Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

INTENT OF STUDENT HANDBOOK

This handbook is intended to be used by students, parents, and staff as a guide to the rules, regulations, and general information about Riley Elementary School. Each student is responsible for becoming familiar with the handbook and knowing the information contained within it. Parents are encouraged to use this handbook as a resource and to assist their child in following the rules contained in this handbook.

Although information found in this handbook contains detailed and specific information on a variety of topics, the handbook is not intended to be all encompassing so as to cover every situation and circumstance that may arise during any school day, or school year. This handbook does not create a "contract." The administration reserves the right to make decisions and rule revisions at any time to implement the educational program and to assure the well being of all students. The administration will be responsible for interpreting the rules contained in the handbook. Should the situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon all applicable school district policies, and state and federal statutes and regulations.

This handbook does not cover all rules, regulations and questions you may have so families are asked to become familiar with both the LPS Important Information Booklet and the Elementary Common Practices Booklet that are found at <http://lps.org/go/important>.

Our mission is to help Riley students:

Imagine their possibilities,

Believe in their potential,

Supporting Positive Behavior at Riley

We believe that all children have the right to a positive, successful learning climate. The staff and parents work cooperatively to reinforce students' positive behavior to ensure this type of environment. It is our philosophy that learning appropriate behavior represents a problem-solving opportunity.

At Riley, we focus on our three school rules:

- Be Safe
- Be Respectful
- Be Responsible

All Riley staff members work with children to teach and reinforce the rules and expectations for maintaining our learning environment. Questions specific to your child's grade level or classroom can be directed to the classroom teacher.

Lincoln Public Schools provides physically safe and emotionally secure environments for all students and staff. Positive behaviors (non-violence, cooperation, teamwork, understanding and acceptance of others) are encouraged in the educational program and are required of all staff. Inappropriate behaviors including, but not limited to bullying, intimidation, harassment, must be avoided by all students and staff. Strategies and practices are implemented to reinforce positive behaviors and to discourage and protect others from inappropriate behaviors.

- ✓ At 8:45 a.m., students will line up in their assigned locations.
- ✓ After 9:00 a.m., all students must use the main entrance and check in with the office.

For the safety of student, parent/guardians must come to the office when picking up their child before the regular dismissal time. Office staff will contact the classroom teacher and the student will then be sent to the office. This allows us to make certain we know where children are at all times.

For those students who will be supervised by a sibling who attends a school other than Riley, we ask your help in completing a permission form that says you would like your child to be picked up by an older sibling/student.

- ✓ All students must go directly home, to daycare, or to a school sanctioned activity after dismissal.

- ✓ Students will not be allowed to play on the playground while waiting for rides after school.

Communication

Communication from school to home is a vital part of the education of each student. At Riley, we really want to help families stay connected with what is happening at school. The following methods of communication are some of ways we will work to help families know what is coming up.

Riley Ram Friday Folders

Typically, school news will be sent home via Riley Ram Friday Folders. Please return the folder on Monday including any notes to your child's teacher. General information will be sent home with the oldest child in the family attending Riley.

School Newsletter:

The Riley Newsletter contains announcements, information, school events, etc. This newsletter will be sent home via email.

Community News:

"Community News" is a newspaper distributed by Lincoln Public Schools, free to all elementary students the first week of every month from September through May. "Community News" replaces most informational flyers and can be used as a guide to community activities for students. The monthly school lunch menu is included in each issue of "Community News."

School Website: *Information is regularly updated on our website:*
<http://riley.lps.org>

ParentVue: Parents may access communications, attendance information and more for their child through ParentVue. A button linking you to ParentVue can be found on our school website.

School Messenger: This district-wide communication system sends school and district emails, texts, and phone calls to families with important information. Please be sure the school has your updated phone number and email address.

Facebook: Check out school happenings on our Facebook Page! "Like" us at <https://www.facebook.com/RileyElementary/>

Contacting Your Child's Teacher

Parents/Guardians are encouraged to call their child's classroom teacher to arrange for conferences or when questions arise that can be handled with a brief discussion. The best time to reach a teacher by phone is before the student-day begins or after school. During instructional time, phone messages will be taken for teachers. For involved problems such as student evaluation, curriculum concerns, and school policy, a parent-teacher conference rather than a conversation by telephone is encouraged.

Communicating Student Progress:

Report Cards & Parent-Teacher Conferences

Lincoln Board of Education states (Policy 6570) that "student progress will be reported formally to parents/guardians at least four times each year." Information about elementary student progress is reported in four areas:

1. Progress through district curriculum objectives.
2. Performance in assigned curriculum level.
3. Effort.
4. Use of effective learning or study skills.

Parent-Teacher conferences are scheduled twice a year, typically during the first and third quarters of the school year. Parents with immediate questions about their child's academic progress are encouraged to contact the teacher at any time.

Parent Teacher Conferences:

Tuesday, September 7, 2021

Thursday, September 9, 2021

Thursday, January 13, 2022

Tuesday, January 18, 2022

4:00-7:30 p.m.

Visitors

We are pleased to have you visit school and we welcome you to Riley. We are proud of what teachers and children are doing and glad to have you observe. Research supports that parental interest has a positive correlation with student achievement.

Quality learning and instruction are the desired outcomes of the following guidelines:

1. Parents and legal guardians may visit. Shorter visits are best. Sometimes when parents have a day off they think it would be a supportive idea to spend the day with their student. This is really not best for students. Visitations to classrooms of 20-30 minutes will tell you the most and be the best for students and teachers.
2. As a courtesy, parents/guardians should let teachers know they'd like to visit. If you are interested in observing a certain area of the curriculum, the teacher will help you know the correct time.
3. We ask that other children not attend school as visitors to the classroom. They are welcome at school events and in the lunchroom.
4. To ensure the safety of your child, all visitors are required to check in at the front door. Each person will be given an ID badge to wear during his or her visit. All other outside doors are locked during the school day.

VISITOR POLICY IS SUBJECT TO CHANGE DUE TO HEALTH DIRECTIVES PUT INTO PLACE TO PREVENT FURTHER SPREAD OF COVID-19.

Bullying/Feeling Unsafe at School

If you feel that your child is being bullied by peers, please contact your child’s teacher or the building principal, Jeff Bjorkman. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please help your child identify adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District’s Second Step program.

Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.
