## **History of Maude Rousseau Elementary School**

Maude Rousseau Elementary School was named after C. Maude Rousseau who was a teacher and principal in Lincoln. She was born May 2, 1879 and died February 13, 1961. Miss Rousseau taught at Elliott from 1918-1922. She was an assistant principal and girls advisor at Whittier Junior High from 1922-1926, and was the first principal at Randolph School, where she served from 1926-1947.

Not much is known about Maude Rousseau. Research for Rousseau's 10th birthday celebration turned up the fact that Maude Rousseau liked to cook, so they baked brownies using Miss Rousseau's recipe for the 10th birthday party. The recipe was provided by Anna Zeman, Maude's friend, and a person for whom Zeman School was named.

On March 12, 1963, the board of education approved the name Maude Rousseau for the new school to be built at 33rd and Calvert. At that time, Calvert Street was not even paved all the way. Kingery Construction was low bidder, and thus got the job of building Rousseau School at a cost of under \$500,000. The Clark Enersen Partners designed the building.

In 1964, Maude Rousseau School's boundaries started at 27th and Woodsdale, running east of Woodsdale and Melrose to 40th Street, south of 40th Street to the school district's limits, west to 27th Street and north back to Woodsdale.

### **School Rules & Behavior Expectations**

The Rousseau community including students, parents, administration, and staff will work together to create and maintain a safe, caring environment that promotes teaching and learning. Rousseau School has implemented a school wide multi-tiered systems of support (MTSS). MTSS is a school-wide system that includes proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school learning environments. We know that when good behavior and good teaching come together, our students will excel in their learning. The expectations listed below will enhance the development of a positive learning environment.

- Be Respectful We will treat others with respect and care.
- Be Responsible We will display good citizenship and acknowledge responsibility for behavior.
- **Be Safe** We will have the responsibility to practice self-discipline skills to ensure safety for all.

During the first week of school and throughout the school year, staff will focus on teaching students the behavior expectations for all areas of our school. Our goal is to "catch kids being learners". When students know that their positive behavior is clearly defined, taught, recognized and reinforced, they are more likely to respond with positive behavior choices. The Behavior Expectation Matrix (page 8) describes in more detail the expectations we have for students.

We know that students can have challenges to consistently display appropriate behavior due to a variety of reasons. To further support our students, we help students learn to manage their own behavior so that they and their classmates can learn, perform and behave at grade level or above.

Students work on the following goals for life:

- I can be productive and follow directions, even if I am mad.
- I can be productive and follow directions, even if others are not okay.
- I can be productive and follow directions, even if I don't want to.

#### **Rousseau's Mission Statement**

The mission of Rousseau Elementary: Learn at High Levels. Think Interdependently. Lead with Character.

#### Rousseau's Goals for Students

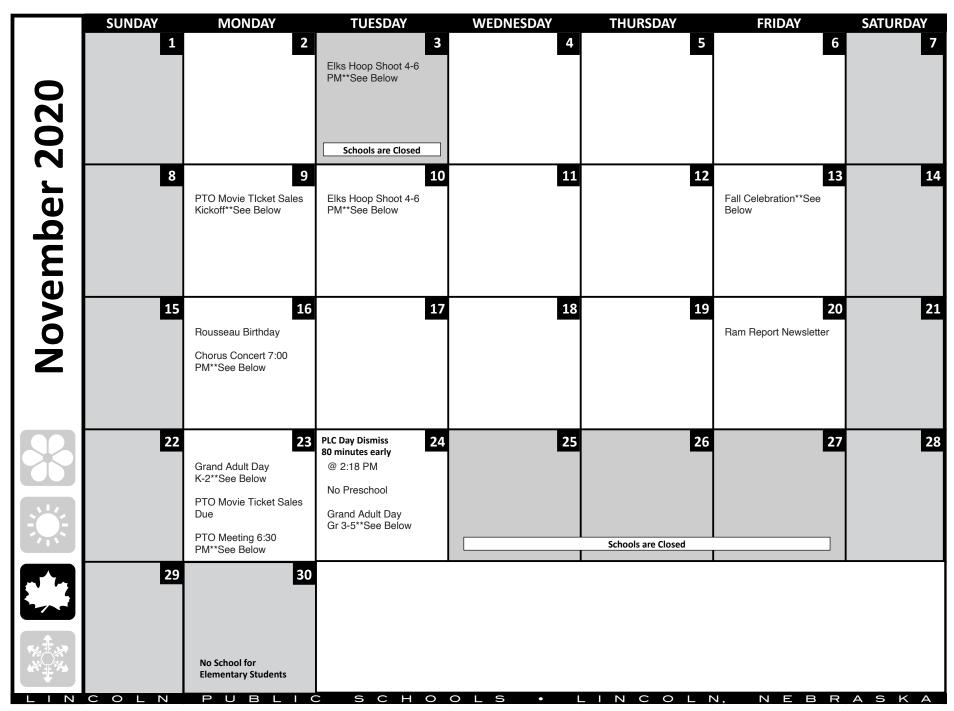

It is the goal of Rousseau that every student meet the following school improvement goals:

- 1. All students will improve math skills across grade levels.
- 2. All students will improve literacy skills across grade levels.

The Rousseau staff partners with parents and guardians to achieve these goals on a daily basis. The following are suggestions parents can use to get students prepared to learn:

- Get to know your child's teacher. As a parent you know your child best. Share what you know with the teacher: interests, favorite book, concerns you may have, etc.
- Make sure your child gets enough sleep. Tired children can't do their best work. Establish a routine for bedtime and adhere to it.
- Talk to the teacher about what is expected of your child in school. Every family should set aside homework time and model for children the process of learning.
- Limit TV and video game time. Studies show that children who do best in school watch the least amount of TV/video games. When you first turn off the TV/ video game, you will have to help your child find other things to do – read a book, take a walk, visit the library, play a game.
- Chores are an important part of a child's life. They provide children the foundation upon which responsibility and high self-esteem are built. Research shows that children who do chores without reminders or parent persuasion are very successful at their first job called SCHOOL.

## **Traffic**

Safety around Rousseau School is a primary concern. One important aspect of safety is traffic flow during critical drop-off and pick-up times. The success of our plan is dependent on adherence to the following procedures:

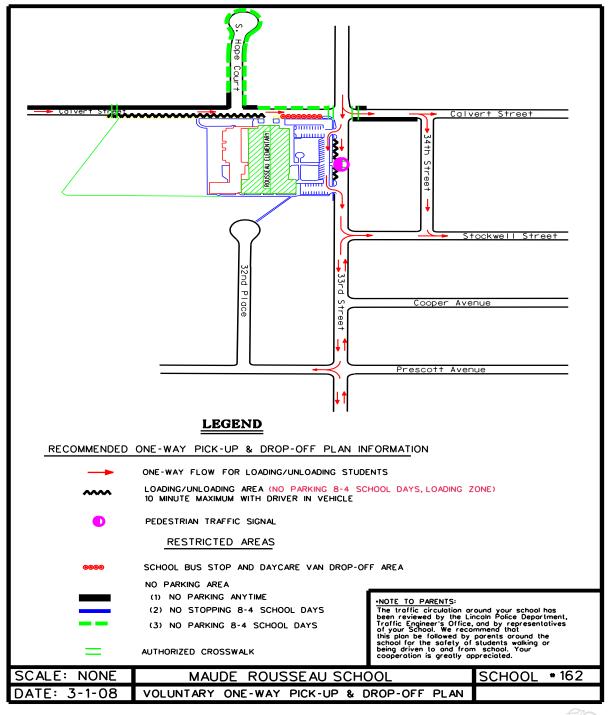

Children should ONLY enter and exit from two cars in front of or two cars behind the marked crosswalk in the drive through. Children should avoid walking between parked cars. If parents need to get out of cars, please pull over to the curb or parking space. Having students ready to exit the car immediately will keep traffic moving.

The curb cutout on Calvert Street is designated for LPS busses and daycare vans only. Parents are NOT to use this area. The curb cutout on 33rd Street is for dropping off and picking up students. Please DO NOT leave your car unattended.

Children should cross Calvert Street at the crosswalk along 33rd Street. Students crossing 33rd Street are asked to use the pedestrian light directly in front of the school. Students should not be encouraged to cross in the middle of the street to load an awaiting car.

There will be a voluntary right turn only at the intersection of 33rd and Calvert from 3:38-4:00 PM for cars going east on Calvert.

For vehicles traveling north on 33rd Street, there will be a voluntary no left turn in to the Rousseau School drive through from 3:35-4:00 PM. Vehicles will need to be traveling south on 33rd Street to enter the drive-through.

#### **Student Conduct**

#### **Behavioral Expectations**

Any conduct which causes or which creates reasonable likelihood that it will cause disruption or interference with any school function, activity, or purpose or such conduct that interferes with the health, safety, and well being or the rights of other students is prohibited by the Board of Education.

It is with this belief that Rousseau Elementary has chosen to establish the following school rules:

- 1. Be Safe
- 2. Be Respectful
- 3. Be Responsible

Our focus is to define, teach, practice and reinforce appropriate learning behaviors. We work to strengthen the prevention process so that students can successfully demonstrate behaviors that will help them learn. We are committed to helping children learn that they can problem solve, they can act in a way that will not make a problem for themselves or others, and that staff at Rousseau School will hold them accountable for their behaviors. When children are hurtful or disruptive at Rousseau, teachers will ask them to immediately stop and change the behavior.

Children will be referred immediately to the office for:

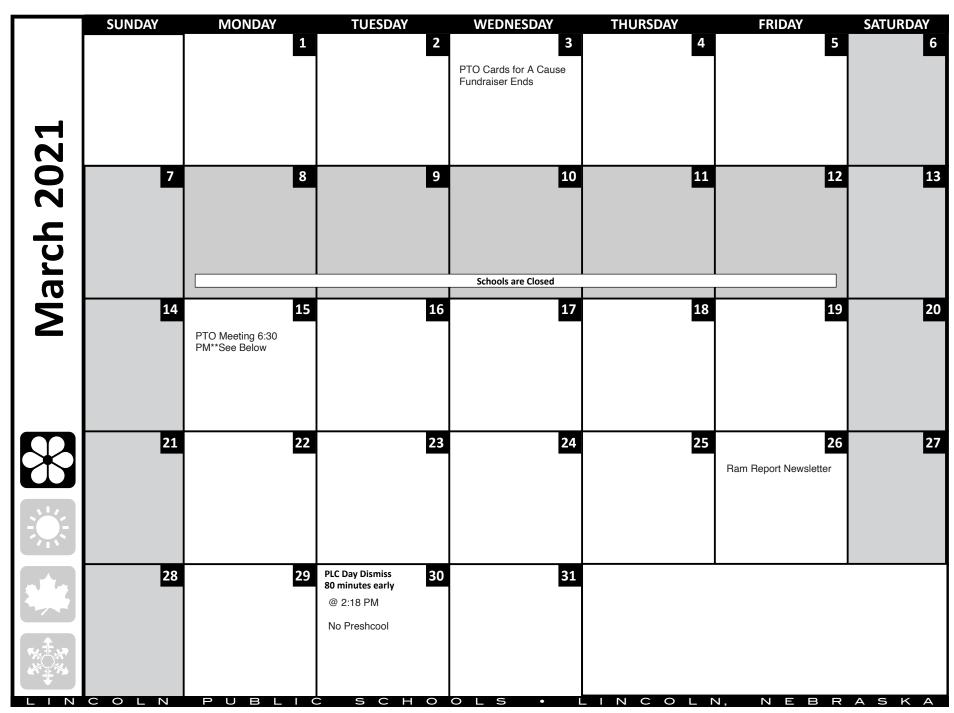

- 1. Physical violence directed to an adult. Suspension, from class or school may result. Parent/teacher/administrator conference may be required.
- 2. Physical violence directed to a student. Suspension, from class or school may result. Parent/teacher/administrator conference may be required.
- 3. Profanity directed to an adult. Suspension, from class or school may result. Parent/teacher/administrator conference may be required.
- 4. Profanity directed to a student. Suspension from class or school may result. Parent/teacher/administrator conference may be required.
- 5. Bringing items that are considered to be weapons such as knives, bullets, fireworks, etc.

While no one menu of consequences parallels children's misbehavior, staff will continue to implement logical learning opportunities. Contact your child's teacher or an administrator to learn more about this behavioral approach.

#### **Positive Reinforcement**

The Rousseau Staff give students positive reinforcements in a variety of ways. The following classroom awards are given weekly to the classrooms who are being responsible and displaying positive behaviors: Do The Right Thing Award, The Einstein Award, Gold Trash Can Award, Positive Playground Award. Individual students may earn Reggie Bucks for displaying positive behaviors that are taught in our Second Steps Curriculum.

Parents may contact the classroom teacher for specific lunch times. Parents may join their students at recess on outdoor recess days. However, parents will not be allowed to go to the classrooms on indoor recess days. **Due to Covid-19, no visitors are allowed in the school until further notice.**

If your child received free/reduced lunch and breakfast last year, your application is valid for the first 30 days of school this year. Please complete a new application found online @lps. org. Eligibility for the free/reduced lunch program is determined by federal guidelines.

#### **Breakfast**

Students may participate in the breakfast program. Students arriving for breakfast should not arrive prior to 8:30 am as there is no supervision. Students will enter through door 13 and go to the cafeteria. Students will be dismissed at 8:50 am to line up at their arrival doors.

#### **Additional Food Items in the Cafeteria**

Students are always welcome to bring cold lunch from home. As with hot lunch, food items may not be traded or shared. If a student is having cold lunch, they may bring a drink item. (We ask that no soda be brought to school). Students may always bring \$.50 to purchase milk/juice from the cafeteria.

### **Bullying**

If you feel that your child is being bullied by peers, please contact your child's teacher or the building principal, Wendy Badje. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.

#### **Parental Involvement**

#### **Rousseau Parent Teacher Organization**

The Rousseau School Parent Teacher Organization (PTO) is a vital part of Rousseau School's success with children. As an organization, they represent parents/guardians and organize events and projects that serve children and families. Scheduled PTO meetings are listed on the calendar. All families are encouraged to attend PTO meetings and activities. PTO Meetings are generally held the 3rd Monday of the month at 6:30 p.m. in the Rousseau Media Center. Meeting dates are listed on the Rousseau website calendar and in this handbook. Every parent is a member of PTO and there are no dues! Facebook: Check out PTO happenings on the Rousseau website/PTO or our Facebook page! Search Rousseau Elementary PTO on facebook and "Like" our page. PTO Meetings will be virtual until further notice.

#### **Visitors**

Parents/guardians and community members are encouraged to visit school. Children not enrolled at Rousseau may not visit unless accompanied by an adult. It is recommended that visitors limit their visit to 30 minutes. When visitors come to school, we ask that they come to the office, check in with the secured-entrance monitor, and wear a visitor's badge provided for you. Wearing this visitor's badge will assure all staff that approval has been given by the office to visit. **Due to Covid-19**, no visitors are allowed in the school until further notice.

## **Important Information Needed**

It is very important that parents/guardians notify the school of any change in address and/or telephone number. The office must have a current telephone number on file in case we must contact you in the event of an emergency. Persons listed as emergency contacts will be called to verify a student's absence if a parent/guardian cannot be reached.

## **Returning to School Following Illness**

Students should have a note from parent/guardian explaining the cause of the absence if the parent has not been in contact with the school during the absence. In some cases the school may request a statement from a physician. If the absence is of three days or more due to a communicable disease, the student should be checked by the nurse, health technician, principal or principal's designee.

### **Dental Inspections**

Dental inspections are performed in the school by dentists recommended by the Lincoln District Dental Society and approved by the Board of Education. Students presenting a dental report form signed by their own dentist will be excused from annual dental inspection which starts approximately October 1.

## Reggie

Rousseau School is involved in the Domesti-Pup Program, which is an organization that trains and certifies therapy dogs to be used in schools. Reggie is a Golden Retriever and is a certified Edu-Pup Therapy dog. Reggie was trained at the Nebraska State Penitentiary and graduated from the program during the summer of 2013. Dr. Badje then adopted Reggie and brings him to school nearly every day.

Edu-Pups are natural teachers. They can bring a renewed inspiration and excitement into the learning process. Dogs can help develop self-esteem, responsibility, motivation, self-discipline and communication skills.

Children may see Reggie before/after school, in their classrooms, in the hallways and at Rousseau School events. If you have a child that may be allergic to dogs or frightened of dogs, please stop by the school office to fill out a form.

## **Custodial/Non-Custodial Parents**

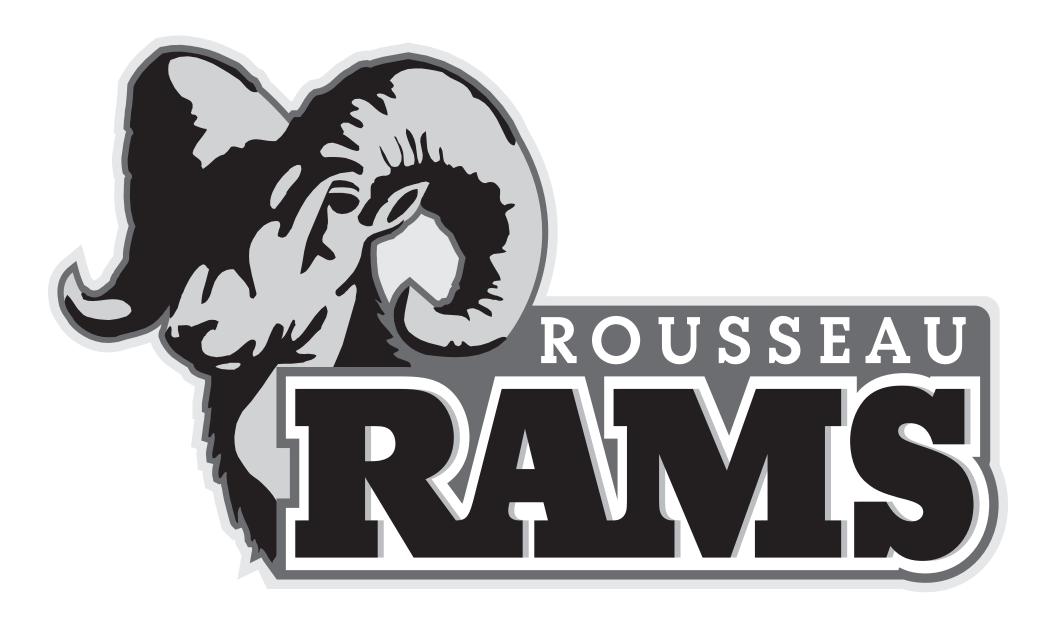

It is Lincoln Public Schools policy to foster and facilitate parental information about, and involvement in, the education of their children. Divorced and separated parents maintain all parental rights with their children unless altered by a court order.

If parental rights have been changed, the school principal must have access to a copy of the court order stipulating those changes. School officials will follow the directives stated in the order and in other such directives regarding access to the child as provided by the parent having legal custody.

With regard to visiting children during school hours, attempts will be made to accommodate both parents. However, in cases of concern and dispute between parents, the custodial parent's directive will be followed. Parents are asked to resolve issues of child visitation at school outside of the school setting.

Communication to parents is sent home on a weekly basis with each child. Occasionally, information will be mailed using the parent name and address provided at the time of enrollment. If a non-custodial parent or parent with joint custody wants information from school, please notify the office.
