

Lincoln Public Schools is a premier school district that provides excellence in education for all our students, evidenced in a tradition of rigorous academic standards and achievement. Educators at LPS are committed, motivated and incredibly dedicated to the young people of this community.

Our goal is to continue improving our schools, one student at a time, until they are all successful. We invite our community to stay connected and involved with our schools as we work together to ensure an exciting future for our children.

Superintendent of Schools

What's unique about

Lakeview?

- Named for its area, Lakeview School was a one-teacher school on West P Street until 1923 when the present building was erected
- Lincoln Public Schools districts own employees, who requested and were granted the opportunity to demonstrate that their building skills equated those of the contractors building other LPS schools at the time, constructed the school
- Additions were added to the original building in 1963 and 1974
- Served by 2 bus routes
- Staff members believe parents are their child's first teacher and we respect parents' input when planning their child's educational program
- Lakeview's goal is to increase student achievement and close the achievement gap across the curriculum.
