ARRIVAL

Students should not enter school grounds until 8:45 A.M. unless eating breakfast. Supervision is not provided before this time. Students will line up with teachers at their grade level doors. Kindergarten and First Grade will line up at the main doors on the west side of the building. Second and Third grade students will line up on the bottom south doors. Fourth and Fifth grade students will line up at the upper south doors. The welcome bell will ring at 8:55. At that time students will be escorted into the building.

DISMISSAL

Teachers will teach until the 3:38 bell and dismiss when closure of activities are complete. To avoid unnecessary confusion at dismissal time, please plan to meet your child outside the school building. Teachers will walk students outside to meet parents and caregivers. In some situations children will need to complete assignments, or may need additional help from a teacher. Phone calls will be made to alert parents/guardians if the child is remaining after school for more than 10 minutes.

Before and After School Plans must be completed at the time of enrollment and can be updated as needed. Parents/legal guardians may request their child(ren) walk home after dismissal but this needs to be included on the plan.

In the event the parent/guardian or designated escort does not arrive to pick up their student, the school will attempt to contact the parent/legal guardian or emergency contacts. Police may be called when students are not picked up.

The playgrounds are closed until 5:30 and reserved for our CLC services.

✶ BULLYING

If you feel that peers are bullying your child, please contact your child's teacher or the building principal, Kelly Apel. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.
In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.

Everyone at Brownell Elementary School is committed to making our school a safe and caring place for all students. We will treat each other with respect, and we will refuse to tolerate bullying in any form at our school.

Staff at our school will do the following to prevent bulling and help students feel safe at school:

- Closely supervise students in all areas
- Watch for sings of bullying and stoop it when it happens
- Teach Bully Prevention to all students.
- Take bully concerns reported seriously and investigate.

Students at our school will do the following to prevent bullying:

- We will not bully others
- We will help others who are bullied
- We will not laugh or join in when someone is being bullied
- We will include everyone and not leave anyone out
- Report bullying to an adult

Brownell reinforce behaviors against bullying:

- Rules against bullying will be discussed
- Rules will be posted throughout the building
- Strategies will be taught to students using 2nd Steps and in team meetings
- Staff members will look for students displaying building expectations: Honest, Express Respect, Responsible and Determined. HERD tickets will be used to reinforce.
- Drawings will be monthly at Stampede Assemblies

Parental Involvement

Lincoln Public Schools welcomes parental involvement in the education of their children. We recognize that parental involvement increases student success. It is Lincoln Public Schools' policy to foster and facilitate, to the extent appropriate and in their primary language, parental information about, and involvement in, the education of their children. Policies and regulations are established to protect the emotional, physical and social well-being of all students.

A. Parental involvement is a part of the ongoing and timely planning, review and improvement of district and building programs.

B. Parents are encouraged to support the implementation of District policies and regulations.

C. Parents are encouraged to monitor their student's progress by reviewing materials sent home from school by school staff, online student information and quarterly report cards and attending parent-teacher conferences.

D. Textbooks, tests and other curriculum materials used in the District are available for review by parents upon request.

E. Parents are provided access to records of students according to law and school policy.

F. Parents are encouraged to attend courses, assemblies, counseling sessions and other instructional activities with prior approval of the proper teacher or counselor and administrator. Parents' continued attendance at such activities will be based on the students' well-being.

G. Testing occurs in this School District as determined to be appropriate by District staff to assure proper measurement of educational progress and achievement.

H. Parents submitting written requests to have their student excused from testing, classroom instruction and other school experiences will be granted that request when possible and educationally appropriate. Requests should be submitted to the proper teacher or administrator within a reasonable time prior to the testing, classroom instruction or other school experience and should be accompanied by a written explanation for the request. A plan for an acceptable alternative shall be approved by the proper teacher and administrator prior to, or as a part of, the granting of any parent request.

I. Participation in surveys of students occurs in this District when determined appropriate by District staff for educational purposes. Parents will be notified prior to the administration of surveys in accordance with district policy. Timely written parental requests to remove students from such surveys will be granted in accordance with District policy (6620, 6620.1, 6621, 6621.1). In some cases (see regulation 6621.1), parent permission must be given before the survey is administered.

J. Parents are invited to express their concerns, share their ideas and advocate for their children's education with Lincoln Board of Education members, administrators and staff.

K. School District staff and parents will participate in an annual evaluation and revision, if needed, of the content and effectiveness of the parental involvement policy.

It is also the policy of Lincoln Public Schools to implement programs, activities and procedures for the involvement of parents in Title I programs consistent with the Title I laws, as amended by the No Child Left Behind Act of 2001. Such programs, activities and procedures shall be planned and implemented with meaningful consultation with parents of participating children.

Parental Involvement in Title I Programs

The policies set forth in this regulation apply to parents of students in Title I programs and have been established in order to implement programs, activities and procedures for the involvement of parents in Title I programs consistent with the Title I laws, as amended by the No Child Left Behind Act of 2001.

Expectations for Parental Involvement

It is the expectation of Lincoln Public Schools that parents of participating children will have opportunities available for parental involvement in the programs, activities and procedures of the District's Title I program. The term "parental involvement" means the participation of parents in regular, two-way and meaningful communication involving student academic learning and other school activities, including ensuring (A) that parents play an integral role in assisting their child's learning; (B) that parents are encouraged to be actively involved in their child's education at school; (C) that parents are full partners in their child's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their child; and (D) the carrying out of other activities, such as those described in this parental involvement policy. The District intends to meet this expectation through the following activities:

A. Involving parents in the joint development of the District's Title I plan and the processes of school review and school improvement.

B. Providing coordination, technical assistance and other support necessary to assist participating schools in planning and implementing effective parent involvement activities to improve student academic achievement and school performance.

C. Building the schools' and parents' capacity for strong parental involvement.

D. Coordinating and integrating parental involvement strategies under Title I with parental involvement strategies under other programs.

E. Conducting, with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy in improving the academic quality of the schools served under the Title I program, including identifying barriers to greater participation by parents in Title I programs, with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy or are of any racial or ethnic minority background, and use the findings of such evaluation to design strategies for more effective parental involvement and to revise, if necessary, the parental involvement policies of the District.

F. Involving parents in the activities of the schools served under Title I.

Policy Involvement

Each school served under the Title I program shall:

Convene an annual meeting, at a convenient time, to which all parents of participating children shall be invited and encouraged to attend, to inform parents of their school's participation under the Title I program and to explain the requirements of the Title I program.

Offer a flexible number of meetings, such as meetings in the morning or evening. If sufficient funds are provided for this purpose, the District may assist parental involvement in such meetings by offering transportation, child care or home visits.

Involve parents, in an organized, ongoing and timely way, in the planning, review and improvement of Title I programs.
