Welcome From Prescott Staff

Dear Students and Families,

Welcome to Prescott Elementary School! This handbook has been prepared for all students and parents/guardians to help answer questions you might have about the policies and practices of our school. Please carefully review the contents of the handbook with your child. If you have questions or concerns not covered in this handbook, please do not hesitate to call the school office, 402-436-1161.

On behalf of the entire staff, we look forward to working together to make this a productive and successful year of learning and growing.

J.J. Wilkins, Principal & Prescott Staff

Intent Of Student Handbook

This handbook is intended to be used by students, parents, and staff as a guide to the rules, regulations, and general information about Prescott Elementary School. Each student is responsible for becoming familiar with the handbook and knowing the information contained within it. Parents are encouraged to use this handbook as a resource and to assist their child in following the rules contained in this handbook.

Although information found in this handbook contains detailed and specific information on a variety of topics, the handbook is not intended to be all encompassing so as to cover every situation and circumstance that may arise during any school day, or school year. This handbook does not create a "contract." The administration reserves the right to make decisions and rule revisions at any time to implement the educational program and to assure the well being of all students. The administration will be responsible for interpreting the rules contained in the handbook. Should the situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon all applicable school district policies, and state and federal statutes and regulations.

Prescott School Goals are:

1. To increase academic achievement in literacy and math of each Prescott student through effective teaching and learning.
2. To increase family involvement by providing activities and resources that support and sustain families.
3. To create a full-service learning community by partnering with the community and neighborhood.

Assignments and student performance can be viewed as soon as entries are made by teachers into their electronic grade books. ParentVUE is not intended to replace direct communication between students/parents/teachers or other school staff members. If you have questions, please discuss the information with your student first. Students are strongly encouraged to discuss class progress directly with their teachers. If further clarification is needed, parents should contact the teacher directly.

Information available via ParentVUE includes:
- Communications from teachers
- Attendance
- Student Schedules

★ TARDIES
When students are tardy five times, a computer-generated letter is sent to parents/guardians to inform them of the situation and offer assistance. Sometimes, as a result of the letter, we learn that parents are unaware that their child is not arriving to class on time. In that case, school staff might then meet with the student and develop a plan for how to arrive in their classroom on time. With each subsequent tardy, another letter is generated and mailed home. It is at this point that the Prescott School Social Worker will contact parents/guardians to offer additional help. It is our hope that by working together we can help children develop habits of regular attendance and punctuality.

Students attending Prescott School on special attendance permit are reminded that satisfactory and punctual attendance are necessary to maintain permit status.

★ ATTENDANCE AT SPECIAL EVENTS, AFTER-SCHOOL AND/OR EVENING ACTIVITIES
Students attending after-school and or evening activities at Prescott School must be accompanied by a parent/guardian. Students must be in attendance during the school day in order to attend special events during the school day, after school and/or evening activities.

★ MAKE-UP WORK
We appreciate parent/guardians’ conscientious regard for picking up homework for their child.

✔ If your child will be absent only one day, work may be made up or taken home upon return to school.

✔ If your child will be absent for an extended period of time, please contact the classroom teacher to plan for completion of work.

Please call the school (402-436-1161) in the morning to request homework to be picked up after school.

Schools are Closed
Medical and Dental Appointments on School Time

The circumstances for all absences from school will be identified as either School Excused or Not School Excused. Not School Excused absences include parent acknowledged (PA), illness (IL), and truant (TR). Medical and dental appointments during the school day are considered parent acknowledged absences. School staff will keep parents informed regarding the attendance of their student(s) and will assist parents in correcting attendance problems. It is the responsibility of the student to make up work which has been missed because of any absence. The school staff will support the student's initiative to make up work missed. You may be asked or you may wish to get documentation from your child's physician for chronic illnesses. Use the following LPS Web address to get more information regarding absences: http://www.lps.org/parents/. Parents must check students out in the office and check them back into the office upon return to school. A computerized record is kept of when the student is out of the building. It is necessary that the child check in and out through the office.

Student Use of School Phone & Cell Phones

Students will be permitted to call home regarding school matters upon obtaining permission from the classroom teacher. Calls by students must be kept to a minimum, as there are a very limited number of phone lines in and out of school. Students are asked to make arrangements for participating in after-school activities or going home with a friend before leaving home in the morning.

Student use of cell phones is prohibited at school. We would ask that cell phones remain at home. If a cell phone is brought to school, we will keep it in the office or teacher's desk until an adult can pick it up. Exceptions to this may be decided on a case-by-case basis. Please feel free to visit with us about special circumstances.

Copyright and Fair Use Policy

It is the intent of the Lincoln Public Schools to adhere to the provisions of the U.S. Copyright Law (Title 17). All students and staff are prohibited from copying or transmitting materials not specifically allowed by fair use, copyright law, licenses or contractual agreements or permission. The Lincoln Public Schools disapproves of unauthorized duplication in any form. Anyone who willfully disregards copyright policy is in violation and assumes all responsibility.

Safety Drills

All schools have regular drills so students know what to do in case of emergency, fire, or severe weather in order to be safe. The safety of students is a top priority. All schools cooperate with the fire department to make sure the most effective safety procedures are followed.

✓ School campus (including playground) is closed until 6:00 pm except for use by school childcare and clubs. Reservations for rooms/playground should be entered in the district Archibus system.
✓ Cars need to follow designated traffic flow (see map).

Students EXIT using the following doors:

✓ Door 9 – Kindergarten
✓ Door 1 – 1st Grade
✓ Door 1 – 2nd Grade
✓ Door 7 & 8 – 3rd Grade
✓ Door 8 – 4th Grade
✓ Door 9 – 5th Grade

Having a pick up plan with your child is helpful. Please encourage your child to cross the street only at crosswalks. We will have supervision at the following crosswalks at dismissal time: 20th and Harwood.

★ Late Pick Up

✓ Parents must come to the Office and sign out students not picked up by 3:45 p.m. Children will not be allowed to wait outside or go to cars without an adult picking them up.
✓ Police may be called when children are not picked up by 4:00 p.m.

★ Drop Off and Pick Up

✓ Front street loading zone is for pick up and drop off only. NO PARKING IS ALLOWED. The loading zone is for flow-through traffic and bus only.
✓ If you come early for your student you will need to park on a side street and then drive around to the loading zone once your child is out front. Dismissal is at 3:38 p.m.
✓ If you want to come up to the building and wait for your child you will need to park on one of the side streets and walk over to the building.

★ Traffic Flow

✓ The map shows the directions for safely dropping off or picking up students at Prescott School. Your cooperation in following this traffic pattern will ensure safe arrival and dismissals at Prescott.
✓ Whenever you are dropping off or picking up your child on Harwood Street, always drive WEST from 22nd Street, cars should be on the EAST side of the street.
✓ When dropping off or picking up students in front of the school on 20th Street, cars should be on the EAST side of the street heading NORTH.
✓ If these directions are followed, children will always be expected to use the crosswalks and students will not be allowed to cross in the middle of the street to enter a car.

★ Contacting Your Child’s Teacher
Parents/Guardians are encouraged to call or email their child’s classroom teacher to arrange for conferences or when questions arise that can be handled with a brief discussion. The best time to reach a teacher by phone is before the student-day begins or after school. During instructional time, phone messages will be taken for teachers. For involved problems such as student evaluation, curriculum concerns, and school policy, a parent-teacher conference rather than a conversation by telephone is encouraged.

★ COMMUNICATING STUDENT PROGRESS:
Report Cards & Parent-Teacher Conferences
Lincoln Board of Education states (Policy 6570) that "student progress will be reported formally to parents/guardians at least four times each year." Information about elementary student progress is reported in four areas:
1. Progress through district curriculum objectives.
2. Performance in assigned curriculum level.
3. Effort.
4. Use of effective learning or study skills.
Parent-Teacher conferences are scheduled twice a year, typically during the first and third quarters of the school year. Parents with immediate questions about their child’s academic progress are encouraged to contact the teacher at any time.

★ Lost and Found
Most lost articles that are found are turned in to the office and placed in the Lost and Found table. Whenever possible, label your child’s articles. Encourage your child to check periodically for lost articles. Articles not claimed by semester break and at the end of the school year are donated to a local children’s charity.

★ BULLYING

If you feel that your child is being bullied by peers, please contact your child’s teacher or the building principal, J.J. Wilkins, jwilkins@lps.org or (402)436-1161. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

• Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
• Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
• Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District’s Second Step program.

SUMMER ROCKS!
This Title I School-Parent Compact has been jointly developed with parents and outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State’s high academic standards. At parent-teacher conferences, the compact shall be discussed as it relates to the individual child’s achievement.

Teacher/School:

It is important that students achieve. I agree to do the following:
1. Provide high-quality curriculum and instruction in a supportive and effective learning environment to enable children to meet the challenging state academic standards.
2. Regularly communicate with parents on their child's progress.
3. Demonstrate professional behavior and positive attitude.
4. Use effective teacher strategies that support student learning.
5. Treat all students with courtesy and respect in a safe, positive environment.

3. Make sure my child is at school every day and on time, unless he/she is ill.
4. Provide a quiet place and time to do schoolwork and encourage my child to complete schoolwork.

1. Be at school every day and on time unless I am sick.
2. Come to school each day prepared with supplies and an attitude to learn.
3. Be safe, responsible, and productive and take responsibility for my own behavior.
