

Lincoln Public Schools is a premier school district that provides excellence in education for all our students, evidenced in a tradition of rigorous academic standards and achievement. Educators at LPS are committed, motivated and incredibly dedicated to the young people of this community.

Our goal is to continue improving our schools, one student at a time, until they are all successful. We invite our community to stay connected and involved with our schools as we work together to ensure an exciting future for our children.

Dr. Steve Joel  
Superintendent of Schools
