RESPONSIBILITIES OF STUDENTS

LINCOLN PUBLIC SCHOOLS

5905 O Street, Lincoln, NE 68510

In order to function properly, public school education must provide an equal learning opportunity for all students. In addition to the regular curriculum, good citizenship must be taught and demonstrated. This includes an appreciation for the rights of others.

I. Establishment of Policies, Rules and Regulations

The Board of Education has established written policies, rules and regulations of general application governing student conduct in all schools. In addition, principals, within their schools, may establish written rules and regulations not inconsistent with those established by the Board.

II. Areas of Prohibited Student Conduct

Students are not to engage in conduct which causes or which creates a reasonable likelihood that it will cause a substantial disruption in or material interference with any school, function, activity or purpose or interfere with the health, safety, well being or the rights of other students, staff or visitors.

The following conduct has been determined by the Board of Education to have the potential to seriously affect the health, safety or welfare of students, staff and other persons or to otherwise seriously interfere with the educational process. Such conduct constitutes grounds for long-term suspension, expulsion, or mandatory reassignment. A student who engages in the conduct may be suspended and referred to the Department of Student Services for a conference to determine whether a long-term

suspension, expulsion, or mandatory reassignment is appropriate. The conduct is covered by the school rules where it occurs on school

grounds, in a vehicle owned, leased, or contracted by the school and being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or an employee's designee, or at a school-sponsored activity or athletic event:

A. Willfully disobeying any reasonable written or oral request of a school staff member, or the voicing of disrespect to those in authority.

B. Use of violence, force, coercion, threat, intimidation, harassment or other conduct done in a manner that constitutes a substantial interference with school purposes or making any communication that a reasonable recipient would interpret as a serious expression of intent to harm or cause injury to another.

C. Willfully causing or attempting to cause substantial damage to property, including the setting of a fire of any magnitude, stealing or attempting to steal property of substantial value, or repeated damage or theft involving property.

D. Knowingly and intentionally engaging in bullying. Bullying is defined as any ongoing pattern of unwanted, aggressive behavior which may include physical, verbal or electronic abuse on school grounds, in a vehicle owned, leased or contracted by the school being used for a school purpose by a school employee or designee, or at school-sponsored activities or school-sponsored athletic events. (Lincoln Public Schools Policy 5482)

E. The use of language, written or oral, or conduct, including gestures, which is profane or abusive to students or staff members. Profane or abusive language

or conduct includes, but is not limited to, that which is commonly understood and intended to be derogatory toward a group or individual based upon economic status, race, ethnic background, culture, gender, sexual orientation, religion, age or ability.

F. Causing or attempting to cause personal injury to any person, including, without limitation, any school employee, school volunteer, or student.

G. Knowingly and intentionally using force in causing or attempting to cause personal injury to a school employee, school volunteer, or a student, except if caused by accident, self-defense, or on the reasonable belief that the force used was necessary to protect some other person and the extent of force used was reasonably believed to be necessary. This conduct shall result in an expulsion for the semester in which it occurred, and the next semester.

H. Knowingly possessing, handling, or transmitting any object or material that is ordinarily or generally considered a weapon or that has the appearance of a weapon or bringing or possessing any explosive device, including fireworks.

I. Knowingly and intentionally possessing, using, or transmitting a dangerous weapon other than a firearm. This conduct shall result in an expulsion for the semester in which it occurred, and the next semester.

J. Knowingly and intentionally possessing, using, or transmitting a firearm on school grounds, in a school-owned or utilized vehicle, or during an educational function or event off school grounds, or at a school-sponsored activity or athletic event. This conduct shall result in an expulsion for one calendar year. "Firearm" means a firearm as defined in 18 U.S.C. 921, as that statute existed on January 1, 1995. That statute includes the following statement: "The term 'firearm' means

(a) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive;

(b) the frame or receiver of any such weapon; (c) any firearm muffler or firearm silencer; or (d) any destructive device."

K. Public indecency or sexual conduct.

L. Sexually assaulting or attempting to sexually assault any person. This conduct may result in an expulsion regardless of the time or location of the offense, if a complaint alleging such conduct is filed in a court of competent jurisdiction.

M. Dressing or grooming in a manner wherein such dress is dangerous to the student's health and safety or to the health and safety of others or repeated violations of the student dress and grooming standards; dressing, grooming, or engaging in speech that is lewd or indecent, vulgar, or plainly offensive; dressing, grooming, or engaging in speech that school officials reasonably conclude will materially and substantially disrupt the work and discipline of the school; or dressing, grooming, or engaging in speech that a reasonable observer would interpret as advocating illegal drug use.

N. Engaging in the selling, using, possessing or dispensing of alcohol, tobacco, narcotics, drugs, controlled substance, imitation controlled substance, e-cigarette vapor products, inhalant or being under the influence of any of the above; or possession of drug paraphernalia. Use of a controlled substance in the manner prescribed for the student by the student's physician is not a violation. The term "under the influence" has a less strict meaning than it does under criminal law. For school purposes, the term means any level of impairment and includes even the odor of alcohol or illegal substances on the breath or person of a student; also, it includes being impaired by reason of the abuse of any material used as a stimulant.

O. Violation of technology guidelines.

P. Plagiarism or copyright infringement by students is considered academic dishonesty, is prohibited and may result in disciplinary action including expulsion from school.

Q. Recording the image or voice of another person with an electronic device, without the express permission of the person recorded or the failure to promptly delete such a recording following the request of the person recorded.

R. Willfully violating the behavioral expectations for those students riding Lincoln Public Schools buses.

S. Truancy or failure to attend assigned classes or assigned activities.

T. Tardiness to school, assigned classes or assigned activities.

U. Engaging in any unlawful activity which constitutes a danger to other students or interferes with school purposes.

V. Repeated violation of any of the rules adopted by the School District or the school.

Students may also be suspended from school for up to five school days by the building administration for conduct constituting grounds for expulsion or other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff which occur on or off school grounds if such conduct interferes with school purposes or there is a connection between such conduct and school.

In addition, administrators and teachers may also take actions regarding student behavior, other than removal of students from school, which are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include counseling of students, parent conferences, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, in-school suspensions, or restriction of extracurricular activity. Students are responsible for complying with such disciplinary measures and may be further disciplined for a failure to serve such assigned discipline as directed.

HEALTH OFFICE INFORMATION

STUDENT HEALTH POLICIES – PLEASE KEEP THE SCHOOL UPDATED WITH YOUR CURRENT TELEPHONE NUMBER(S) SO WE MAY CONTACT YOU OR OTHER FAMILY / FRIENDS IN CASE OF AN EMERGENCY.

HEALTH OFFICE – The health office is staffed daily by a Registered Nurse and a Health Tech trained in first aid, CPR, medication administration, and school health.

STUDENT MEDICATIONS – A signed parental consent form must be received by the health office for all medications administered at school. The Medication Administration Parent Consent form may be found under the Parent Center/ Student Services/Health Services/Medication Administration/consent forms on the Homepage of the LPS website.

All medications must be in the original, labeled packaging from the pharmacy. A physician's prescription is required for all medications provided to students, with the single exception of the “formulary” products described below.

FORMULARY MEDICATIONS – This allows the health office to give limited doses (no more than 5 doses in 30 days) of acetaminophen (Tylenol) or ibuprofen (Advil or Motrin) to your student. This requires a signed parent/guardian consent form only (no doctor's prescription required). These forms will be sent in the summer packet or may be obtained from the health office. They may also be found following the same prompts as described for the parent/guardian consent forms noted above.

IMMUNIZATIONS AND PHYSICAL EXAMINATIONS – Nebraska law requires a Kindergarten and 7th grade physical. Immunizations are required for school entry:

Every student is required to provide evidence of the following immunizations with the proper intervals for best immunity:

- 3 doses of DTP, DtaP, or Td vaccine; a 10 year Tdap is required for 7th graders
- 3 doses of polio vaccine
- 2 doses of MMR (measles, Mumps, rubella) vaccine
- 3 doses of Hepatitis B vaccine
- 2 doses of Varicella 2 doses if the first dose is given after age 13

PARK PANTHER HANDBOOK

The Park staff believes that an orderly school promotes student achievement. A team effort between school staff and parents/guardians can help students abide by the following guidelines, contribute to a positive school environment, and increase student achievement.

BEFORE AND AFTER SCHOOL – Students are welcomed onto school grounds at 7:30 a.m. Students are required to enter at their designated entrance area door when arriving at school. The grounds are also closed to students between 3:10 and 5:00 p.m. Students arriving prior to 7:30 a.m. or remaining on school grounds after 3:10 p.m. will be required to check in at the Boys & Girls Club. Parents/guardians of these students will be contacted to review alternatives to remaining on campus. During inclement weather, students will be allowed to enter the building early. Students are allowed to remain on the grounds after 3:10 p.m. if they are involved in a supervised club or after-school activity. The arrival/dismissal pamphlet includes complete details on before/after school procedures. Please note that after school traffic is southbound only on 8th Street between G and E Streets.

BREAKFAST PROGRAM – Students may enter the building at 7:30 a.m. to eat breakfast. Students eating breakfast may only enter through the cafeteria doors.

PARENTS/GUARDIANS VISITING THE LUNCHROOM – Parents/guardians are welcome to have lunch at school. Parents may bring lunch or purchase a school lunch. If food is to be brought and made available for students, arrangements will be made for everyone involved to eat in a separate room.

CLOSED CAMPUS – Campus is closed before 7:30 a.m. and between 3:10 and 5:00 p.m. Students are expected to stay on school grounds once they arrive at Park except by approval from the office and parent/guardian. If students leave without approval, they will be regarded as truant.

AFTER SCHOOL ACTIVITIES – We encourage all students to become involved in school sponsored activities. These include clubs, intramurals (7th & 8th graders), tutoring, supervised study time with teachers, and Boys & Girls Club activities. Students may participate in activities between 3:10 – 4:15 p.m. There is a late bus at 4:25 p.m. for those students who are bused to and from school by LPS. Intramural contests with other schools take place on Saturday mornings.

GRADING SCALE – Traditional A-F marks will be used as a grading scale for core academic courses and 8th grade elective courses. Following is the Park grading scale:

90 - 100	A	75 - 79	C+	60- 64	D
85 - 89	B+	70 - 74	C	59 - below	F
80 - 84	B	65 - 69	D+		

The marks of C (Commendable), S (Satisfactory), and N (Needs Improvement) will be used for math interventions and academic connection courses.

ATTENDANCE – If students have to miss school they are expected to make up their schoolwork. If the absence is a school approved student activity, they are to have their homework completed in advance of that activity. It is the student’s responsibility to talk with teachers regarding make-up work. If students are absent, the parent/guardian(s) are asked to call the office each day at 436-1212 to report the absence. If no call is received, the school will call to confirm the absence. If no contact is made, students should bring a written note to the office the day they return to school. All unexcused absences are recorded as truant until excused by a parent. Students with frequent attendance issues may be subject to disciplinary action and/or referral to the County Attorney.

TARDY TO SCHOOL – Tardies are not excused. Students who arrive late to school are expected to check in at the main entrance before going to class.

HOMEWORK REQUEST – Parents are encouraged to ask for assignments for their students when their students miss school. If a student is gone more than two days, we encourage parents to call the school office before 8:30 a.m. to request assignments. It is requested that students/parents ask for homework one day in advance.

WEATHER AND SCHOOL CLOSING – The LPS.org web page, radio stations KFOR (1240) and KLIN (1400), and television stations Channel 8 and 10/11 will carry all school closing announcements due to inclement weather or other emergencies by 10:30 p.m. or after 5:30 a.m. School Board policy states that students not be dismissed to parents during a tornado warning.

RESPECTFUL BEHAVIORS AND LANGUAGE – Park staff emphasizes treating one another respectfully and building a community. Staff members at Park attempt to help students use only language that is appropriate in a school setting. The use of profanity or racially derogatory language is not allowed or tolerated. Some words that are used and acceptable in other settings may be not be appropriate at school. Depending upon the circumstance, use of profanity or other inappropriate language or gestures may result in disciplinary consequences. Students who direct profanity at any staff member will be suspended. Profane or abusive language or conduct includes, but is not limited to that which is commonly understood and intended to be derogatory toward a group or individual.

FIGHTING- Fighting among students can have a broad range of causes and effects, but is always inappropriate. At school, striking back is not considered an appropriate response to another student's attack. Students are expected to walk away from the situation and seek adult help. If students are involved in any physical aggression regardless of who began the aggression, all involved students will receive consequences. Students involved in a fight at Park will be suspended. Students who assist in inciting others to fight may suffer the same consequences as those who actually fight. Students fighting off school grounds may also be

suspended. The police may be contacted and students may be cited for disturbing the peace and/or assault.

NUISANCE ITEMS – Only items considered to be school supplies should be brought to school (i.e. pencils, notebooks, markers, etc.) The possession of articles that disrupt the learning environment shall be considered nuisance items. Nuisance items may be confiscated and later returned to either the student or parent/guardian.

SEXUAL HARASSMENT – Sexual harassment has been defined as unwelcome sexual advances, requests for sexual favors, or unwelcome verbal and physical conduct of a sexual nature. This will not be tolerated.

PASSES – Students need to have a pass from a staff member when they are out of class during class time, prior to entering the building at 7:53 a.m. (except for breakfast), or to be in the building after 3:10 p.m.

NOTE WRITING – Students are not to engage in writing, reading, passing or possessing notes.

LOST AND FOUND – Many articles that are lost are turned into the office. Please label all articles if possible with the student's name. Students should not bring valuable items to school, as the school is not responsible for lost, stolen or damaged items.

VALUABLES – Lincoln Public Schools does not provide insurance for personal items and is not responsible for lost or stolen articles. Please do not bring large amounts of money or other valuable items to school.

CONSEQUENCES FOR SCHOOL RULE VIOLATIONS – Students may be assigned to In School Supervision (ISS), detention, break, or strategy as a consequence for violations of school or classroom rules. During the time students are assigned to ISS, strategy or detention, they will complete homework and learn about appropriate school behaviors. In School Supervision (ISS) begins at 8:00 a.m. and ends at 3:15 p.m. During the time period a student is assigned to ISS, the student may not participate in after school or extracurricular activities. Individual teacher detention times may vary, but seldom will these detentions last beyond 3:15 p.m. Students who are assigned by administrators to detention will begin at 2:58 p.m. and remain until 3:30 p.m.

COMPUTER USE GUIDELINES – Computer use is for classroom or legitimate and appropriate outside classroom use only.

- Students will not intentionally access information that may be obscene, profane or offensive toward any other individuals, nor place any such information on the network or Internet.
- Students are not to attempt to gain unauthorized access to system program(s), computer systems or another person's files.
- Students may have their computer privileges suspended if they use computers inappropriately.

DRESS CODE – Prohibited attire includes clothing or apparel that is distracting or calls for excessive attention, incites horseplay, or that is dangerous to health or safety. Following is a list of examples of attire that will not be considered appropriate. The list is not exclusive and other forms of attire deemed inappropriate by the administration/staff may be deemed inappropriate for the school setting. Some examples are:

- Clothing or apparel that is gang related;
- Clothing that shows an inappropriate amount of bare skin or underwear (midriffs, spaghetti straps less than 1”, sagging pants, short skirts/shorts);
- Clothing or apparel that promotes beer, alcohol, tobacco or illegal drugs;
- Clothing or apparel that could be used as a weapon (chains, spiked apparel) or that would encourage “horse-play”;
- Headwear including hats, caps, bandanas, and scarves within the school building;
- Clothing or apparel which exhibits nudity, makes sexual references or carries inappropriate double meanings, or which includes profanity or messages abusive to staff or other students either individually or as members of groups, or that are otherwise consistent with the educational mission.

The decision regarding the appropriateness of clothing will be made by the intervening staff member/administration.

HEADGEAR – Hats, caps, hoods, or other headgear are to be taken off upon entry to Park Middle School. Consideration will be made for students who wear special clothing as required by religious beliefs, disability, or to convey a particularized message protected by law. The final decision regarding attire and grooming will be made by the Principal or Superintendent. In the event a student is uncertain as to

whether a particular item or method of grooming is consistent with the school's guidelines, the student should contact the Principal for approval, and may also review such additional posting of prohibited items or grooming which may be available in the Principal's office. Coaches, sponsors or teachers may have additional requirements for students who are in special lab classes, students who are participants in performing groups or students who are representing the school as part of an extracurricular activity program.

COATS – Coats are to be stored in the locker during the day.

DISPLAY OF AFFECTION – Interaction between students is a part of adolescence, however, hugging and kissing, etc. are inappropriate in school.

TELEPHONES – A phone is available at the main doors from 2:58 - 3:10 p.m. for students to use.

CELL PHONES/ELECTRONIC DEVICES – Cell phones and other electronic devices may be brought to school but must be kept off and out of sight during the school day and during Power Hour. Students are allowed to use their cell phones in the building before 7:53 am and after the dismissal bell at the end of the school day, after 2:58 p.m..

Cell phone/Electronic Device violation plan per semester:

1st Offense Cell Phone/Electronic Device: Students pick up in main office after school.

2nd + Offense Cell Phone/Electronic Device: Parent/Guardian must pick up after school and/or meet with administrator.

LOCKERS, LOCKS AND LOCKER SECURITY – Office staff will assign lockers to students. Students are responsible for any damage to the locker itself (for example, physical damage or use of tape, magic markers, etc., on or inside the locker). The locker and lock are the property of the school district. A locker may be opened for inspection any time there is a question as to improper use of the locker. This will be done in the presence of two staff members. Any inappropriate items found in a locker are considered to be in possession of the person assigned to that locker and disciplinary actions may occur. These guidelines also apply to lockers assigned in locker rooms. Lincoln Public

Schools does not provide insurance for personal items. Please do not bring large amounts of money or other valuable items to school. Be sure to lock your locker and never give out your locker combination. Lincoln Public Schools is not responsible for lost, stolen or damaged articles. See Student Padlock page for further information.

BICYCLES, SCOOTERS AND SKATEBOARDS – Bike racks are provided on the south side of the building. Students should use the bike rack to secure all bikes. Students are expected to walk their bikes, scooters and skateboards while on school grounds. Scooters and skateboards must be stored in the main office closet during school hours.

BOOK BAGS – Students must place backpacks in lockers upon arriving at school. Notebooks and materials used by students must be small enough to fit under student desks.

FOOD AND BEVERAGES – No food or open container drinks are allowed during the school day.

VALUABLES- Valuables such as iPods, hand-held game systems, expensive jewelry, etc. are not necessary at school. While specific school rules do not prohibit such devices, we strongly encourage parents to ensure these items are left at home. Park is not responsible for the loss or theft of such items and will not investigate the loss or theft. Lincoln Public Schools does not provide insurance for personal items. Please do not bring large amounts of money or other valuable items to school. Lincoln Public Schools is not responsible for lost or stolen articles.

BUILDING CARE- Care and maintenance of a building that accommodates over 800 students is a major job. All of us at Park share this responsibility by taking care of the property we use and by helping keep the building clean. Students making a mess will be expected to clean up the mess. Students, who intentionally or through horseplay damage any of Park property, will pay for that damage. Students defacing property by writing will be subject to disciplinary consequences.

STUDENT PADLOCKS

All Park Middle School students are provided a hall locker and combination padlock. Only school padlocks are allowed to be used on school lockers. There is a \$3.00 replacement fee assessed for any padlock that is lost/stolen/destroyed.

Sixth and seventh grade students will share a locker. Please do not remove the lock or take it home to practice your combination.

Students are responsible for keeping the padlock combination confidential. *(Remember students, the only way another student will know your combination is if you tell what it is.)*

HOW TO OPEN YOUR COMBINATION PADLOCK
