

BEGINNING DRAWING

Figure Drawing Unit - Student Reaction to the Unit

The Seven Competencies in Art

Create Art

Tell three ways you were required to be creative in this unit.

What problems did you have to solve?

Connect Art

Describe two ways to describe depth in a composition and give examples from two different cultural backgrounds.

Communicate Art

How did you use visual cues (symbols, color, etc.) to communicate your own story?

Know Art

Circle three of the Art Elements that were essential in this unit:

Line Color Space Shape Form Texture

Explain why you selected those three

A.

B.

C.

How did you make use of the following Principles of Design?

Proportion

Rhythm

Emphasis

Make Art

Describe the techniques you learned and applied to make your final drawing

Live Art

What was personal about your project?

What resources did you bring to help yourself?

What other applications are there for narrative art in your life?

Think Art

Check two of the activities that were most helpful for you

___ Talking about the qualities of narrative art.

___ Comparing the works of two artists.

___ Explaining your own work.

___ Listening to the explanations of others.

How valuable was the unit for you in the following areas:

	Yes	?	No
1. I gained skill in drawing the figure.	1	2	3
2. I could identify other narrative art works now.	1	2	3
3. I could use my new skills and knowledge to make other narrative pieces.	1	2	3
4. I know that I can use different styles of drawing the figure, and still communicate my idea.	1	2	3
5. I would recommend this unit for other students in beginning drawing.	1	2	3
