Intent of this Handbook

This handbook is intended to be used by students, parents and staff as a guide to the rules, regulations, and general information about Lincoln Public Schools and Goodrich Middle School. Each student is responsible for becoming familiar with the handbook and knowing the information contained in it. Parents are encouraged to use this handbook as a resource and to assist their child in following the rules contained in this handbook.

Although the information found in this handbook is detailed and specific on many topics, the handbook is not intended to be all encompassing so as to cover every situation and circumstance that may arise during any school day, or school year. This handbook does not create a “contract.” The administration reserves the right to make decisions and make rule revisions at any time to implement the educational program and to assure the well-being of all students. The administration will be responsible for interpreting the rules contained in the handbook. Should a situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon all applicable school district policies, and state and federal statutes and regulations.

Lincoln Public Schools Important Information Book

Additional information about Lincoln Public Schools procedures and policies can be found in the 2020-2021 LPS Important Information book. This book contains information regarding various district programs and services as well as forms to apply for services. The LPS Important Information book should also be reviewed carefully. This book was emailed to parents.

Communication

Sharing Information with Parents

Communication with parents is a critical element of a successful school experience for students. Most communication will be sent to parents electronically via email. In addition, LPS uses a mass communication system to notify parents of emergencies, special events, and schedule adjustments. Notices will be sent via email and/or phone, so it is very important that parents notify the school of any changes to contact information. A calendar of events is available on the Goodrich website.

ParentVUE

ParentVUE is a great online tool for parents and guardians to be able to check on their student’s attendance, grades and assignments, as well as access report cards and much more. You can sign up for or access ParentVUE on the LPS homepage, or you can contact the Goodrich Registrar for more direct help in getting connected.

Visitors

We welcome visitors to our school; however, we want to be certain that a safe and appropriate instructional environment can be maintained in the classroom. All visitors are expected to check in at the office. For parents/guardians to observe a classroom, please make arrangements at least one day in advance with an administrator. A student’s friend, cousin, sibling, etc. cannot visit the school and attend classes or lunch due to liability issues and the possibility of disruptions.

Change of Address or Phone Number

Parents should keep the school informed of address, telephone number, and e-mail changes. Please keep this information updated by contacting our office or registrar.

Emergency Contacts

All students should have emergency contact numbers on file in the Goodrich office in case the student is injured or becomes ill and the parent/guardian cannot be reached. Please keep this information updated by contacting our office or registrar.

Arrival and Dismissal Procedures

School begins at 8:00 am and dismisses at 3:00 pm.

Students driven to school should be dropped off on the school side of the street only for safety purposes and to respect the property of our neighbors: 6th graders at the bus cut out on the south side on Holltorf St and 7th and 8th graders on Lewis Ave. A detailed traffic flow map will be provided to parents.

Students are expected to arrive at school between 7:45 am and 8:00 am. **Prior to that time, no supervision is available.** Students will enter through their assigned areas only.

6th grade – Door 12 (back side of building)

6th grade – Door 18 (furthest south doors on the east side of the building)

7th grade – Door 20 (furthest south doors on the west side of the building)

8th grade – Door 21 (middle doors on the west side)

Students eating breakfast should arrive after 7:30 am and enter Door #1. Only students who are eating a school breakfast will be allowed in the cafeteria before school.

Students wishing to see a teacher before school should enter via the main entrance and report to the office for a pass.

Students are assigned to wait in the following areas before school and will be admitted at these entrances (students are not to wait outside):

Dismissal from School

The following dismissal procedures have been implemented to facilitate a safe and orderly close to the school day.

Students will be dismissed at 3:00 pm (with the exception of the early dismissal days which are listed later in this handbook). Upon dismissal, students must leave the school grounds and proceed home. All students must be on their way home, with a staff member, or in an approved activity by 3:08 pm. **Supervision is not available after 3:15 pm.**

Students will not be allowed to wait outside after 3:15 pm and may not wait across the street or on neighbor properties.

Approved After-School Activities

Students are encouraged to work with staff members or participate in an activity program after school. Activities begin immediately after school. Students will not be able to enter these activities after 3:08 pm. Approved activities include: working with a teacher; attending ARC homework zone; participating in a school-sponsored club; participating in the CLC after-school program or participating in school-sponsored intramurals.

Family Services sponsors an after-school Community Learning Center (CLC) program each school day from 3:00 – 5:30 pm. Information will be sent home for parents and can be found on our website.

Dismissal from After-School Activities

Students staying after school with teachers or for Goodrich club activities are expected to leave school immediately at the conclusion of their activity.

Parents are asked to pick up students at the dismissal time of the program. Students walking home are to leave immediately at the conclusion of their activity.

Students participating in the CLC program must follow the program's specific dismissal plan.

Early Dismissal Days

The dates for early dismissal are published below. Dismissal procedures will be the same for early dismissal days with the times adjusted to match the dismissal time.

Early Dismissal Dates (Aug. 16th – 18th): Students will be dismissed at 1:40 pm and are to leave school by 1:45 pm. There will be no outside supervision after 2:00 pm. *There will be no after school activities on these days.*

Professional Learning Communities (PLC) Dates (Aug. 31st, Sep. 28th, Oct. 26th, Nov. 30th, Dec. 14th, Jan. 25th, Feb. 22nd, Mar. 29th, Apr. 26th): Students will dismiss at 1:40 pm and are to leave school by 1:45 pm. There will be no outside supervision after 2:00 pm. *There will be no after school activities on these days with the exception of the CLC core program.*

Attendance

Regular and uninterrupted attendance at school is important in helping students to reach their maximum academic potential and to obtain maximum benefit from the school's instructional program. Attendance is also required by Nebraska law. We do understand that some absences from school are unavoidable, but please note the following.

Based on School Board policy (Reg. 5140.1), the school may report to the county attorney when a collaborative plan involving the school, guardian and student to reduce barriers to improve regular attendance has not been successful, and the student has accumulated more than twenty (20) absences per year. Absence codes that make up the excessive absences include: IL-Illness PA-Parent Acknowledged TR-Truant.

Reporting a Student Absence

1. Parent Acknowledged (PA) absences must be made with a phone call to the attendance office or entered online via ParentVUE. These include doctor's appointments, illness, etc. Parents should communicate with the Goodrich attendance office **PRIOR** to the absence.

To help us be as accurate as possible in reporting attendance, please include the following when you call to report your student's attendance:

- * Student name, ID# and date of absence
- * How long (clock time) you expect them to be absent
- * Reason they are absent

Participation in Activities

If a student is absent during the school day, he/she will not be allowed to participate in school programs and activities held that day or evening. This is also true if a student is assigned to in-school suspension or is suspended from school.

Appointments

When a student needs to leave the building (with parent/guardian permission) they are to check-out with the main office. If students will return the same day they will need to sign-in in the office. Students who come into school late from appointments with documentation from the doctor's office etc. should check-in at the office (documentation must be provided or student will be marked tardy).

Make-up work

Students who have had an excused absence will be allowed a reasonable time to make up their class work. Each teacher will explain his/her specific make-up procedures to students during the first few days of school. A parent of a student who is absent more than three days and is expected to continue being absent for several more days, may call the school office to request assignments or make-up work and to arrange to pick up assignments from the office. If a student wants assignments after day one or two, he/she may call a friend to get those assignment. Many student assignments are now available on Google classroom as well.

The school staff will support the student's initiative to make up work. However, it is very important to understand that often there is no way to recreate an equivalent experience for what was missed in class.

Tardies to School/Class

Students are expected to be at school and in their classroom on time. Being tardy to any class is a disruption to the learning environment. It is the responsibility of the student and parent to ensure that students arrive to school on time. It is the student's responsibility to arrive to classes throughout the day on time. Attendance and tardy interventions will be put into place for students who need support in this area.

Withdrawals and Transfers

When a student leaves the city or moves from one school to another within the city of Lincoln, advance notice of at least one day is needed so the school can prepare a withdrawal form that includes information about courses and progress in those courses. The withdrawal form is to be taken to the receiving school. Other school records will be sent directly to the receiving school.

Academic Program

Academic Resource

Learning the skills, attitudes and behaviors necessary for academic success is an important part of middle school and the preparation for high school. One component of this culture is the timely completion of assigned work. At Goodrich we have implemented an Academic Resource Center (ARC) system to assist students in meeting these expectations. Students are expected to complete assigned practice, both in class and those assigned to be completed at home. When students do not complete their work, our ARC system is implemented to support students.

- **ARC step #1**

When a student does not turn in an assignment or work in class, the student is notified by the teacher that the assignment was not completed and that the student will need to attend ARC homework zone the following day after school to complete the work. If the student completes and submits the work prior to the following day's homework zone, they will not need to attend. This is a grace period to support the student taking responsibility for their learning.

- **ARC step #2**

If a student does not use this grace period to complete the work, they will be required to attend ARC homework zone after school until the work is completed. Our ARC homework zones are staffed by grade level teachers who can assist and support students who need help completing work. Parents will be notified if a student does not report to ARC so that attendance the following day can be arranged (at any time the student can complete the work and will then no longer be required to attend ARC homework zone).

Reporting to Parents:

All secondary schools use a web-based grading and attendance system. Grades and attendance for all classes will be available to students and parents at any time. Goodrich will provide written information and training opportunities for parents on the use of Synergy in the fall.

Progress reports will be emailed home to parents at the mid-point of each quarter. Students will bring home a copy of the progress report for those parents preferring a paper format.

Report cards are sent home at the end of each quarter, however, only semester grades are recorded on the final transcript.

Student Health Policies

Health Services

A student who becomes ill at school should ask the classroom teacher for a pass to the health office. Only students with emergencies will be received in the health office without a properly signed pass. In case of accident or illness the nurse or other personnel will tend to the need.

A parent will be notified immediately in serious cases. No ill student is allowed to leave the school premises unless he/she checks out through the health office. Students should use **only** the health office phone (not the classroom phone or a cell phone) to call home concerning an illness.

The LPS Important Information book contains additional important information regarding health services.

Breakfast/Lunch Program

Goodrich offers both a breakfast and lunch program to students. To help lines move quickly, students must use their SNAP account. All cash and checks must be deposited. Deposits may be made online or in person from 7:30 – 8:00 daily. Money can be deposited in three ways: 1) for school meals only, 2) a portion for meals and a portion for a la carte items or 3) as a lump sum to be spent as the student wishes.

Breakfast is served daily from 7:30 – 7:54 am. Lunch is scheduled during the extended fifth period.

Please refer to the LPS Important Information book that explains the free or reduced price lunch/breakfast programs.

A new free/reduced application must be completed each year. Completing this form before the start of the school year helps ensure your student has a smooth start to the school year.

FAST, CONVENIENT AND SIMPLE INSTRUCTIONS FOR APPLYING ON-LINE: Beginning in July.

- Go to www.lps.org
- Under “Popular Pages” on the left-hand side of the screen click on “Free/Reduced Meal Application”
- Click on the online application picture
- Follow the step-by-step screens and click on Submit to submit your application for processing
- Assistance with the online application is available by calling (402) 436-1746, or by visiting the Nutrition Services Department or your school office

Cafeteria rules include: 1) deposit all litter in wastebaskets, 2) return all trays and utensils to dishwashing area, 3) leave tables and floor clean, 4) eat all food in the cafeteria, 5) act appropriately in the lunch room and follow adult directions, 6) remain at your assigned table until dismissed.

Students are not allowed to bring in commercial food or have food delivered to school. Parents bringing in commercial food can eat with their own student (no other students) in the office.

Leaving Campus at Noon

The campuses of middle schools in Lincoln are closed at lunchtime. Students are not permitted to leave the school campus except by approval through the office. If a student does leave the grounds without prior approval, parents will be contacted and disciplinary consequences will result.

We discourage parents from taking their child away from school for lunch, as it often results in missed class time. We are not able to allow parents to take someone else’s child to lunch.

Rules and Regulations

Philosophy on Discipline

Goodrich utilizes a student management program that increases student learning time, stops disruptive/hurtful behavior, and teaches skills necessary for future success. This program is designed to help students learn to manage their own behavior so they and their classmates can learn. This life skill helps to create the positive conditions that are so important to learning. The help of parents and students in reaching these objectives is essential. Positive behavior supports are used throughout the building to encourage student responsibility.

Most students do a fine job; however, when things do not go well and some type of disciplinary action is necessary, the staff uses information from the statement on **Responsibilities of Students** as a basis for action. A copy of this document can be found in the LPS Important Information booklet.

School-wide Expectations

Goodrich students are expected to be Thoughtful, Invested, Cooperative and Kind (T.I.C.K.) to ensure all students have the opportunity to learn.

Referral to Administration

When a student violates a school rule, he/she may be referred to the administration. Goodrich administrators will investigate the incident and determine the appropriate course of action.

Consequences may include: administrative conference, education, student contract, mediation, parent conference, detention, restitution, community service, in-school suspension, suspension from school, and/or a referral to Student Services for possible expulsion.

Behavior in Class

It is important that all students contribute to a productive learning atmosphere in class. If students disrupt class due to poor behavior, they infringe on the rights of other students to learn. When a student misbehaves in class, teachers will attempt to understand causes of behavior and help him/her correct that behavior. If those efforts are not successful, parents will be contacted and asked for help.

Behavior in the Hallways and Common Areas

Students must have a pass to be in the hallway during class time. Students without a pass will be returned to their classroom. Students are to go directly from class to class during passing time. With almost 900 students attending Goodrich and the size and number of hallways, groups of students can easily block a hallway and make comfortable, safe passage difficult. Therefore, students are not to gather or loiter in the hallways.

Possession and Use of Tobacco and/or Alcohol and Drugs

Possession, use and being under the influence of tobacco, alcohol, or drugs by students in any form on school premises is a violation of school district policy. Students in violation will be suspended and police will be contacted if a violation of law has also occurred. Possession of paraphernalia will also result in suspension.

Fighting

Fighting among students can have a broad range of causes and effects, but is always inappropriate. At school, striking back is not considered an appropriate response to another student's aggression. Students are expected to walk away from the situation and seek adult help. If students are involved in any physical aggression regardless of who began the aggression, all involved students will receive consequences. Students involved in a fight at Goodrich will be suspended. Students who assist in inciting others to fight may suffer the same consequences as those who actually fight. Students fighting off school grounds may also be suspended.

Use of Inappropriate Language and Gestures

In an environment where respect is being shown to one another, the use of profanity or racially denigrating language is out of place. Staff members at Goodrich attempt to help students use only language that is appropriate in a school setting. Some words used and allowed in the public sector are considered inappropriate at school. Depending upon the circumstance, use of profanity or other inappropriate language or gestures may result in disciplinary consequences. Profane or abusive language or conduct includes, but is not limited to that which is commonly understood and intended to be derogatory toward a group or individual.

Bullying

Lincoln Public Schools provides physically safe and emotionally secure environments for all students. Positive behaviors are encouraged in the educational program. Inappropriate behaviors, including but not limited to bullying, intimidation and harassment, must be avoided by students. Bullying means any ongoing pattern of physical, verbal or electronic abuse at school. Strategies and practices are implemented to reinforce positive behaviors and to discourage and protect others from

inappropriate behaviors. Students engaging in bullying behaviors at school are subject to disciplinary consequences.

Cell Phones

Students with cell phones must keep them shut off and out of sight during the school day as they are a major distraction and disruption to the learning environment. Students needing to call home may use the office phone or obtain permission from an adult. Parents needing to contact students during the school day may call the office.

Goodrich follows a multi-step process to support students in following this expectation. If a student is using their phone during school without permission, the teacher will ask the student to place his/her phone in a provided envelope and place the envelope on the student desk or table top until the end of the class period. This allows the student to maintain possession of the phone and the teacher to better monitor it as a disruption. If a student is using their phone a second time, the phone will be confiscated and turned into the office.

Phones turned into the office will be returned to students and/or parents depending on the frequency with which a student's phone is confiscated. Repeat offenses will result in parent conferences and checking in cell phones during school hours.

Technology Use Guidelines

Computer Use Guidelines*

1. I will respect copyright laws and will not make unauthorized copies of software unless the original is clearly labeled shareware or in the public domain.
2. I will not intentionally access information that may be obscene or offensive toward any other individuals, nor will I place any such information on the network or Internet.
3. I will respect the security of any computer system or network and will not try to gain unauthorized access to system programs, computer systems, or another person's files.
4. I will not use the computer systems to disturb or harass other computer users.
5. I will use the computer equipment to meet instructional objectives and not be used for entertainment.
6. I will not waste or take supplies and will print only when necessary to appropriate printers.
7. I will not use the network for financial gain or any commercial or illegal activity.
8. I will not engage in vandalism, including bypassing security systems, harming or destroying any data on the LPS network or the Internet, or intentionally share computer viruses.
9. I understand that the Lincoln Public Schools is not responsible for any expenses I incur or purchases I make while accessing any on-line service, such as the Internet.
10. I understand that violation of the above statements will make me subject to disciplinary action and can include the immediate suspension of my computer privileges.

Expectations for Use of Student Chromebooks

NOTE: Students will keep the same Chromebook for all three years of middle school

24/7

There are only two places the Chromebook may EVER be...

- Device in carrying case and zipped closed OR sitting on a desk being used
- Devices should NEVER be placed on the floor
- Absolutely no decoration on carrying case or Chromebooks – this includes stickers, labels, writing, covers, etc.

Carrying the device – anytime, anywhere...

Device in carrying case – closed and zipped – carry with strap across shoulder

Moving/Storing the device...

- Storing the Chromebook in the bag must be with the charger on the keyboard side
- When moving the device anywhere, pick it up by the base and use two hands; never hold the screen
- Never walk with an open lid
- Make sure there is nothing between the keys and the screen when closing the lid

Items allowed in the carrying case...

- Chromebook and charger ONLY
- Name card must remain in the holder and visible

Outside of School

- Chromebooks must remain in the student's possession at all times if it is taken to an alternate location such as the library or a store
- No one other than the assigned student may use the Chromebook; no other users or accounts may be established on the Chromebook
- Chromebook may only be used for legitimate school purposes
 - Students may not download apps, games, music, videos, etc.
 - The battery life is approximately three years, when students use the device for things not school-related, the battery life declines. Batteries will need to be replaced at student cost.
- Chromebook must remain in the carrying case unless being used or charged
- When Chromebooks are being used or charging, they should remain flat on a table

At School

Being Prepared for School

- All devices should be charged and ready to go at the beginning of the day
- Report any problems, repairs, or lost/stolen items immediately to the library

Before School

- Devices MUST stay in the carrying case at all times – no use is allowed in hallways, outside or at breakfast
- Breakfast
 - Bags (device inside) strapped across shoulder while in line
 - Bags (device inside) placed on table in front of your tray only – never on the floor or near food

During Class

Only LPS assigned Chromebooks or school loaners may be used in the classroom

When devices are not being used

- Devices remain closed and zipped in carrying case
- Carrying cases (with devices inside) will be stored in designated area within classroom
- NO carrying cases/devices on the floor

When devices are being used

- Flat on table top directly in front of student

Headphones

- Students may bring small earbud-type headphones for use in classes with teacher permission only
- If permission is not given at any specific time, earbuds should remain in the carrying case
- Earbuds must be packed away in the carrying case before leaving the classroom and may not be worn in hallways

At School Outside the Classroom

- Device **MUST** stay in the carrying case at all times – bag closed and zipped
- Students are responsible for ensuring their locker is locked appropriately
- Absolutely no devices allowed in the restrooms or locker rooms
- ACES – go to class first and ask permission to use the restroom

After School

- Devices **MUST** stay in the carrying case at all times – no use is allowed in hallways or outside – carrying case closed and zipped
- Working with a teacher after school – devices may only be used with teacher permission and for classroom work only
- Students attending athletic practices or clubs will have a specific place to store devices
- While riding the LPS bus, students should keep the device secured in the carrying case and placed on the student's lap
- Chromebooks must remain in the student's possession at all times if it is taken to an alternate location such as the public library or a store

Additions and/or adjustments to these expectations may be made throughout the school year as needed.

District Dress Code Policy Middle School Common Practices

(NOTE: Schools may communicate additional information on dress code expectations to students and parents/guardians)

DISTRICT DRESS CODE GUIDELINES

Clothing must be appropriate for school settings in order to provide a safe and orderly environment for all students to learn. The responsibility for the dress and grooming of a student rests primarily with the student and his or her parents or guardians, although, the school administration maintains the right to determine the appropriateness or suitability of any student attire.

Allowable Dress and Grooming

- Students must wear clothing including both a shirt with pants or skirt, or the equivalent and shoes.
- Shirts and dresses must have fabric in the front, back, and on the sides. Fabric covering all private parts and undergarments must not be see through.
- Clothing must cover undergarments and all private parts.
- All tops must have straps.
- All tops must meet the top of the pants.
- Clothing must be suitable for all scheduled classroom activities including physical education, science labs, wood shop, and other activities where unique hazards exist.

- Headwear is allowable as long as it follows other areas of the dress code and the student is easily identifiable. Students may be asked to remove headwear that interferes with the learning process.
- Specialized courses may require specialized attire, such as sports uniforms or safety gear.

Non-Allowable Dress and Grooming

- Clothing may not depict, advertise or advocate the use of alcohol, tobacco, marijuana or other controlled substances.
- Students may wear hoodies, but must keep the hood off their heads.
- Considerations will be made for students who wear special clothing as required by religious beliefs or disability.
- Dressing, grooming, or engaging in speech that is lewd or indecent, vulgar, or plainly offensive.
- Clothing may not use or depict hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation or any other protected groups. This also includes words or graphics that have derogatory, hate or offensive images.
- Clothing, including gang identifiers, must not threaten the health or safety of any other student or staff (examples include bandanas, gang signs).
- If the student's attire or grooming threatens the health or safety of any other person, then discipline for dress or grooming violations should be consistent with discipline policies for similar violations.
- Wearing pants below the waistline is not allowed.
- Clothing with words, pictures, or phrases that depict violence or intimidation may not be worn (examples include images of guns, knives or any other item generally considered to be a weapon).

Students who are in violation of the school dress code will:

1. Be educated on the reason this clothing is not allowed in a school setting, and when possible be given the opportunity to remove the item(s).
2. Be given the opportunity to change into school issued clothing in order to find items that are appropriate to wear.

When the first two are not viable options, the student's parent will be contacted to bring appropriate clothing for the student to change into.

Repeated violations could result in school consequences.

Students will not be allowed to return to classes until they are in compliance with the school dress code.

NOTE: Schools may communicate additional information on dress code expectations to students and parents/guardians.

Coats

Coats are not to be worn in class.

Materials/Equipment

Nuisance Items

The possession of items that disrupt the learning environment shall be considered nuisance items. This shall include but is not limited to such things as: **toys, rubber bands, electronics, comics, sunflower seeds, lighters, dice, candy, gum, headphones, wallet chains, chokers, laser pointers and water guns.** Students shall not bring these types of items to school. Articles of value taken from students shall be returned directly to the parents/guardians at their request or to the students at the end of the school year. Any item can be considered a nuisance item depending on its use here at school. Goodrich is not responsible for the loss or theft of such items and will not investigate the loss or theft. DO NOT BRING PERSONAL ITEMS OF VALUE TO SCHOOL.

Sharpies or Other Permanent Markers

Students are not allowed to have sharpies or other permanent markers at school.

Skateboards/Roller Blades/Scooters

Due to the increasing concerns about the unsafe use of skateboards, roller blades and scooters, students are not to bring them to school. Staff members will treat them as a nuisance item and they will be confiscated. We do not have a place to store these items at school.

Book Bags and Backpacks

Book bags and backpacks are not allowed in the classrooms, gym or the cafeteria. Upon arrival, students need to place these items in their locker.

Care of Textbooks and Equipment

Textbooks and equipment issued to students at the beginning of the school year are the property of the Lincoln Public Schools. Loss or excessive wear and damage become the student's responsibility and must be paid for at the end of the school year. Fine obligations remaining unpaid will be turned over to a collection agency.

Valuables

Valuables such as airpods, hand-held game systems, expensive jewelry, etc. are not necessary at school. While specific school rules do not prohibit such devices, we strongly encourage parents to ensure these items are left at home. Goodrich is not responsible for the loss or theft of such items and will not investigate the loss or theft.

Lincoln Public Schools does not provide insurance for personal items. Please do not bring large amounts of money or other valuable items to school. Lincoln Public Schools is not responsible for lost or stolen articles.

Building Care

Care and maintenance of a building that accommodates over 850 students is a major job. All of us at Goodrich share this responsibility by taking care of the property we use and by helping keep the building clean. Students making a mess will be expected to clean up the mess. Students who intentionally or through horseplay damage any Goodrich property, will pay for that damage and are subject to disciplinary consequences.

Public Displays of Affection (PDA)

Holding hands, hugging, kissing, and other public displays of affection are inappropriate in a middle school setting and are therefore not allowed.

School Services

Lockers

A hallway locker will be assigned to students. Due to increased enrollment, some students will need to share lockers. Only school issued locks are allowed. Students are responsible for keeping their lock on the locker and appropriately locked. At the end of the school year, students must return their locks or be assessed a fine.

Locker use at middle school will be limited. Students will not go to their lockers between classes. Exceptions will be made to obtain PE clothing or cold lunches and for emergency needs. With the use of chromebooks, students no longer need new instructional items for their next class, thereby making lockers obsolete except as a place to store your coat and backpack.

Lockers are the property of Lincoln Public Schools and are accessible to staff when necessary. Students are responsible for the content and condition of their lockers. Students are expected to keep their lockers clean and locked. Students should not share the combination with others to protect the security of their items. Locks are placed on different lockers every year. In addition, students are not to share their locker with anyone other than those assigned by the office. Any inappropriate items found in a locker are considered to be in possession of the person assigned to that locker and disciplinary action may occur.

Lincoln Public Schools assumes no liability for damage or theft of student property. For this reason, it is wise to leave valuables at home and to not share your locker or combination with anyone.

Bicycles

Bicycle racks are provided to students. It is the student's responsibility to ensure the security of his/her bicycle when using these racks (Lock up your bicycles).

Bulletin / Announcements

The daily bulletin is read to students each day. This bulletin contains announcements of importance and interest to students. Daily announcements are posted on our website for parents at <http://goodrich.lps.org>.

Posting and Distribution of Information

All material posted or distributed must be school related and approved by the administration prior to distribution or display. Such items may only be posted in designated areas.

Counselors / School Social Worker

A counselor is assigned to all students. A student should feel free to contact his/her counselor for help with school or personal problems. The counselor is available during the school day for conferences with students or with parents. Parents who wish to see a counselor are encouraged to make an appointment to ensure that the counselor is available. In addition a school social worker is available full time to support mental health concerns, connect to community resources, and support families.

Media Center

"The mission of the Goodrich Library Media Center is to teach and reinforce effective and ethical use of resources, and to promote reading for enjoyment and information."

The library is open for checkout from 7:45 – 3:45. Students may come during the day with a pass to work on school projects, check out books or read quietly. Computers are available for educational purposes only (no games, Facebook, email, etc.). Students may check out up to three items if they

have no lost or overdue items. Students will need to work out a plan with the school librarian to clear their accounts of lost and/or overdue items.

Lost and Found

A lost and found service for students is located in the main office. Unclaimed items will be given to charitable organizations.

Student Pictures / Yearbooks

A brochure describing student picture packets will be distributed to all students during the first month of school. Pictures will be taken in early fall. Pictures taken will be used to complete a school yearbook. Damaging or defacing others' yearbooks may require you to pay for a new book. Students are not to use inappropriate language in others' yearbooks.

Telephones

School phones are for school business only. School business for students consists of contacting their parents about staying after school or needing a ride. If students are staying after school for an adult-supervised activity, the adult will allow the student to use an available phone.

School Supplies

Goodrich Middle School provides all necessary supplies and equipment for student use in the instructional program. Students may furnish any personal or consumable items such as pencils, paper, pens, erasers and notebooks.

Food / Drink

Students are not allowed to have food or drink items in their lockers. These items quickly lead to unwanted pests that spread to other lockers. The only exception is a cold lunch in a closed lunchbox or sack that is taken home daily. Students are allowed to carry a water bottle containing plain water only to classes.
