be directed to the **cafeteria manager**. You may call **402-436-1132** and ask for the cafeteria

All applications for **Free/Reduced Lunch** expire June 30th each year. **Families must submit a new application each new school year.** If a family receives Direct Certification Notice of Approval for free meals, no application is needed. An application may be submitted if a family received reduced price direct certification but household income may qualify for free meals. Eligibility for the free/reduced lunch program is determined by federal guidelines.

The United States Department of Agriculture and the Nebraska Department of Education Competitive Foods Policy states that “no food may be sold or served that competes with the national School Lunch and/or Breakfast programs one half hour prior to the serving period.” This means that no food may be sold (i.e. pop, snack machines, fundraisers), and no food may be brought in to treat for birthday parties, class rewards, or class parties during or just prior to school breakfast/lunch times. Also, parents may not bring in food for more than their child. Students eating school lunch are not allowed to bring snack items into the cafeteria.

Dismissal

To maximize learning time, we ask that students not be picked up prior to school dismissal. To comply with the LPS threat assessment policy, when parents/guardians must pick up a child before the regular dismissal time, they must check in at the office. The school will only release students to adults designated by the parent as emergency contacts on the enrollment form. If there are special circumstances, such as a court order limiting access to a student by a parent or guardian, affecting who a student can be released to, the principal must be informed and provided with a copy of that order to maintain on file at the school.

- Teachers will escort all students to the front playground area at 2:53 p.m.
- K-2 students walk to the basketball court for pick up each day.
- Students staying after school must exit with their class and return with their teacher.
- Students will not be allowed back into the building after they have been dismissed without their teacher or adult.
- Students staying after school for longer than 10 minutes will notify their parent/guardian by phone.
- Students will not be allowed to play on the playground while waiting for rides after school.

Late Pick Up

- Students not picked up by 3:00 p.m. will be taken to the Family Care Coordinator.
- Parents/Guardians must come to the front door or Office and sign out kids not picked up by 3:00 p.m.
- Police may be called when children are not picked up by 3:25 p.m. and parents or emergency contacts can not be reached by phone.

If you need after school care, the Community Learning Center is available.

Call 402-730-3923 to check on enrollment.

practices that we know lead to more positive outcomes for students. Some of the most powerful practices faculty and staff use include:

- Developing and teaching all students our school and classroom expectations
- Acknowledging positive behavior when we see it
- Consistently practicing strategies that prevent problem behavior before it happens
- Using data to make decisions
- Identifying missing skills and teaching replacement skills

I Got Caught tickets are awarded to students exhibiting positive behaviors. Students earning tickets have the opportunity to be chosen to participate in special activities with staff members.

Check-in/Check-out (CICO) is a support for students to monitor their behavior throughout the school day. Students track their progress and work to increase positive behavior choices.

Students are responsible with the support of our staff to conduct themselves in a manner to create a safe, orderly learning environment by following three simple guidelines:

- **Be Safe**
- **Be Respectful**
- **Be Responsible**

Students also focus on the following life goals for behavioral success:

- I can be productive and follow directions even if I don't want to.
- I can take good care of myself, even if I am mad.
- I can be OK, even when others are not OK.

Contact Information for Students Not Feeling Safe

If you feel that your child is being bullied by peers, please contact your child's teacher or the building principal, Angee Luedtke. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult with whom they have built a positive relationship.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.

Clinton Parent Involvement Policy

The parent/guardian signature on the Parent/Student/School Compact indicates their support in promoting their child's attendance, school effort and overall readiness for school. Parents/guardians are involved in the planning, review and improvement of the Parent Involvement Policy and the Parent/Student/School Compact at our annual parent meeting where they will be informed of the building's Title I participation. The compact outlines how parents/guardians, the entire school staff and students share in the responsibility for improved student achievement. The compact is available during the annual meeting and during the teacher/parent conferences for review and signatures. Parents/guardians and after school program staff meet at the beginning of the year to plan Title I programs and activities. Throughout the year they will meet to review their progress.
