Intent Of Student Handbook

This handbook is intended to be used by students, parents, and staff as a guide to the rules, regulations, and general information about Pyrtle Elementary School. Each student is responsible for becoming familiar with the handbook and knowing the information contained within it. Parents are encouraged to use this handbook as a resource and to assist their child in following the rules contained in this handbook.

Although information found in this handbook contains detailed and specific information on a variety of topics, the handbook is not intended to cover every situation and circumstance that may arise during any school day, or school year. This handbook does not create a “contract.” The administration reserves the right to make decisions and rule revisions at any time to implement the educational program and to assure the well being of all students. The administration will be responsible for interpreting the rules contained in the handbook. Should the situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon all applicable school district policies, and state and federal statutes and regulations.

Pyrtle Elementary School serves 450 students in grades Preschool through 5th grade. The building was originally constructed as a single-story school with 14 classrooms in 1964. In 1966, there was an addition of a sloped-floor auditorium and a multipurpose gymnasium/lunch room. The number of classrooms was expanded to 20.

In 1999, an addition of a large gymnasium with high ceilings and Art and Music rooms was added to the north end. Three additional Kindergarten classrooms were added to the south end in 2009-2010. A pitched roof was added to provide attic space to house mechanical units. The school currently consists of a gymnasium, lunch room, library, vocal music room, art room, computer laboratory, and 23 classrooms.

New handicap-accessible playground equipment was installed in 2011, along with a new concrete basketball slab and rubber tiling. There is a large grassy area for sport fields. In 2012, a walking path was added. In 2021, enhancements to the current playground will begin.

Landscaping includes a garden area with a vibrant butterfly garden. Many trees on the south end were provided by the Natural Resources District (NRD). Community and parent volunteers maintain the garden.

E. RUTH PYRTLE

Emma Ruth Pyrtle (1871-1947) was born in Charleston, West Virginia. She attended elementary school in Lexington, Nebraska and was a member of the first organized graduating class of Lexington High School in 1891. She graduated from the University of Nebraska with an A.B. degree (1904) and a Master’s degree (1907). She was a member of Pi Gamma Mu Honor Society.

Miss Pyrtle began a 42-year career with Lincoln Public Schools in 1898, retiring in 1940. She was principal of Bancroft School (K-8) and McKinley Elementary School (which became grades 1-9 with prevocational and evening classes). McKinley was Lincoln’s largest grade school and had 700 students. She lectured at teachers’ institutes in Colorado, Iowa, Kansas, and Nebraska.

She was credited as a national pioneer for the improvement of elementary principalship and was a prolific contributor to education journals. She authored two books: History of the Public Schools of Lincoln (before 1923) and Early Virginia Families, Pyrtle-Davis-Turner-Marlin (1930).

Miss Pyrtle served the National Education Association (NEA) as president of the Department of Elementary School Principals from 1927-28, chairman of the Retirement Committee from 1924-1929, and president from 1929-1930. She served as general secretary of the YWCA in Des Moines, Iowa, in charge of women’s welfare activities during World War I. She was a member of the Daughters of the American Revolution.

She traveled extensively. Her hobbies were hiking outdoors and the study of birds. She died in Lincoln, Nebraska, at age 76.

Pyrtle Mission Statement

Pyrtle’s community inspires and empowers learners for the future.
SCHOOL IMPROVEMENT GOAL
The goal for continuous school improvement at Pyrtle is as follows:

- 74% of students will score a 3 or 4 from a baseline of 91% as reported on the 4th quarter 2021-2022 report card, in the three areas of math: number, geometry and algebra/data.
- 90% of Pyrtle students will score a 3 or 4 from a baseline of 83%, as reported on the 4th quarter 2021-2022 report card, in the area of reading fluency.

COMMUNICATION
The preferred way to communicate with families is electronically. It is important that your current email information is on file. Hard copies are available upon request.

School Newsletter
The newsletter contains announcements, information, school events, etc. This newsletter is sent through School Messenger.

Weekly Communication Folders
Typically, school news will be sent home via Thursday folders. Please return the folder the next day including any notes to your child’s teacher. General information will be sent with the oldest child in the family attending Pyrtle School.

Community News
“Community News” is a newspaper distributed by Lincoln Public Schools. It is free to all elementary students the first week of every month from September through May. “Community News” replaces most informational flyers and can be used as a guide to community activities for students. The monthly school lunch menu is included in each issue of “Community News.”

School Website
Information is regularly updated on our website: http://pyrtle.lps.org

ParentVue
Parents may access communications, attendance information, report cards and more for their child through ParentVue. A “button” linking you to ParentVue can be found on our school website.

School Messenger
This district-wide communication system sends school and district emails, texts, and phone calls to families with important information. Please be sure the school has your updated phone number and email address.
MAKE-UP WORK
We appreciate parent/guardians’ conscientious regard for picking up homework for their child.

- If your child will be absent only one day, work may be made up or taken home upon return to school.
- If your child will be absent for an extended period of time (more than three days) please contact the classroom teacher to plan for completion of work and notify the office.

Homework may be picked up after school in the office.

AFTER SCHOOL CLUBS AND ACTIVITIES
Throughout the school year, a variety of interest clubs and activities are sponsored by the Pyrtle PTO. Club and registration information will be sent home with students. Additional Lincoln Public Schools activities available to students (some for only designated grade levels) include: Chorus, Band, and Orchestra. Other clubs and activities may be organized to address special interests of students and staff.

PLAYING OUTDOORS
We feel that children need to play outside. Therefore, every attempt will be made to use the playground when possible. If children are not well enough to play outside, they are usually not well enough to be in school. Unless a physician’s excuse has been obtained, a note is required each day that a child is to remain indoors during recess. The note should state the reason for the request.

Students are encouraged to dress appropriately for the weather. During wet, snowy weather, students not adequately dressed for the conditions (outdoor boots, etc.) will be asked to remain on the hard surface area for recess. Please do not send snow pants to school. Children lose too much time pulling them on and off. Indoor recess will be scheduled when the windchill or temperature is 10° or below or when it is raining.

PARENT TEACHER ORGANIZATION (PTO)
The Pyrtle Parent Teacher Organization (PTO) is a vital part of Pyrtle’s success with children. As an organization, they represent parents/guardians and organize events and projects that serve children and families. Scheduled PTO meetings and activities are listed on the Pyrtle web calendar. All teachers and families are encouraged to attend PTO meetings and activities.
Konstella

Konstella is a great, free app/website that the Pyrtle PTO uses. Konstella makes it easy to connect with other Pyrtle families, as it is our online school directory, and it also allows you to sign up to volunteer or donate items, and receive announcements about PTO activities. The more Pyrtle families that are signed up, the more useful Konstella is for everyone! NOTE: While an email address is required, you get to decide what contact information is available for you in the directory (e.g., address, phone) and available to PTO, as well as when and how you get notifications.

If you have already signed up for Konstella, you will need to update your student's classroom once you see the final teacher assignment in ParentVUE starting Aug. 7. Neither PTO nor the school can do this for you, the user. We are archiving the previous assignments the morning of Aug. 7, and this will leave you unassigned to a classroom.

To update classroom:

- Go into the app or browser (https://www.konstella.com/p/pyrtle)
- Click on the gear icon (in the app) or your name in the top left-hand corner (in a browser).
- Click on "Your Children" in the left-hand menu.
- Click on the name of the child you want to add to a classroom or change classroom.
- At the bottom of the page, you can select a classroom (in the app) or click Change Classroom, scrolling to find the correct one
- Click on "Directory" in the left-hand menu to access your child's classroom directory.

If you are a new user (have not signed up or downloaded the app), you can use the app or the website. When you sign up, you will select a classroom.

STUDENT USE OF TELEPHONE/CELL PHONE
Students will be permitted to call home on a school phone regarding school matters after getting permission from the classroom teacher. Calls by students must be kept to a minimum, as there are a very limited number of phone lines in and out of school. Students are asked to make arrangements for participating in after-school activities or going home with a friend before arriving at school. Cell phones and other electronic devices have been found to be disruptive to learning. If a student brings them to school they must remain in the child’s backpack and turned off. This includes smart watches. If the student takes an electronic device out during the school day, it will be kept in the office until a parent/guardian can pick it up. Students have the option to leave their phones with the Security Entrance Monitor during the day.

LEAVE DISTRACTIONS AT HOME
Please leave play items and items that may distract from learning at home. Only school supplies, forms to be returned to school, and schoolwork should be brought to school. Leave gum, candy, trading cards, other electronic devices, etc. at home. Items that become a distraction will be kept by the teacher or office staff until a parent/guardian can pick it up. Certain types of clothing can be a distraction. Schools may communicate additional information on dress code expectations to students and parents/guardians. Items that might be considered a weapon are strictly prohibited and should NEVER be brought to school. Students who violate this rule face the penalty of suspension and expulsion from school, in accordance with state law.

YMCA ADVENTURE CLUB
Adventure Club is a before and after school program available to families at Pyrtle School through the YMCA. YMCA provides before–and–after school care for kindergarten through fifth grade students. Please call 402-434-9262 for registration and fee schedule.

BULLYING
If you feel that peers are bullying your child, please contact your child’s teacher or the building Principal. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.
Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- **Imbalance of Power**: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- **Repetition**: Bullying behaviors happen more than once or have the potential to happen more than once.
- **Hurtful aggressive physical and/or verbal behavior.**

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District’s Second Step program.

**SCHOOL-WIDE EXPECTATIONS**

We believe that all children have the right to a positive, successful learning climate. The staff and parents work cooperatively to reinforce students’ positive behavior to ensure this type of environment. It is our philosophy that learning appropriate behavior represents a problem solving opportunity. We use a school-wide behavior-philosophy plan that increases student learning time, stops disruptive/hurtful behavior, and teaches skills that will lead to life success.

Lincoln Public Schools provides physically safe and emotionally secure environments for all students and staff. Positive behaviors (non-violence, cooperation, teamwork, understanding and acceptance of others) are encouraged in the educational program and are required of all students and staff. Inappropriate behaviors, including but not limited to bullying, intimidation and harassment, must be avoided by all students and staff. Strategies and practices are implemented to reinforce positive behaviors and to discourage and protect others from inappropriate behaviors.

Students are taught expectations across all environments at school. Common area expectations (areas such as hallways, cafeteria, restrooms, etc.) are reviewed throughout the year. Children receive positive reinforcement for exhibiting appropriate behavior.

TIPS FOR PYRTLE LUNCH VISITORS

We encourage you and your family to join your child or children for lunch as often as possible!

- **TIME**  We suggest arriving about 10 minutes prior to your child’s scheduled lunch so that you have time to check in and get a badge from our Office Staff at Door #1. If you have more than one child attending Pyrtle, you may stay in the designated area so that you can eat with each of your children during their scheduled lunchtime. Your child must join their class when they leave lunch so that they do not miss instruction in their classroom.

- **ADDITIONAL GUESTS**  You are welcome to bring other family members to sit and eat with you as well. **If someone other than a legal guardian plans to eat with a Pyrtle student, the legal guardian must call the school and alert the office staff before the guest is allowed to eat with the student.**

- **FOOD**  You are welcome to buy a school lunch or bring lunch for yourself and your child/family. You may not share food with other children, due to potential allergies and government guidelines.

- **SEATING**  We ask families to sit at the designated guest area. Some seating is assigned so we cannot accommodate seats at the regular table.

- **DELAYS**  If you are not able to arrive by the time the last child in their grade gets a school lunch, we will explain to your child that sometimes things come up that prevent families from getting to school on time. We will have them get a school lunch so that they can eat within their scheduled time. If you happen to arrive late, you will still be able to join them for whatever time is left during their lunch period.

TIPS FOR PYRTLE STUDENT LUNCH

Independence is the key!

- **LUNCHES FROM HOME**  Please make sure your child can be independent with the items packed in their lunch. Items that prove difficult for many children include fruit cups, yogurt sticks, cheese sticks, etc. Help your child practice at home so that you can include these fun items when they are ready. If we notice that a child does not have enough items in their lunch from home or appears to have forgotten to pack a lunch for that day, we will have your child get a school lunch. If this becomes a pattern, we will call you to develop a plan together.

- **LUNCHES FROM SCHOOL**  Pyrtle staff assist students with learning the procedures for getting a school lunch. We will also assist them in learning to take the appropriate condiments and silverware needed for the meal that day. Occasionally there are items included that are difficult to open and we will help them practice these as well.
