Intent of Student Handbook

This handbook is intended to be used by students, parents, and staff as a guide to the rules, regulations, and general information about Maxey Elementary School. Each student is responsible for becoming familiar with the handbook and knowing the information contained within it. Parents are encouraged to use this handbook as a resource and to assist their child in following the procedures and rules contained in this handbook.

Although information found in this handbook contains detailed and specific information on a variety of topics, the handbook is not intended to be all encompassing so as to cover every situation and circumstance that may arise during any school day, or school year. This handbook does not create a “contract.” The administration reserves the right to make decisions and rule revisions at any time to implement the educational program and to assure the well being of all students. The administration will be responsible for interpreting the rules contained in the handbook. Should the situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon all applicable school district policies, and state and federal statutes and regulations.
JoAnn Maxey was a state senator and president of the Lincoln Board of Education. She was the first African-American member of the board and the first female African-American state senator. Mrs. Maxey was a member of the school board for six terms beginning in 1975. She was president from 1981 to 1982. As a school board member she was interested in seeing that all children were represented equally. She was a strong proponent of education and worked to improve the school system for all involved and, in particular, for persons of color.

She took time away from the school board from 1977 to 1979 when she was appointed by Governor J.J. Exon to fill out an unexpired term of Senator for Harold Simpson who resigned. She worked for passage of a Displaced Homemakers Bill which addressed the needs of women, especially the needs of single mothers.

Mrs. Maxey was a member of the Lincoln Foundation, Head Start Program, Black Women’s Caucus, WICS, League of Women Voters, City Street Advisory Committee, Lincoln Jaycees, Belmont Community Center, Multicultural Committee, Right to Read Committee and the NAACP. She was Director of the Senior Citizens Group at the Malone Community Center and was a laboratory technician at Germer Pediatrics. Mrs. Maxey was also active as a PTA member at McPhee Elementary School.

Mrs. Maxey dedicated her life to children. She taught Sunday School for more than 30 years at Christ Temple Mission and was the youth and senior choir director there as well.

“Even throughout her battle with cancer, she remained a positive, dedicated individual full of determination,” wrote Lynne A. Carroll. “When those of us strongly suggested she remain at home to rest on some of those painful days, she refused, as her work for the Lord was not yet done.”

Mrs. Maxey’s unselfish dedication to the Lincoln community, the church and Lincoln’s youth deems it appropriate that the elementary school at South 75th Street and Glynoaks Drive be named JoAnn Maxey Elementary School.

The staff and students are proud to teach and learn at Maxey Elementary School which opened in July 1995.

*We do our very best.*
*We are so proud of Maxey School*
*Our minds will never rest.*
*Here with knowledge, strength, and pride*
*We gather on this day.*

*We sing, we work, we play.*
*United in our hopes and dreams,*
*Together now we sing,*
*“Here our future will begin,*
*Our courage leads the way.”*

STUDENT ARRIVAL AND DISMISSAL PROCEDURES

School Hours
Grades K through 5......................... 9:00 a.m.–3:38 p.m.
Pre-School "Early Childhood".............. 8:30 a.m.–12:00 p.m.

Arriving to School
Student arrival time for K-5 students at Maxey school is between 8:50 a.m. and 9:00 a.m. It is important to understand that adult outside supervision and adult inside supervision (on inclement weather days) will not be available until 8:50 a.m. Students will be allowed to enter the building at 8:50 a.m. Students are instructed to go to the gym until 9:00 a.m. where adult supervision is provided. Beginning at 9:00 a.m. students will be excused to go to their designated classrooms. The tardy bell rings at 9:05 a.m. Any students arriving to class after this time will be counted tardy. Students arriving to school prior to 8:45 a.m. will not be supervised and are the responsibility of their parents or daycare providers.

Students who participate in the programs noted below may enter the building at the times stated and will be supervised:

1) Students having a prearranged meeting with a teacher.
2) Students that are accompanied by a parent/guardian and are here for a specific pre-arranged meeting.
3) Students participating in the Maxey breakfast program. (Seating for breakfast begins at 8:30–8:50 a.m.)
4) Students who are registered with the “Family Services Before School Program”.
5) Students who participate in the Maxey Chorus, Band, Orchestra, Art Banner Club, and Student Council. Arrival time for these programs is between 8:10 a.m. and 8:15 a.m. on designated days set by the sponsor or teacher.

Maxey Student Dismissal Procedures

Dismissal at the End of the Regular School Day/Early Release Days
Students will be allowed to be at school after dismissal time only under the following circumstances:

1) They have a prearranged meeting with a teacher.
2) They are accompanied by a parent/guardian and are here for a specific pre-arranged meeting.

School Campus (including the playground) is closed until 6:00 p.m. except for use by Maxey clubs or Family Service. Reservations for rooms/playground should be entered in the district Archibus System.

It is the responsibility of each Maxey family to have a daily “dismissal plan” for their child(ren) to arrive home safely. Parents and guardians are expected to discuss with their children daily as to whether their children are to walk home, ride their bicycle home, or be picked up in a vehicle by a licensed driver.

IT IS THE RESPONSIBILITY OF THE PARENTS TO NOTIFY THE SCHOOL IN WRITING IF THEIR CHILD IS NOT TO WALK HOME UNESCORTED AT REGULAR SCHOOL DISMISSAL TIMES/EARLY RELEASE DAYS OR AFTER SCHOOL EVENTS.

If a child is to walk home, the plan needs to include the walking route and with whom (if anyone) to walk home with your child.

The same would hold true if a child is to ride a bicycle home. If a child is to be picked up by a person driving a vehicle, your child needs to know the name of this individual. It is the responsibility of the parent to communicate this plan with their child.

Maxey School K-5 student dismissal is generally 3:38 p.m. daily, 2:18 p.m. the first three days of the opening of school on August 12, 13, 14 and 2:18 p.m. on designated “early student release days” when staff meet in their professional learning communities. Pre-School Early Childhood students will not be in session on “early student release days”. In all cases, parents are responsible for having a dismissal plan for their children and communicating it with their children as how they will get home safely. It is reasonable for all students to be picked up from school within 15 minutes after student dismissal. Designated school personnel will supervise students outside at student dismissal for 15 minutes after the designated dismissal time.

The “Maxey School Student Dismissal Plan” provides for outside adult supervision on all sides of the building, including designated crosswalks located at all major intersections adjacent to the school.

In the event there is a miscommunication between parent and child, and a student is not picked up within 15 minutes of dismissal, Maxey students have been instructed to come to the school office for assistance. All efforts will be made to contact the parent or childcare provider to come to school and pick up the child. Office personnel are on duty until 4:30 p.m. daily and will have to supervise students in the office on an emergency basis until this time. If a child has not been picked up by 4:30 p.m. and there is no school administrator on the school campus, office personnel will contact the police to come and supervise the child. This action will be a last resort, but if necessary, will ensure the safety of the child. Every effort will be made to contact the parent or childcare provider before police are contacted.
For a full list of events, refer to the Maxey web calendar.
Procedure for Drop-off, Pick-up and Carpool Lanes
At Maxey School we believe that all students should have a safe learning environment. This includes following a few safety procedures during arrival and dismissal:

1) Please observe all “Alert Crossing” signs while driving through intersections. Our staff use these signs to safely walk children across the street. If you see a staff member holding up the sign, please do not drive around them when the way looks clear. Stop, and wait for them to lower the sign.

2) Please do not turn left into the circular drive. You will need to enter the drive from the south.

3) There is no parking in the circular drive.

4) There is no parking along the curb on the north side of the school. The curbside parking is for commercial daycare vans and buses only. Please feel free to park in the parking lot, and walk up to the front of the school to meet your child.

5) Whether dropping students off in the morning, or picking them up in the afternoon, please be sure they exit and enter your car on the passenger side. Do not ask them to enter the street to get to your vehicle.

6) Students are not to walk in the parking lot unescorted by an adult. Please pick up and drop off students in the appropriate car pool lanes.

7) Please remember automobiles use the west circular drive to pick up and drop off students. (front of school)

8) The north lane is used for commercial day care vehicles and LPS transportation vehicles. Automobiles may use the North Lane for a.m. ONLY drop-off.

Contacting Your Child’s Teacher
Parents/Guardians are encouraged to call or email their child’s classroom teacher to arrange for conferences or when questions arise that can be handled with a brief discussion. The best time to reach a teacher by phone is before the student-day begins or after school. During instructional time, voicemail messages can be left for teachers. For involved problems such as student evaluation, curriculum concerns, and school policy, a parent-teacher conference rather than a conversation by telephone is encouraged. You may also contact the teacher via LPS email.
For a full list of events, refer to the Maxey web calendar.
Professional Learning Communities

The following school days are designated as Professional Learning Communities “Early Release Days” (Tuesdays) for students: August 27, September 24, October 29, November 26, December 17, January 28, February 25, March 31, and April 28. Students in grades K-5 will dismiss 1 hour and 20 minutes earlier than the normal schedule. Students in the preschool “Early Childhood” program will not be in session on these PLC “Early Release Days”. Please note the adjusted schedule for these days below:

Grades K-5   School Starts: 9:00 a.m.   Dismissal: 2:18 p.m.

After-School and/or Evening Activities:

Parent Teacher Organization
The Maxey School Parent Teacher Organization is a vital part of Maxey’s success with children. As an organization, they represent parents/guardians and organize events and projects that serve children and families. Quarterly PTO meetings are held and dates will be listed in the Maxey Messenger. PTO website www.maxeypto.org

The PTO Executive Committee meets at 6:00 p.m. in the conference room prior to the general meetings. All are invited to attend these meetings also.

The 2019-20 PTO President is Lindsay Uglow.

Breakfast Time/Lunch Time

Breakfast is served from 8:30-9:00 daily.

The cost for a student’s school prepared lunch is $2.45 a day. To purchase milk only is $0.50. SNAP is the name of our cafeteria cash register system. With the SNAP cash register system a parent/guardian deposits money into an account that is accessed by the child entering their SNAP number on a keypad in the cafeteria. If your child is returning to our school, they will use the same number as last year. If your child is new to Lincoln Public Schools, a number will be assigned. It is very important that your child learn their number so they can enter it on the keypad on the first day of school. Money in an account can be transferred from one school to another if a student changes schools within Lincoln Public Schools. Adults may purchase a lunch for $3.65.

Students are allowed one “borrow” from the office, should they not have sufficient funds to pay for lunch, and are expected to repay the loan the following day. Students who must borrow a second time will make a call home for money.

If your child received free/reduced lunch and breakfast LAST year, your application is valid for the first 30 days of school THIS year. Please complete a new application, found in the Important Information booklet found on-line. Eligibility for the free/reduced lunch program is determined by federal guidelines.

Parents/Guardians are welcome to join their child(ren) for lunch. Please notify the kitchen before 10:00 a.m. if you plan to have school lunch. Adults and children not students in Lincoln Public Schools pay $3.65 for lunch.

The United States’ Department of Agriculture and the Nebraska Department of Education Competitive Foods Policy states that “no food may be sold or served that competes with the national School Lunch and/or Breakfast programs one half hour prior to the serving period.” This means that no food may be sold (i.e. pop, snack machines, fund raisers), and no food may be brought in one half hour before or one half hour after lunch to treat for birthday parties, class rewards, or class parties. Also, parents may not bring in food for more than their child.
For a full list of events, refer to the Maxey web calendar.
USE OF SCHOOL BUILDING AND GROUNDS

Visitors
Parents/guardians and community members are encouraged to visit school. Children not enrolled at Maxey may not visit unless accompanied by an adult. It is recommended that visitors limit their visits to 30 minutes unless other arrangements are made. When visitors do come to school, we ask that they check in with the security entrance monitor located in the front entryway and wear the visitor badge that will be provided for them. Wearing this visitor badge will assure all staff that approval has been given by the office to visit.

Volunteers
Maxey School benefits greatly from the many parent and community members who volunteer; your time and talents are important to the education of children. Your child’s teacher will have opportunities for volunteering in the classroom or special events. To maintain an environment conducive to learning, we ask that volunteers not bring other children during their volunteer time and check in and out at the SEM desk. Before you volunteer, Lincoln Public Schools has an online application and approval process. Once approved you are an eligible volunteer for 3 years. To become a volunteer, complete the online application at lps.org under Parent Tab > Become a Volunteer. If you have questions or need assistance, stop in or contact the Maxey office.

Smoke-Free Environment
Lincoln Board of Education policy declares all Lincoln Public Schools buildings and grounds smoke-free. We would appreciate your help in meeting the goal of a smoke- and tobacco-free environment for all children. When you attend events, please remember that our grounds are smoke- and tobacco-free and abide by our board’s policy.

Student Use of Telephone
Students will be permitted to call home regarding school matters upon obtaining permission from the classroom teacher. Calls by students must be kept to a minimum, as there are a very limited number of phone lines in and out of school. Students are asked to make arrangements for participating in after-school activities or going home with a friend before leaving home in the morning. Cell phones are to be turned off and placed in backpacks from 8:50 a.m.-3:38 p.m.

Nuisance Items/Toys/Weapons
Please leave play items and items that may distract from learning at home. Only school supplies, forms to be returned to school and schoolwork should be brought to school. Leave gum, candy, trading cards, personal CD players, etc. at home. Cell phones are allowed but must be turned off and kept in backpacks from 8:50 a.m.-3:38 p.m. daily.
Knives (including pocket knives) or any other items that might be considered a weapon are strictly prohibited and should NEVER be brought to school. Students who violate this rule face the penalty of suspension and expulsion from school, in accordance with state law. Toys that can be used as weapons or have the appearance of a weapon (i.e. toy gun) are prohibited.

EXTRA-CURRICULAR ACTIVITIES

Before- and After-school Care
Before- and after-school care is available to families at Maxey School through Family Services, which provides before and after-school care for kindergarten through fifth grade students. Hours are 6:45–9:00 a.m. and 3:38 – 5:45 p.m. Please contact Family Services at 441-7949 for their registration information, fee schedule and additional information.

After School Clubs and Activities
Throughout the school year, a variety of interest clubs and activities are sponsored by Maxey teachers or offered through the Maxey PTO. Club and registration information will be sent home with students. Additional activities available to students (some for only designated grade levels) include: Chorus, Band, and Orchestra. Other clubs and activities may be organized to address special interests of students and staff.

Cell Phones
Students are allowed to bring cell phones to school. However, we ask that phones be turned off and remain in backpacks from 8:50 a.m.-3:38 p.m. daily.

SCHOLASTIC ACHIEVEMENT

Communicating Student Progress:
Report Cards & Parent-Teacher Conferences

Lincoln Board of Education states (Policy 6570) that “student progress will be reported formally to parents/guardians at least four times each year.” Information about elementary student progress is reported in four areas:

1. Progress through district curriculum objectives.
2. Performance in assigned curriculum level.
3. Character development progress.
4. Use of work or study habits.

Parent-Teacher conferences are scheduled twice a year, typically during the first and third quarters of the school year. You will receive information from your child’s teacher regarding the times and dates of Parent Teacher conferences. Parents with immediate questions about their child’s academic progress are encouraged to contact the teacher at any time.

SUPPORT SERVICES

Student Services: Gifted & Special Education

The Lincoln Board recognizes that the student population includes students with exceptional academic abilities. These students shall be provided appropriately challenging curricula and instruction which is congruent with their learning abilities and styles and which shall be provided in classes composed of these students, taught by teachers trained to recognized and meet the needs of these students. Efforts to refer and identify students for the gifted program will be made at each grade level. Multiple criteria shall be used for identification purposes and identification efforts shall be inclusionary. Outstanding abilities are present in students from all cultural groups and across all economic strata. Students shall be placed in the gifted program congruent with their identified needs.

Special education means educational experiences, curriculum and services, through the use of special facilities, equipment, and/or classrooms, which have been adapted to provide special education for students with disabilities. In addition, special education provides support services necessary for evaluation, placement and instruction for students with disabilities.

Please contact Tracey Peterson, Assistant Principal with questions regarding special education and Jennifer Will, gifted facilitator with questions regarding gifted.
For a full list of events, refer to the Maxey web calendar.
### Rights and Responsibilities

The Lincoln Public Schools has established rights and responsibilities of students, they are printed in the "Important Information" booklet found online. The rights and responsibilities are designed to assure that students have the best opportunity possible to learn in a safe, clean environment without disruption. Please review the rights and responsibilities with your child.

#### Maxey School Rules

**As a Maxey student I will:**

1. Be Safe.
2. Be Responsible.
3. Be Respectful.

#### Management Plan

We believe that all children have the right to a positive, successful learning climate. The staff and parents work cooperatively to reinforce students’ positive behavior to ensure this type of environment. Each year a letter is sent home explaining the management plan and the behaviors expected of each child in the team. Questions specific to your child’s grade level can be directed to the classroom teacher.

Lincoln Public Schools provides physically safe and emotionally secure environments for all students and staff. Positive behaviors (non-violence, cooperation, teamwork, understanding and acceptance of others) are encouraged in the educational program and are required of all staff. Inappropriate behaviors, including but not limited to bullying, intimidation and harassment, must be avoided by all students and staff. Education, strategies and practices are implemented to reinforce positive behaviors and to discourage and protect others from inappropriate behaviors.
For a full list of events, refer to the Maxey web calendar.
Bullying

If you feel that your child is being bullied by peers, please contact your child’s teacher or the building principal, Suzanne Reimers. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District’s Second Step program.

LPS Policy 5482  Students Anti-Bullying Policy

Lincoln Public Schools provides physically safe and emotionally secure environments for all students and staff. Positive behaviors (non-violence, cooperation, teamwork, understanding and acceptance of others) are encouraged in the educational program and are required of all staff. Inappropriate behaviors, including but not limited to bullying, intimidation and harassment, must be avoided by students and all staff.

Bullying means any ongoing pattern of physical, verbal or electronic abuse on school grounds, in a vehicle owned, leased or contracted by the school being used for a school purpose by a school designee, or at school-sponsored activities or school sponsored athletic events. Strategies and practices are implemented to reinforce positive behaviors and to discourage and protect others from inappropriate behaviors.

The School District shall review the anti-bullying policy annually.

Maxey: Anti-Bullying Plan and Response to Bullying Behaviors

Preventative Plan:

- Teaching and reviewing Positive Behavior Supports – Be Safe, Be Responsible, Be Respectful – School-wide, in grade level teams, and in individual classrooms – morning announcements
- Classroom presentation on bullying – includes the bully, bullied and the bystander
- On-going classroom teaching, modeling and recognition of appropriate school behaviors

Response to Bullying Behaviors

- Identify that the behaviors are on-going and targeting another student (investigation of the situation(s))
- Problem solving session(s) with the bully (and the victim) to help the student recognize and learn that the hurtful behaviors are “bullying”. Parents of the bully are included in this phase of educating the bully and helping him or her to stop the behavior. Some restrictions/plans may be put in place to protect the victim and the bully.
- If bullying continues, a meeting is held with family to determine if more restrictions are necessary and if counseling would be helpful. This could include, but not limited to restricting recess time or areas, restricting transition time, alternate work areas, arrival and dismissal plan, separation plan between the students.
- If the above steps have been completed and bullying continues, next steps could include in-school suspension, out of school suspension, referral to student services, class change.

Communication

Students will bring home a “Wednesday Folder” each Wednesday with information to share. Classroom teachers will send home regular communication to inform parents of current curriculum studies, upcoming events, classroom news, etc. “Community News” is a newspaper distributed by Lincoln Public Schools, free to all elementary students the first week of every month from September through May. “Community News” replaces most informational flyers and can be used as a guide to community activities for students.

Five Ways to Get Your Child Off to a Good Start

You can help your child get off to a good start this school year. Here are some ideas to get you started.

1. Get to know your child’s teacher. As a parent you know your child best. Share what you know with the teacher. Does your child have a special interest? A favorite book? Are there subjects in which your child needs special help? You don’t have to wait until parent teacher conferences.

2. Talk to your child’s teacher about problems, too. What goes on at home affects how a child does in school. Separation, family illness, a new baby, or even a move can all affect a child’s school work. You don’t have to tell the teacher your personal business, but make sure your child’s teacher knows important facts that will help them serve your child better.

3. Make sure your child gets enough sleep. Tired children can’t do their best work. Set a bedtime and stick to it.

4. Learn what is expected of your child. Will there be homework? How much? How can I help?

5. Limit TV. Studies show that children who do best in school watch the least amount of television. But remember, when you first turn off the TV set, you’ll have to help your child find other things to do. Read a book or magazine. Take a walk. Visit the library or try playing a game.

These tips can not only get your child off to a good start, they can also help to make the entire school year successful.

Responsibilities of Elementary Students

The Responsibilities of elementary students tells us what we can do to become good citizens. These rules are written to keep us safe in our schools and protect the rights of all students.

Students who are responsible:

A. Follow directions given by any school staff member. They speak to and treat school staff respectfully.
B. Solve problems peacefully. They do not fight, threaten, “put down” others, or force others to do what they don’t want to do.
C. Respect the property of others. They do not take or break things that belong to the school or others.
D. Care about how others feel. They do not hurt or try to hurt others.
E. Treat others fairly. They do not bully or force a student to give them money or valuables.
F. Help keep the school a safe place. They do not bring weapons of any kind to school.
G. Care about themselves. They follow the laws and do not have, sell or use tobacco, alcohol, inhalants, other drugs or any imitations of these.
H. Know that it is important to be in school every day. They are not truant.
I. Arrive at school on time. They are not tardy.
J. Use language that is respectful of all people. They do not use offensive gestures, profanity or “put down” people because of their race, religion, gender or ethnic background.
K. Act in a way that makes others feel comfortable at school. They follow the rules of public decency.
L. Help make school a good place to learn. They do not repeatedly break the rules of the classroom, playground, lunchroom and school.
M. Are good citizens. They follow the laws of our state and nation.
N. Dress properly for school. They do not wear clothing that is unsafe, that offends or that distracts the learning of others.
O. Help keep buses safe for everyone. They follow school bus rules.
P. Respect their own bodies and the privacy of others. They do not touch others inappropriately.

★★★★★★★★★★

These rules are made to guide us. If students choose not to be responsible and break these rules, consequences will follow. Consequences could include suspension or expulsion from school.
