ANNE CAMPBELL

The name “Anne Campbell” is synonymous with service to others, particularly to hundreds of professional educators and Nebraska school children. Whether as County Superintendent in Madison County, Director of Public Affairs for UNL, or as Nebraska Commissioner of Education, Dr. Campbell was known for her dedication, integrity, reliability and caring. Anne’s exemplary contributions spanning five decades was recognized by Lincoln Public Schools in naming this building, Anne Campbell Elementary, after her in 1995.

Anne’s own education was of great importance to her. She received a Bachelor’s, Master’s and Doctorate Degree and held honorary degrees from four colleges and universities. She and her husband “Soup” raised three daughters, all of whom studied to be teachers. They later enjoyed two grandsons and two great-granddaughters.

Even after Anne’s retirement in 1982, she continued to serve on committees and boards that encouraged and supported efforts to increase the quality of education in the public schools. She served as Vice President of the National PTA and participated in LPS Ventures in Partnership and Lincoln 2000.

Anne was a vibrant part of this building’s beginning. Until her death in 1997 she had made regular visits to the school, attended children’s programs and made personal contacts with students and staff. Anne had said, “To have a building named for me with the FUTURE inside, is an exhilarating and humbling feeling, difficult to describe.”

We’re proud at Anne Campbell School to carry the name of such a fine individual and role model.

PORK ENTREES LABELED ON MENU: We apologize that past labeling about our cheese products may have caused some confusion. The cheese (American, cheddar and mozzarella) we use may be made with either microbial and/or animal-derived sources, and these are the same enzymes found in standard cheese sold in grocery stores and served in restaurants. Our labeling of the product may have led families to believe this was a different cheese product. We will continue to label any entrees that contain pork, such as pork sandwiches and sausage links. New this school year, the pepperoni pizza will be made with turkey pepperoni and not contain pork. If a family prefers non-standard cheese, or perhaps vegetarian cheese as a substitute, we recommend the student choose the plant-based entree option.

BULLYING

If you feel that your child is being bullied by peers, please contact your child's teacher or the building principal, Julie Lawler. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated,

over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught

about what bullying

looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.

GENERAL INFORMATION

Important Information Needed

Enrollment information will be available during Open House Night or the first day of school if you are unable to attend Open House. Please fill out the forms carefully and completely and return to school promptly. For the safety of your child, it is a necessary responsibility to give the school the name of a person to contact in case you cannot be reached.

It is very important that parents/guardians notify the school of any change in address and/or telephone number. The office must have a current telephone number on file in case we must contact you in the event of an emergency.

When a child moves from one school to another, either in the city or outside the city, advance notice is needed so the school can prepare the transfer or withdrawal forms.

Safety, Fire and Tornado Drills

All schools have periodic drills so students know what to do in case of emergency, fire or tornado in order to be safe. All schools cooperate with the fire department to make sure the most effective safety procedures are followed.

Lost and Found

Most lost articles that are found are turned in to the office and placed in Lost and Found. Whenever possible, label your child's articles. Encourage your child to check periodically for lost articles. Articles not claimed by semester break and at the end of the year are washed and made available to Campbell families in need.

Solicitations

Students should not solicit for organizations, clubs or groups that are not a part of Campbell Elementary on the school grounds.

Student Use of Telephone

Students will be permitted to call home regarding matters upon obtaining permission from the classroom teacher. Calls by students must be kept to a minimum, as there are a very limited number of phone lines in and out of school. Students are asked to make arrangements for participating in after-school activities or going home with a friend before leaving home in the morning.

Please do not ask for your child to come to the office phone during class time.

Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.
