All data in this report indicates only primary disability verifications. Many students in Special Education programs have more than one verified disability and receive several Special Education services.

The term preschool refers only to students in the district Early Childhood Special Education (ECSE) program.

Information in this report is furnished to the Nebraska Department of Education for December 1 childcount requirements of the Federal Government. The Nebraska Department of Education reports childcount data from all Nebraska school districts in its state Special Education Student Information System (SE SIS). Lincoln Public Schools SE SIS data is taken from page one of the Individual Education Program (IEP) form.
