**Calendar Options for Families**

The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

**Note:** Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

STUDENT ARRIVAL AND DISMISSAL PROCEDURES

Arriving to School and Breakfast Option

Children should not enter the school grounds until 8:00 am. Supervision is not provided before that time. Students arriving to school prior to 8:00 a.m. will not be supervised and are the responsibility of their parents or daycare providers.

Students who participate in the programs noted below may enter the building at the times stated and will be supervised:

1. Students participating in the Kloefkorn breakfast program. *(Seating for breakfast begins at 7:45 am.)*
2. Students having a prearranged meeting with a teacher.
3. Students that are accompanied by a parent/guardian are here for a specific pre-arranged meeting.
4. Students who are registered with the “Family Services Before School Program”.
5. Students attending rehearsals in the gym.

KLOEFKORN STUDENT DISMISSAL PROCEDURES

Dismissal at the End of the Regular School Day/ Early Release Days/ Emergency

Children will be dismissed by teachers at 2:53 p.m. To avoid unnecessary confusion at dismissal time, please plan to meet your child outside the school building. Teachers and/or other school staff will walk students outside to meet parents, daycare vans, caregivers etc. In some instances, children will need to complete assignments, need additional help from a teacher or remain for the disciplinary purposes. Phone calls will be made to alert parents/guardians if the child is remaining after school for more than 10 minutes. Children should follow their dismissal plan and make after school plans when they arrive home.

Students will be allowed to be at school after dismissal time only under the following circumstances:

1. They have a prearranged meeting with a teacher.
2. They are accompanied by a parent/guardian and are here for a specific prearranged meeting.
3. They are part of a school sponsored club or activity (such as Student Council or Orchestra), PTO after school classes, or club or activity with an organization that utilizes the Kloefkorn School building.
4. They are registered with the “Family Services After School Program”.

ARRIVAL DISMISSAL PLAN FORM

IT IS THE RESPONSIBILITY OF THE PARENTS TO NOTIFY THE SCHOOL IN WRITING OR EMAIL IF A CHILD’S PLAN CHANGES TEMPORARILY OR PERMANENTLY. IN SOME INSTANCES, A NEW ARRIVAL/DISMISSAL FORM WILL NEED TO BE COMPLETED AND GIVEN TO THE OFFICE.

Please inform the office by email if an individual not on the Arrival/Dismissal form is picking your child up. It is the responsibility of the parent to communicate this plan with their child before they leave for school.

Kloefkorn School K-5 dismissal is generally 2:53 pm. daily, and 1:33 p.m. on designated “early student release days” (PLC) when staff meet in their professional learning communities. In all cases, parents are responsible for having a dismissal plan for their child and communicating it with their children as how they will get home safety.

It is reasonable for all students to be picked up from school within 10 minutes after student dismissal. Designated school personnel will supervise students outside at student dismissal for 10 minutes after the designated dismissal time.

In the event there is a miscommunication between parent a child, and a student is not picked up within 10 minutes of dismissal, Kloefkorn students have been instructed to come to the school office for assistance.

- Student breakfast and lunch meals will be at no charge (free) for the entire 2021-2022 school year. Only 5th Grade students are permitted to buy seconds at lunch when available. To purchase seconds, fifth grade families must deposit money into their account. POS (Point of Sale) is the name of our cafeteria cash register system. With the POS cash register system a parent/guardian deposits money into an account that is accessed by the child entering their POS number on a keypad or scanned through a barcode in the cafeteria. In order to insure a smooth transition into the school year, please deposit money into your child/ren school lunch account by using our web-based meal prepayment system available on the LPS website. If your child is coming to Kloefkorn School from another LPS school, they will use the same number as last year. If your child is new to Lincoln Public Schools, a number will be assigned. It is very important that your child/ren learn their lunch PIN number so they can enter it on the keypad on the first day of school. Money in an account can be transferred from one school to another if a student changes schools within Lincoln Public Schools.

- If your child received free/reduced lunch last year, your application is valid for the first 30 days of school this year. A new ‘Free/Reduced Lunch’ application MUST be completed each new school year for each child. Applications are now online, and may be accessed from the lower right corner of our school’s home page under ‘Meal Links.’ Internet access is available at school for anyone needing assistance applying online. Eligibility for the free/reduced lunch program is determined by federal guidelines. The on-line application is simple to complete, eliminate lost applications or delays in receiving applications through the mail and reduces the amount of time that a family has to wait or hear back from the nutritional services office in regard to their eligibility status.

- The United States’ Department of Agriculture and the Nebraska Department of Education Competitive Foods Policy states that “no food may be sold or served that competes with the national School Lunch Program one half hour prior to the serving period.” This means that no food may be sold (i.e. pop, snack machines, fund raisers), and no food may be brought in to treat for birthday parties, class rewards, or class parties. Also, parents may not bring in food for more than their child.

Cell Phone & Electronic Devices

Cell phones, smart watches, and other personal electronic devices are considered nuisance items if seen or heard during the school day. If students bring a personal electronic device to school, it should be kept in their backpack, locker, or location designated by school staff during the school day. The school is not responsible for damaged, lost, or stolen devices. Please note that it is unlawful, and therefore prohibited on school grounds, to take a picture or record audio or video of another person without their consent.

Instructional Supplies

Students are responsible for the proper care of all books, equipment, supplies and furniture supplied by the school. Students who disfigure property, break windows or do other damage to school property or equipment, will be required to pay for the damage done or replace the item.

Student Use of Telephone

Students will be permitted to call home regarding school matters, upon obtaining permission from the classroom teacher. Calls by students must be kept to a minimum, as there are a very limited number of phone lines in and out of school. Students are asked to make arrangements for participating in after-school activities or going home with a friend before leaving home in the morning. Students will not be allowed to use cell phones in the classroom. Cell phones are to be turned off and kept in students’ backpacks during the school day.

Open/Closed Campus
Elementary students are not allowed to leave school during the school day without permission and need to be picked up in the office. If you plan to have your child eat lunch at home, please send a note designating your permission for the child to go home for lunch. Students are allowed to go home for lunch if there is a parent/guardian or another adult at home during lunchtime. Please make arrangements in advance.

Kloefkorn School Attendance Policy
We know that students who attend school regularly and on time perform better in school. It is important to a student’s success that the habit of regular and punctual attendance be formed. It is our goal to have every student in school as many days as possible, and to work with parents and guardians to help students understand the importance of being in school. Student may be excused for illness, or if by parent request, the student may miss school for a family emergency or special family need, including a religious observance. Students may also be excused from school to participate in a school-approved activity.

Students not in class on time will be counted as tardy unless excused by previous arrangement with the school office.

Releasing Students
For the safety of students and staff, parents/guardians and visitors must check in to the office, and receive a visitors badge. Parents/guardians are to come to the office when picking up their child before the regular dismissal time.

Office staff will contact the classroom teacher and the student will be sent to the office, once the parent has arrived.

Attendance at Special Events, After-School and/or Evening Activities
Students attending after-school and or evening activities at Kloefkorn School must be accompanied by a parent/guardian. Students must be in attendance during the school day in order to attend special events during the school day, after school and/or evening activities.

Readmission Following Illness
Policies regarding readmission of students following illness are as follows: Students should have a note from parent/guardian explaining the cause of the absence if the parent has not been in contact with the school during the absence. In doubtful cases the school may request a statement from a physician.

The student who has been absent from school will report to the teacher with a note and the teacher will decide whether or not to refer the student to the principal or nurse. If the absence is of three days or more or due to a communicable disease, the student should be checked by the nurse, health paraeducator, principal, or principal’s designee.

FOOD ALLERGIES AND INTOLERANCES

Classroom Teacher’s Responsibility
1. Be aware of all medical needs of the students in the classroom.
2. Ensure that information for all students with medical needs is in an organized, prominent and accessible location for a substitute teacher.
3. Follow students IHP, Emergency Action Plan and/or 504 plans.
4. Provide non-food ‘rewards’ for all students.
5. Plan curricular activities and educational tools that omit the allergic item from classroom activities and projects.

Student’s Responsibility
1. The student should not trade food with others.
2. The student should not eat anything with unknown ingredients or known to contain any allergen.
3. The student will identify self to nutrition services workers if he/she has a special diet or food allergy, if age or developmentally appropriate.
4. The student should be proactive in the care and management of their dietary needs and reactions based on their age and developmental level.
5. The student should notify an adult immediately if he/she eat and/or are exposed to something he/she believe may contain the food to which he/she is allergic to.

Family’s Responsibility
1. Notify the school of the child’s allergy.
2. Work with the school team to develop a plan to accommodate the child’s needs throughout the school, including in the classroom, in the cafeteria, in LPS sponsored after-school events, during field trips, and on the school bus.
3. Provide written medical documentation, instructions, and medications as directed by a physician, using the LPS Anaphylaxis Action Plan as a guide. Have the physician sign a Medical Statement for Students Requiring Special Meals (this form only needs to completed one time while the student is at LPS, unless the condition changes).
4. Provide properly labeled medications and replace medications after use or upon expiration.
5. Educate the child in the self-management of their food allergy and special diet needs including:
   - Safe and unsafe foods
   - Strategies for avoiding exposure to unsafe foods
   - Symptoms of allergic reactions
   - How and when to tell an adult that they may be having an allergy related problem
   - How to read food labels (age-appropriate)
6. Review LPS procedures with the school staff, the child’s physician, and the child (age and developmentally appropriate) after a reaction has occurred.
7. Provide current emergency contact information.
8. Notify school of changes in dietary status, i.e. no longer an allergen or increased, allergies or other diet changes.
9. If a student is attending a before or after school program run by an outside agency, in an LPS building, family must provide medical information to that program.

TREATS AND INVITATIONS
Classrooms recognize birthdays in a variety of ways. Students are not allowed to bring birthday treats (edible or nonedible). Please do not send gifts, party favors, balloons, or flowers. These items will not be delivered to classrooms.

Invitations will not be distributed during the school day. Teachers should be notified ahead of time if a student has invitations to distribute after school. Phone numbers and addresses cannot be distributed by any school personnel.
January 2022

*ALL SCHEDULED EVENTS ARE TENTATIVE AND SUBJECT TO CHANGE.*
COMMUNICATING STUDENT PROGRESS:
Report Cards & Parent-Teacher Conferences

Lincoln Board of Education states (Policy 6570) that “student progress will be reported formally to parents/guardians at least four times each year.” Information about elementary student progress is reported in four areas:

1. Progress through district curriculum objectives.
2. Performance in assigned curriculum level.
3. Effort.
4. Use of effective learning or study skills.

Parent-Teacher conferences are scheduled twice a year, typically during the first and third quarters of the school year. Please consult the Student Activity Calendar on the Kloefkorn web site for Parent-Teacher conference dates. Parents with immediate questions about their child’s academic progress are encouraged to contact the teacher at any time.

Contacting Your Child’s Teacher

Parents/Guardians are encouraged to call their child’s classroom teacher to arrange for conferences or when questions arise that can be handled with a brief discussion. The best time to reach a teacher by phone is before the student-day begins or after school. During instructional time, voice mail may be left for teachers. Each teacher has an email address that is posted on the Kloefkorn website. Emails may, also, be an effective and efficient way to contact your child’s teacher. For involved problems such as student evaluation, curriculum concerns, and school policy, a parent-teacher conference rather than a conversation by telephone is encouraged.

Communication During School Emergencies

The LPS “School Messenger” system allows school administrators to send voice and/or email to parents and guardians when emergencies happen at their schools. We also use the S.M. system to remind parents of important events, such as “student early release days”, parent-teacher conferences, inclement weather days, etc.

It is very important for parents and guardians to provide the school with updated family information, such as changes in phone numbers (both land line and cell phone numbers) and email addresses. In addition, it is very important to update family emergency contact information. The success of the S.M. program is based on having current contact information for each of our families. It is the responsibility of each family to inform the school when contact information changes. You may call our office at 402-436-1148 when you have updated information to give us.

COMMUNICATION

District-Wide School Messenger

This district-wide communication system allows schools to quickly send out school or district phone calls, texts or emails to families with important information. Please be sure the school has your updated phone number and email address so you can receive this information. School Messenger is used to notify families of emergency situations or school closings and to send out reminders about upcoming events or PLC days.

Kloefkorn Chronicle

The “Kloefkorn Chronicle” contains announcements, information, school events, etc. This newsletter is sent monthly via email and is posted on our school website at wp.lps.org/kloefkorn/

Kloefkorn Friday Folders

Typically, school news will be sent home via Friday folders. Please return the folder on the following Monday including any notes to your child’s teacher. General information will be sent with the oldest child in the family attending Kloefkorn.

Grade Level Curriculum Newsletters

Grade level teams will send home regular communication to inform parents of current curriculum studies, upcoming events, classroom news, etc.

Community News

“Community News” is a newspaper distributed by Lincoln Public Schools, free to all elementary students the first week of every month from September through May. “Community News” news replaces most information flyers and can be used as a guide to community activities for students. The monthly school lunch menu is included in each issue of Community News.

Our school activity calendar and other information is regularly updated on our website: wp.lps.org/kloefkorn

Safety and Security

Traffic Safety

Safety is a primary concern and something we will be vigilant about at all times at Kloefkorn School. One important aspect of safety is traffic flow during critical drop-off and pick-up times. We have worked with the City Traffic Engineers Office and the Lincoln Police Department to develop a recommended traffic plan, cross walk locations, signage, and walking routes. The traffic map can be located on the Kloefkorn website.

To ensure the safety of all students, families and staff, we ask for your patience and for your help in following these procedures:

- Follow one-way traffic flow from north to south for loading/unloading students
- The drive through loop on the south side (parking lot) of the school is designated for buses and commercial daycare vans. The south drive-through loop may also be used for loading/unloading students. For students’ safety, they will not be dismissed to meet waiting vehicles in the parking lot.
- In the event of severe seasonal weather (heavy rain or snow, ice, poor visibility) at arrival and dismissal times, a School Messenger electronic notification and post to Facebook will be sent to parents activating the Extreme Weather Parking Plan. The plan allows parents temporary parking in the south staff parking lot. Parents who park in the south lot on Extreme Weather Parking days, must park and walk up to the school building to escort children accordingly. For students’ safety, they will not be dismissed to meet waiting vehicles in the parking lot.
- During school hours, the parking lot is reserved for staff only; parents/visitors may park along the curb in the front loop.

- In the event of severe seasonal weather (heavy rain or snow, ice, poor visibility) at arrival and dismissal times, a School Messenger electronic notification and post to Facebook will be sent to parents activating the Extreme Weather Parking Plan. The plan allows parents temporary parking in the south staff parking lot. Parents who park in the south lot on Extreme Weather Parking days, must park and walk up to the school building to escort children accordingly. For students’ safety, they will not be dismissed to meet waiting vehicles in the parking lot.

Establishing walking/biking routes to school, carpooling with other families, identifying an alternative drop-off/pick-up site away from the school grounds, are recommended options for reducing/avoiding traffic congestion that is a part of every school’s day. Please develop a plan with your child about drop-off and pick-up times so they know where you plan to meet or pick them up, as this dictates where they will go upon dismissal. Your help in sharing this information with childcare providers and grandparents who may be picking up children is appreciated.

Effective safety practices are not always convenient. Your willingness to adhere to the procedures is critical to the success of our plan and ultimately to the safety of all Kloefkorn students. Please be assured that we closely monitor the traffic plan and adjust as necessary. Your patience and cooperation are sincerely appreciated.

Bullying

If you feel that your child is being bullied by peers, please contact your child’s teacher or the building principal, Shayna Cook. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.

- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.

- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District’s Second Step program.

Classroom Interruptions

One of our goals at Kloefkorn School is to maintain a productive environment for students, conducive to learning at high levels. In order to do so, we are diligent about minimizing the disruptions to instructional time in the classroom and ask for your help, as well. With 500 students, we are frequently asked in the office to relay messages to students, often about changes in after-school plans (particularly on PLC early release days), and to deliver items from home. We kindly ask that, to the extent possible, those situations be taken care of before the school day.

Student safety is most important. If you have a change in the Arrival/Dismissal plan for your child, please complete a new Arrival/Dismissal form found online. If there is a change in plans due to emergencies, please send an email to the office secretaries at csandma@lps.org, vontiver@lps.org and copy the teacher.
