Students are to cross the busy streets only where there are crosswalks. Thank you for reviewing safe pedestrian practices with your child.

## **GETTING TO AND FROM SCHOOL SAFELY**

### **FOR STUDENTS:**

- Arrive no sooner than 8:00 a.m. and report to assigned grade level waiting area immediately upon arrival. Arrival time for students eating breakfast at school is 7:45 a.m. Report immediately to the MPR for breakfast when you arrive.
- Do not speak to strangers.
- Walk with a buddy or in a small group if at all possible.
- Use crosswalks and avoid crossing between cars and buses.
- Walk to school using sidewalks and keep off property belonging to others.
- Immediately report any concerns experienced on the way to school to a teacher or office staff.
- Report to home or daycare immediately after school.

## AS PARENTS:

- Help establish safe routes to and from school with plans for an alternate route.
- Notify the school office and your child's teacher if there is a change in the established "to and from school" plan.
- Occasionally review steps for safe walking and stranger danger with your child.
- Periodically check the Nebraska sex offender registry at [statepatrol.nebraska.gov](http://statepatrol.nebraska.gov).
- Monitor your child's route to and from school. . .ask, observe and expect safety both to and from school!

## STUDENT DROP OFF AND PICK UP PROCEDURES

The following procedures will be enforced in the front drive of Hill School:

- *There will be **NO STOPPING** on either side of the center median. Parking is available in the marked spaces on the left side of the median. Vehicles are not allowed to park parallel to the median on either side. These areas have been repainted and are clearly visible. Cones will be placed along the median during drop off and pick up times as a reminder of our no parking areas.*
- *The right most curb lane will only be used for immediate loading and unloading. Vehicles should pull up as far as possible, load or unload their child(ren) and immediately pull back into the drive lane. This curb lane should **not** be used to park and wait for children. Parents who need to go into the school or walk their child to their designated waiting area must park in the designated parking area. **No car should be left unattended in the curb lane, nor should it be used for extended waits.***
- **There will be no stopping or parking in the drive lane. Children are NOT to be dropped off from the drive lane.**
- *Parents who drop off their children from the main street or parking area, or whose children walk to school, must have their children use the west crosswalk at all times to cross the drive. Parents and adults are asked to model this practice also.*
- *Exit from the drive should be to the **right only**. There should be no left turns on to Tipperary Trail at dismissal time. This is recommendation by LPS and the City of Lincoln.*
- *The parking lot is a **STAFF ONLY** parking lot (with the exception of handicapped parking) and **should not be used as a drop off or pick up area either before or after school. Students need to be dropped off in the front and will walk around the building to their waiting area.***

Although these rules, on occasion, can result in longer lines and a few more minutes needed to pick your children up from school, the tradeoff for convenience will be a much safer environment during the hectic after-school period. On extremely cold days, we will bring the children into the multipurpose room at the end of the day and have them watch for their rides through the big windows.

We continue to need active participation and cooperation of all Hill parents. As always, we will continue to re-evaluate these procedures. With a student population of nearly 600 students, everyone's cooperation is needed to make our school safe for all children and families.

***Thank you in advance for you cooperation on this important matter. We realize that this will be a little more inconvenient for some parents, but, in the end, the drive will be a much safer place for our children.***

## SCHOOL BREAKFAST PROGRAM

Hill School offers a before school breakfast program. Breakfast is served from 7:45 a.m. to 8:00 a.m. each morning. Cost of breakfast is \$1.30 for students and \$2.20 for adults. Breakfast can be purchased with your child's SNAP account or cash. Students riding the bus will be served breakfast upon arrival at school. After 8:10 a.m., students may eat their breakfast outside of their classroom area. All students are welcome to eat at school.

## SCHOOL LUNCH PROGRAM

The lunch period at Hill School is 30 minutes in length. Approximately 20 minutes of this time is for children to eat with a 10 minute recess. Those eating at school may purchase a lunch and milk or bring lunch and drink from home. Soda is not to be brought to school other than for special occasions. The cost of school lunch is \$2.45 for students and \$3.65 for adults. Reduced lunches are \$.40. Applications for Free and Reduced Meals can be obtained in the school office. Individual milk can be purchased for .50 cents. A lunch menu will be sent home on a monthly basis with the two entrees that are available each day.

Hill School uses a cash register system called SNAP to keep track of your child's lunch money. The cash register system is run by a computer that keeps track of your child's account balance and allows your child access to their account to pay for meals, milk, or ala Carte items. Each child will have a number that they will use to purchase their lunch. Students may pay cash or deposit money into their account. Money may be placed in your child's account for breakfast, school lunch meals, milk, and ala Carte food items. Each child will have their own account. Once check per family will be accepted. If you send one check, please designate which child's account it is to go to or how much should go in each child's account. A reminder will be sent home when a child's SNAP account is running low on funds. Money can also be deposited on the LPS website under 'Buy Student Meals'. Once you have set up an account you will receive an email when funds are under \$10.00. Free and/or reduced lunch application forms are available in the school office and also on the LPS web site. Eligibility for this program is determined by federal guidelines. **Students are allowed to "borrow" if they do not have sufficient funds to pay for lunch, but it is recommended that a child not borrow more than one day and that they repay the loan the next day.**

Parents and guardians are encouraged to have lunch in the school cafeteria with their children occasionally. Please call the office (436-1142) by 8:30 a.m. if you are planning on having a school lunch at school. To promote healthy habits and to follow health codes, we do not share food. If you are bringing food for lunch from home or a fast food restaurant we ask that you only bring food for you and your child(ren) and not to share with others.

Finally, the school cafeteria is a dining room away from home. Good eating habits and courteous behavior and conversations during the lunch period contribute to an enjoyable school environment. Parents, staff and students will work together in this regard.

Students are asked to make arrangements for participating in after school activities or going home with a friend before leaving home in the morning. During the day, office staff will be glad to take a message for a child or teacher. Telephone calls interrupt instruction and will not be transferred to classrooms while instruction is taking place.

## **BULLYING**

If you feel that your child is being bullied by peers, please contact your child's teacher or the building principal, Amy Carnie (acarnie@lps.org) or Holly Towers (htowers@lps.org). All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program. Please feel free to contact your child's teacher, Mrs. Towers, Mrs. Hemenway or Mrs. Carnie if you feel your child needs support with school.
