UNL Challenge (Low Ropes) Course
(70th & West Superior St.)

Registration Deadline
Tues, Aug 5, 2008
(forms must be turned in)

If you are going into 9th grade...LPS Indian Education is putting together an opportunity for you to check out your new school and class schedule, have breakfast and lunch on us, have a blast at the UNL challenge course (like a low ropes, or low to the ground confidence course), and get to know some cool Native students!

If you are going into 10th grade...then you have an awesome chance to do everything we mentioned above (except check out your new school...obviously) but in addition, you get to be there to help the new 9th graders learn their way around and answer some questions about High School.

Choose the Drop off/Pick up location closest to you.

Meet at either LHS @ 8am, or North Star @ 8:15 am
Pick Up Your Students at either LHS @ 4:15 pm or NS @ 4:30
