Dear Students and Families,

Welcome to Fredstrom Elementary School! This handbook has been prepared for all students and parents/guardians in hopes that it will be helpful in answering questions you might have about the policies and practices of our school. Please carefully review the contents with your child. The “Important Information” booklet provided by Lincoln Public Schools also gives critical parent/student information. Note that dates for school events are subject to change. If you have questions or concerns regarding these publications, please do not hesitate to call the school office at 402-436-1140.

On behalf of the entire staff, we look forward to working together to make this a productive and successful year of learning and growing.

R.L. Fredstrom School is named after a Nebraska educator whose long service to Lincoln resulted in many excellent programs for students. Dr. Fredstrom often visited the students at Fredstrom School where he shared his personal philosophy in education: “The motivating force throughout my life has been wanting to help people learn and grow. If I could establish a hope for this school named after me, it would be that all pupils in this school forever develop an appetite for learning.”

R.L. Fredstrom School is named after a Nebraska educator whose long service to Lincoln resulted in many excellent programs for students. PHILOSOPHY

R.L. Fredstrom School is based on the belief that learning should be a successful, challenging and enjoyable experience. The school is organized into teaching teams which facilitate successful instruction for each student. Children in kindergarten through fifth grade are assessed and placed at the instructional level in which they will be successful, yet challenged. Teams of teachers work together to facilitate opportunities for student instruction. This has been an organizational plan we have implemented since the school opened in 1983 and have found it to be most advantageous for students.

RIGHTS AND RESPONSIBILITIES
The Lincoln Public Schools has established rights and responsibilities of students. They are noted in the “Important Information” booklet emailed to parents/guardians before each school year, and are available in the school office. The rights and responsibilities are designed to assure that students have the best opportunity possible to learn in a safe, clean environment without disruption. Please review the rights and responsibilities with your child.

COMMON AREA EXPECTATIONS
At Fredstrom School, we strive to create a safe, caring and productive environment for learning. In order to do so, certain behaviors are expected throughout the building in common areas such as hallways, restrooms and the cafeteria. These expectations are shared with students, posted, practiced and reinforced. For example, when we walk with our class in the hallways our voices are at level 0 (silent), we are walking and our hands are to ourselves. These behaviors help us to be safe, respectful and responsible. You will see posters which outline these common area expectations throughout the building when you visit. Please contact Cheryl Richter at crichter@lps.org if you have any questions.

CREATING SUCCESS THROUGH PARTNERSHIP
Students are responsible with the support of our staff, to conduct themselves in a manner that will create a safe learning environment at Fredstrom Elementary School. All appropriate behaviors are included in Fredstrom’s three simple guidelines for success. We will work together to help our children to:

Be Safe
We help everyone feel physically and emotionally secure.

Be Respectful
We value and are considerate of others.

Be Responsible
We are accountable for all of our actions.

WHY WE'RE HERE...

Our goal at Fredstrom Elementary School is to increase the achievement of each and every student, in all academic areas. Specific areas for improvement, for which grade-level Professional Learning Community (PLC) teams will develop SMART goals in the fall of 2019, follow:

Each and every student will improve their math achievement through an increased understanding of number sense.

Each and every student will learn and apply skills and strategies to comprehend text, specifically using guided reading and other research based strategies and interventions.

Achievement of these goals will be measured through PLC-developed assessments, as well as district and state assessments. Throughout the year we will be informing you as to your child's progress toward the goals as well as reporting group results.

FALCON FEATHERS

As students demonstrate safe, respectful and responsible behaviors, staff members are watching and reinforcing positive behavior with Falcon Feathers. Students are handed a Falcon Feather and verbally given feedback on their effort toward being safe, responsible and/or respectful. Falcon Feathers are tallied, with individual and school-wide rewards given as goals are met.

MEDICAL AND DENTAL APPOINTMENTS ON SCHOOL TIME

Please try to schedule appointments outside of school hours. However, there are times students may be absent from school in order to keep medical or dental appointments. It is necessary that the child check in and out through the office. If the child will be late arriving to school, please send a note the previous day or call our school office at 436-1140.

ABSENCES

Please call the office 436-1140 (option 5) to report absences. Unless the school is notified, a call will be made to your home or place of work to verify the absence.

MAKE-UP WORK

We appreciate parent/guardians’ conscientious regard for picking up homework for their child.

• If your child will be absent only one day, work may be made up or taken home upon return to school.
• If your child will be absent for an extended period of time, please contact the classroom teacher to plan for completion of work and notify the office.

Please call the school in the morning to request homework to be picked up after school.

IMPORTANT TRAFFIC SAFETY INFORMATION

Please help us keep all kids safe by following the guidelines below. When staff members or volunteers are assisting students at arrival/dismissal time we sincerely appreciate your courtesy and cooperation. Fredstrom families are the best! Thank you!

• Please stop cars either prior to the cones marking the crosswalks or after them. The cones mark the safe distance for visibility of children crossing the street.
• Students should cross streets at crosswalks at all times. Please do not ask your child(ren) to cross mid-street.
• Please note the recommended one-way flow of traffic. If all families cooperate with this recommendation it significantly improves the efficiency and safety for everyone at arrival/dismissal times.
• Please do not stop vehicles in the no stopping areas. This helps us keep traffic flowing!
• If you are in the loading zone area, on NW 10th Street, adjacent to school property, please do not exit your vehicle. Again, this really helps to keep the flow of traffic moving.
• Please do not double park, as we do not want students to be in an unsafe situation crossing between vehicles.
• We appreciate you not using the parking lot during drop off/pick up times. It is hard to see children between vehicles, so this helps us keep kids safe!
• The school driveway may be used to drop off students in the morning. Again, parents should not leave their vehicles in order to keep the traffic flowing. Thank you!
• When families leave the driveway please turn RIGHT (to the north) as turning to the left will interfere with the flow of traffic.
• Families who wish to walk their child to the door in the morning or meet them at the door after school are asked to park on adjacent streets (not NW 10th or in the parking lot).
• School campus (including the playground) is closed until 6:00 p.m. except for use by school childcare, afternoon Early Childhood classes and clubs. Reservations for rooms/playground should be entered in the district Archibus system (https://home.lps.org/operations/archibus/).

Thanks so much for your cooperation! If any families are interested in volunteering at crosswalks before or after school, please email our PTO president at president@fredstrompto.org or Mrs. Richter. Keep kids safe!

LUNCHROOM PROCEDURES

When coming to have lunch with your child, please remember these items:

• When sitting at the guest table, this is time to spend with just your child.
• If you choose to sit at the regularly assigned tables with other students, please make sure there is enough room to add all your guests.
• Due to many food allergies and sensitivities, we ask that no food be shared with children other than your own.

SNAP is the name of our cafeteria cash register system. With the SNAP cash register system a parent/guardian deposits money into an account that is accessed by the child entering their SNAP number on a keypad in the cafeteria or by using a barcode. If your child is returning to our school, they will use the same number as last year. If your child is new to Lincoln Public Schools, a number will be assigned. Money in an account can be transferred from one school to another if a student changes schools within Lincoln Public Schools.

Negative Account Balances
Students who do not have sufficient funds to pay for breakfast/lunch will bring a note home to remind parents of the need to make a deposit. Parents can also sign up online for email alerts when the balance is low.

Federal/State Guidelines
The United States’ Department of Agriculture and the Nebraska Department of Education competitive Foods Policy states that “no food may be sold or served that competes with the national School Lunch and/or Breakfast programs one half hour prior to the serving period.” This means that no food may be sold (i.e. pop, snack machines, fund raisers). No food may be brought in as treats for class rewards, or class parties one half hour prior to the serving periods. **Outside food may be brought in for your child(ren) only.**

WHO TO CONTACT IF YOUR STUDENT IS FEELING UNSAFE OR BULLIED

If you feel that your child is being bullied by peers, please contact your child’s teacher or the building principal, Mrs. Richter. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District’s Second Step program.

INTENT OF STUDENT HANDBOOK

This handbook is intended to be used by students, parents, and staff as a guide to the rules, regulations, and general information about Fredstrom Elementary School. Each student is responsible for becoming familiar with the handbook and knowing the information contained within it. Parents are encouraged to use this handbook as a resource and to assist their child in following the rules contained in this handbook.

Although information found in this handbook contains detailed and specific information on a variety of topics, the handbook is not intended to cover every situation and circumstance that may arise during any school day, or school year. This handbook does not create a “contract.” The administration reserves the right to make decisions and rule revisions at any time to implement the educational program and to assure the well being of all students. The administration will be responsible for interpreting the rules contained in the handbook. Should the situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon all applicable school district policies, and state and federal statutes and regulations.
