What is BIST?

BIST is a school-wide philosophy of behavior management that increases student learning time, stops disruptive/hurtful behavior and teaches skills that will lead to life success.

**BIST** helps students work on these life goals:

- I can be okay even if I am mad.
- I can be okay even if others around me are not okay.
- I can follow directions even if I don’t want to.

Calvert Staff will partner with your child to develop skills to reach these goals.

**The two basic guidelines of BIST are:**

- It is never okay to be disruptive!
- It is never okay to be hurtful!

---

**BIST Vocabulary**

You may hear your child or your child’s teachers use these items when a disruptive behavior occurs...

**EARLY INTERVENTION** is when an adult provides one redirection for disruptive behavior.

**CARING CONFRONTATION** is how an adult provides the one redirection with consistent language as well as non-punitive actions and intent.

**IN-CLASS MOVEMENT** is another seat (not student’s seat) in the regular classroom intended to provide a safe place where the disruptive behavior can stop. The student is not in trouble. This provides a place to keep the student out of trouble. A student can place him/herself in another seat as well as being assigned by an adult.

**THINK SHEET** is a form to help students reflect on how to change their disruptive or hurtful behavior.

**PROCESSING** is the discussion between the adult and student to develop a plan to be accountable for and change disruptive/hurtful behavior.

**OUT-OF-CLASS MOVEMENT** is a location in another classroom when a student needs an alternative safe seat for a variety of reasons.

**RECOVERY** is the process in an alternate location for students who are having difficulty changing their disruptive behavior.

**A PROTECTIVE PLAN** is what the school and family develop together to provide the structure and support to stop the student’s disruptive behavior and to teach the student needed missing skills.

**TRIAGE** is a daily “check-in” with an adult to assess emotions, establish focus about what it means to have a good day and formulate solutions if problems occur.

---

**BIST Sounds**

When you visit Calvert, you might hear adults say to students:

- Can you stop talking even though you don’t want to?
- Can you be okay even though others aren’t okay?
- Can you do your work even though you are mad?
- How can you be mad and not get in trouble?
- I don’t want you to be in trouble. I just want to help you look at yourself so you can change.
- It’s okay to have a problem, but it’s not okay to stay stuck in the problem.

**5 STEPS TO ACCOUNTABILITY**

Staff will work with your child to own the behavior, plan to change it, and accept the support from adults.

1. I did it.
2. I’m sorry.
3. It’s a problem in my life.
4. I accept the consequences.
5. I accept help.

SCHOOL RULES AND BEHAVIOR EXPECTATIONS

The Calvert community including students, parents, administration, and staff will work together to create and maintain a safe, caring environment that promotes teaching and learning. Teaching and supporting appropriate behavior will facilitate the academic achievement and healthy social development of all children. The expectations listed below will enhance the development of a positive learning environment.

- **Be Safe**
  We will have the responsibility to practice self-discipline skills to ensure safety for all.

- **Be Respectful**
  We will treat others with respect and care.

- **Be Responsible**
  We will display good citizenship and acknowledge responsibility for behavior.

During the first week of school and throughout the school year, staff will focus on teaching students the behavior expectations for all areas of our school. Our goal is to “catch kids being good”. When students know that their positive behavior is clearly defined, recognized and reinforced, they are more likely to respond with positive behavior choices. The Common Area Expectations describes in more detail the expectations we have for students.

We know that students can have challenges to consistently display appropriate behavior due to a variety of reasons. To further support our students, we will fully implement the Behavior Intervention Support Team (BIST) model during this year. BIST is a school-wide program to help students learn to manage their own behavior so that they and their classmates can learn, perform and behave at grade level or above.

BIST helps students work on the following goals for life:

- I can be productive and follow directions, even if I am mad. (overwhelmed by my feelings)
- I can be productive and follow directions even if others are not okay.
- I can be productive and follow directions even if I don’t want to.

The basic rules of BIST are:

1. It is never okay to be disruptive!
2. It is never okay to be hurtful!
3. It is always okay to do your best and ask for help!
4. It is always okay to be kind and helpful!

We will share additional information throughout the school year!

### LUNCHROOM PROCEDURES AND IMPORTANT INFORMATION

SNAP is the name of our cafeteria cash register system. With the SNAP cash register system, parent/guardian deposits money into an account that is accessed by the child entering their SNAP number on a keypad in the cafeteria. If your child is returning to our school, they will use the same number as last year. If your child is new to Lincoln Public Schools, a number will be assigned. Money in an account can be transferred from one school to another if a student changes schools within Lincoln Public Schools.

#### LUNCH INFORMATION

Parents/Guardians and other approved visitors may eat with their student. If a guest other than the child’s guardian is having lunch with them, we ask that the parent/guardian make the school aware before the guests arrives. We will not allow students to eat lunch with guests without the guardian’s permission.

Guests may purchase a lunch from the cafeteria or bring their own food. Guests may bring lunch for the student that they are visiting, but cannot bring food for any other children due to the State and Federal Food Program guidelines.

Breakfast: students are not allowed to bring in their own breakfast meal to eat in Calvert’s cafeteria.

AFTER SCHOOL CLUBS AND ACTIVITIES

After school activities include band, strings, art banner and chorus. These activities are offered to fourth and fifth grade students. Parents will sign permission forms for their children to attend after school activities, and students are under Calvert staff supervision. Dismissal plans will be provided to parents by the supervisor of each activity.

COMMUNITY LEARNING CENTER

The Calvert Community Learning Center (CLC) keeps the school doors open at Calvert Elementary during the out-of-school hours. We offer a variety of services to support children, families, and the neighborhood. At Calvert Elementary, children and families can access quality before and after-school academic & enrichment programs, after-school clubs, family night activities, and adult learning/education opportunities.

If you are, or know of a parent/community member/neighbor/college student with expertise, skills or hobbies who would like to share with our students in the before / after school program or could be involved in helping achieve our 3 Goals --Improve Student Learning, Strengthen & Support Families, and Strengthen and Engage Neighborhoods, please call 402-441-8484. We appreciate the tremendous support of our partners and club leaders who facilitate the program each evening.

MEDICAL AND DENTAL APPOINTMENTS ON SCHOOL TIME

Please try to schedule appointments outside of school hours. However, students are granted approved absences from school in order to keep medical or dental appointments. It is necessary that the child check in and out through the office. If the child will be late arriving to school, please send a note the previous day or call our school office at (402) 436-1130.

RETURNING TO SCHOOL FOLLOWING ILLNESS

Students should have a note from parent/guardian explaining the cause of the absence if the parent has not been in contact with the school during the absence. In some cases the school may request a statement from a physician.

If the absence is of three days or more due to a communicable disease, the student should be checked by the nurse, health technician, principal or principal’s designee.

BEFORE–&–AFTER SCHOOL CARE

Before and after school care is available to families at Calvert School through the Calvert Recreation Center. The Calvert Rec Center provides before and after school care for kindergarten through fifth grade students. Hours are 6:30-8:10 a.m. and 2:53-6:00 p.m. Please call (402) 441-8480 for registration information and fee schedule.

Typically, school news will be sent home in Wednesday folders. Please return the next day including any notes to your child’s teacher. General information will be sent with the oldest child in the family attending Calvert School.

Community News
“Community News” is a newspaper distributed by Lincoln Public Schools, free to all elementary students the first week of every month from September through May. “Community News” replaces most informational flyers and can be used as a guide to community activities for students. The monthly school lunch menu is included in each issue of “Community News.”

School Website
Information is regularly updated on our website: wp.lps.org/calvert

ParentVue
ParentVue: Parents may access communications, attendance information and more for their child through ParentVue. A “button” linking you to ParentVue can be found on our school website.

School Messenger
This district-wide communication system sends school and district emails, texts, and phone calls to families with important information. Please be sure the school has your updated phone number and email address.

MAKE-UP WORK

We appreciate parent/guardians’ conscientious regard for picking up homework for their child.

- If your child will be absent only one day, work will be sent home upon return to school.
- If your child will be absent for two or more days, please contact the classroom teacher to plan for completion of work and notify the office.

Please call the school in the morning to request homework to be picked up after school.

COMMUNICATING STUDENT PROGRESS:
Report Cards & Parent-Teacher Conferences

Lincoln Board of Education states (Policy 6570) that “student progress will be reported formally to parents/guardians at least four times each year.” Information about elementary student progress is reported in four areas:

1. Progress through district curriculum objectives.
2. Performance in assigned curriculum level.
3. Effort.
4. Use of effective learning or study skills.

At the end of each quarter, teachers summarize and communicate student progress to parents/guardians through the report card. It is also at this time that teachers analyze assessment information and review reading and math groups to determine whether or not students are placed at the appropriate instructional level. We know that for children to experience continuous growth and success in learning they must be working at an instructional level that will adequately challenge them. Because children learn in different ways and at different rates, it is important that we examine instructional placements on a regular basis and make adjustments based on students’ needs. For these reasons, some children may move from one instructional group to another in order to meet their individual needs. This move could result in change of teacher for reading or math instruction. Classroom teachers will notify parents/guardians if an instructional move is recommended.

Parent-Teacher conferences are scheduled twice a year, typically during the first and third quarters of the school year. Please consult the calendar for conference dates. Parents with immediate questions about their child’s academic progress are encouraged to contact the teacher at any time.

Bullying

If you feel that your child is being bullied by peers, please contact your child’s teacher or the building principal, Jeff Brehm. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

• Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
• Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
• Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District’s Second Step program.
Students are recognized monthly during the Calvert Effort Award Assembly. The expectations below are what teachers look for in recognizing students. It is a high honor receiving this award. Know that if your student receives this, they have gone up and above these expectations.

**I WILL TRY....**

- Even if the task is hard
- For several times—without giving up
- Finishing my assigned work on time
- On my own—asking for help when needed
- Remembering skills I know and can use in my work
- Taking a risk— it’s okay to make a mistake!

SUMMER ROCKS!
FOOD ALLERGIES REQUIRING A SPECIAL DIET - complete the Medical Statement for Students Requiring Special Meals form. This form must be signed by a Physician and turned in to the school Health Office for processing. Please plan on sending a meal with your child for three days after submitting the form. This allows staff time to order the foods necessary for your student’s diet restrictions.

LUNCH STUDENT MEAL PRICES - lunch prices will be $2.35 elementary, Cow’s milk is fifty (50) cents per carton. School lunch consists of a choice of two or more hot entrees, chef salad or meatless entrée plus a salad, vegetable, fruit and milk. Reduced priced lunch is forty (40) cents.

PROCEDURES FOR GUESTS EATING LUNCH
Parents/Guardians are welcome to join their child(ren) for lunch. Please notify the school office before 9:00 a.m. if you plan to have school lunch. Adults and children not students in Lincoln Public Schools pay $3.30 for lunch. Please be aware that parents may take their own child out for lunch, but may not take other students with them.

FOOD BROUGHT INTO SCHOOL
No food may be sold (i.e. pop, snack machines, fundraisers) and NO FOOD may be brought in to treat for birthday parties, class rewards, or class parties. The US Department of Agriculture and the NE Department of Education Competitive Foods Policy states that “no food may be sold or served that competes with the national School Lunch and/or Breakfast programs.” Also, parents may not bring in food for anyone other than their child, as this is in violation of the Federal Lunch Program guidelines.

BREAKFAST
START THE DAY WITH SCHOOL BREAKFAST! All schools across the district offer breakfast. Students have the choice of selecting a cold breakfast (ex: cereal and graham crackers) or hot breakfast (ex: mini pancakes). In addition to the hot or cold breakfast entrée a student will receive 100% fruit juice, low fat milk and optional ½ c serving of fruit. Breakfast is $1.30 for elementary students and $1.50 for secondary students. Reduced priced breakfast is thirty (30) cents. Please contact your school for breakfast serving time.
