A Message from Principal Lynn Fuller

It is a great privilege to be the Principal at Roper Elementary School. For more than twenty five years, Roper has been an important part of the West A Community. We appreciate the close relationship we have with the community and are continually humbled by your generosity and support.

The dedication of the staff at Roper is inspiring. Teachers care deeply for students and work hard to help them succeed. Our priority is on student learning, insuring every student is challenged to achieve or exceed grade level, district and state expectations. We accept no limits on the learning potential of any child.

At Roper, we provide a safe, orderly and respectful environment, which promotes high levels of student engagement. We honor the diversity and unique talents of all of our students, embracing the different cultures and backgrounds that represent our community.

We are excited to offer students daily experiences in art, computer science, library media, music, physical education and wellness. These enriching opportunities extend the learning that students are provided in the classroom and often inspire lifelong pursuits. This is just part of our commitment to serving your child’s unique academic, behavioral, social and emotional needs.

We look forward to partnering with you in the year ahead. Working together, we can provide your child(ren) with exactly what they need to be successful this school year and for years to come. If you have questions about your child at any time, please don’t hesitate to contact your student’s teacher or myself at 402-436-1170.

Sincerely,
Dr. Lynn Fuller, Principal
Roper Elementary School

Hello Roper Families!

A big welcome back to our returning families and a warm welcome to new families joining our community. The Roper Elementary PTO looks forward to a successful 2021-2022 school year with you. The PTO’s goal is to support school staff in creating a safe and fun learning environment for all students as they “rocket toward success.” There are many PTO sponsored events and activities throughout the year that help meet this goal:

- Funding for field trips
- School library support
- Teacher appreciation (conference meals, Teacher Appreciation Week, end of year luncheon)
- 5th grade year books
- Educational materials for students

And the list goes on! Our long-term goal is to renovate and enhance the playground areas to make them inclusive for all Roper students.

We need your help. The PTO is powered by parents and we can’t achieve our goals without the support of Roper families. Every family is unique, with its own priorities, needs, talents and time constraints. That’s why throughout the year we’ll have many different ways for parents and families to be involved in the PTO and support our school.

This year we will be using PTBoard for all of our communications, calendar, school directory and online sales. Please sign up! Go to roper.ptboard.com, log in, on the “join screen” and enter code 9QBSRP.

Quarterly Public Meetings:
- August 23
- November 22
- January 24
- April 25

All meetings this year will be held virtually. Please check our facebook page often for information.

BUS TRANSPORTATION

Lincoln Public Schools provides limited bussing based on student needs. Bus service is a privilege. Students are expected to maintain good behavior and follow safety rules at all times on the bus. If you have questions about qualifying for bus eligibility, please ask one of the administrators listed below.

- Students are to walk to their assigned grade level waiting area upon arrival. Teachers will meet them there.
- Some students will be escorted from the bus to their classrooms.
- At the end of the day, students will be escorted to their bus by teachers.
- If a student will not be riding the bus home, they must have a signed note from parents/guardians.

TRAFFIC FLOW/PARKING

Parents are asked to show extra caution in and around the school when dropping-off or picking up a child. Finding a parking space at Roper during the busy arrival and dismissal times can be difficult. Please follow these directives to alleviate traffic congestion at these busy times:

- Utilize the designated traffic loop for your child’s grade level.
- Consider drop-off or pick-up points away from Roper in surrounding neighborhoods. The crosswalk to the east of Roper’s main entrance will be supervised during busy arrival and dismissal times. If you choose to park in the neighborhood to walk your child to the school, please be courteous to our neighbors. Do not block driveways or mailboxes.
- If you choose to park in the school’s parking lot, please do not block cars that are parked in parking stalls and leave your vehicle. Once you find a legal place to park, please walk your child to the building for their safety.
- Do not double-park in the loops. Do not encourage students to pass between cars when being picked up or dropped off. Always pull over to the curb before allowing your child out of the car.
- Do not park in a handicap parking space unless you have a registered parking permit or license plate. Always follow parking and traffic laws.

Together we can make student drop-off and pick-up safe and efficient.

LATE ARRIVAL/EARLY DISMISSAL

Students who arrive any time after 8:10 AM must use Door #1 - east (Pre-K-3rd) or Door #16 – west (4th-5th). They should report directly to the east or west office to check in.

Students who leave before the end of the day will need to be signed out by a parent or guardian.

- Parents are asked to walk up to the building to pick up their child.
- Students will be called to the office upon parent arrival. Our priority is to provide the maximum classroom time with minimum disruptions. It is not possible to know exactly when parents will arrive to pick students up for appointments. Please plan accordingly.
- For safety reasons, please do not ask for your child to wait outside to be picked up early.
- We will only release children to adults that have been designated by parents or guardians. If someone other than a parent or guardian will pick up your child, please provide something in writing to the school office or call the office to provide the name of the person picking the child up.
- If someone other than a parent or guardian is picking a child up, even with written notice or a phone call from the parent or guardian, they may be asked for identification. Please ask them to be patient as this is only for the safety of the student.
- Please note that before 8:30 and after 2:30 are busy times in the office. It would be best to call between the hours of 8:30 and 2:30 to notify the office of an appointment.

If there is a special circumstance, such as a court order limiting access to a student by a parent or guardian, the office must be informed and provided with a copy of the order to maintain on file at the school.

ABSENCES

In the event of a student absence, please call our school office at 402-436-1170. This not only helps us know who will be part of our learning community for the day, but also serves as an extra safety precaution for you and your child. A parent will be called if a student is counted absent by the classroom teacher and an absence has not been called in by a parent or guardian.

Attendance and School Schedule

It is important to a student’s success in school that the habit of regular and punctual attendance be formed. Please do not send your child to school if he/she is ill. The health of our children is important. We also understand that family emergencies may occur and families may need to be out of town.

Please remember to contact the office when your child is not going to be at school i.e. vacation plans, illness, appointments. This information is for attendance purposes. **Even if you have informed the teacher you will still need to contact the office.**

**PHONE NUMBER: 402-436-1170**

An answering machine is provided for your 24-hour convenience. If a student cannot be accounted for, a phone call from office staff to the parent/guardian will occur.

**Please Note:** Persons listed as emergency contacts will be called to verify a student’s absence if a parent/guardian cannot be reached. Truancies will be subject to disciplinary action at the discretion of the principal.

Fire and Tornado Drills

The school has a plan to provide for the safety of each student in the event of a fire or tornado. Drills are held periodically during the year to insure speed and efficiency in getting the students to the assigned places of safety.

Security Procedures

**Secure** is implemented when there is a threat or hazard outside of the building.

**Lockdown** is called when there is a threat or hazard inside the school building.

**Hold** is used when we need to keep the hallways clear.

**Evacuate** is an action we use for fire drills. It could be used for other situations that may warrant an evacuation.

**Shelter** is used in response to severe weather. It may also be used for other environmental incidents.

---

The LPS attendance policy requires that schools notify parents of their child’s absences at various intervals

- A letter will be sent home if a student has missed 5 school days.
- A letter will be sent home when a student has missed 10 or more days of school.
- If a student misses more than 15 days of school, a Stage 3 letter will be sent home.

**Based on School Board Policy (Reg.5140.1),** the school may report to the county attorney when a collaborative plan involving the school, guardian, and student to reduce barriers to improve regular attendance has not been successful, and the student has accumulated more than twenty (20) absences per year. Absence codes that make up the excessive absences include:

- IL - Illness
- PA - Parent Acknowledged
- TR - Truant

Bullying

If you feel your child is being bullied by peers, please contact your child’s teacher or the building principal, Lynn Fuller. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

• Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.

• Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.

• Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, an administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District’s Second Step program.

Communication Methods

In order to provide safety for walkers and riders, the following rules need to be followed. Parents are encouraged to plan with their children the shortest and safest route to school.

- Students should cross streets using the proper crosswalks as indicated by double white lines on the pavement.
- Parents should instruct their children to cross at corners or areas where school crossing signs are erected.
- Parents may park on the north side of the crosswalk or south of the drop-off zone in the Coddington traffic loop to walk students into the building.
- The parking lot is not a place for students to walk.

Language
Students at Roper Elementary are expected to show respect to one another. Disciplinary action will be taken if a student uses inappropriate language at school.

Trips or Excursions
All students will be transported by bus or walk if a field trip is in the surrounding neighborhood. A field trip parent/guardian approval form is located on the back of the census form. Each student will receive a census form in the LPS Important Information Packet before school starts. This form will need to be signed and returned the first day of school.

Attendance at lessons, rehearsals and concerts is required. The school provides books and music, however the instruments are not provided.

Parking or Waiting
Please do not force children into an unsafe situation.

Student Use of Telephone
Students are discouraged from bringing cell phones to school.

Cell phones seen or heard can be considered nuisance items and confiscated.

Students may use the telephone in either office in case of an emergency or to communicate important information as determined by the office staff or the principal. Students will not be allowed to use the phone to arrange afterschool play dates or to change afterschool plans without permission to do so.

Telephone Messages
Telephone messages for your child will be relayed to your child only if an emergency exists. Classroom instruction is a priority. Parents needing to speak with their child’s teacher may leave a message.

**Items from Home to School**

Please leave play items and items that may distract from learning at home. Only school supplies, forms to be returned to school, and schoolwork should be brought to school.

**ELL (English Language Learners)**

ELL services provide assistance to students with limited English skills to function in the regular English-speaking classroom, to develop proficiency in reading, writing, speaking, and listening in English, and to develop knowledge about the customs and culture of the school, community, and nation.

**Textbook and Material Fines**

It is the responsibility of each student to give proper care to instructional equipment, materials and supplies. Where carelessness leads to destruction or loss of equipment or materials beyond normal use, the student and parent should make appropriate payments.

**Releasing Students**

For the safety of students, parents/guardians must come to the office when picking up their child before the regular dismissal time. Office staff will contact the classroom teacher and the student will be sent to the office after parents/guardians have arrived.

**Kindergarten Registration**

Each spring, LPS holds two days of kindergarten registration. This registration is not a student orientation; it is simply to gather information. Registration is held at the school your child will attend. Families who wish to have their child enroll in an LPS school outside the assigned attendance area should submit a Special Attendance Permit, which is available at all schools. Permits are approved based on space available.

The Nebraska Legislature has changed the law governing when children begin kindergarten in public schools. Students may enter kindergarten if they turn five years of age on or before July 31.

*However, if your child was born between August 1 & October 15, he/she is eligible to participate in a free assessment conducted by Lincoln Public Schools to determine early entrance to kindergarten.

**LPS Parent Center**

Welcome to the Lincoln Public Schools Parent Center. Check it out!

http://www.lps.org/parents/

This selection of information is designed to meet the needs of LPS families, providing current information about services, resources, data and news of interest to parents.

**Communicating Student Progress**

Lincoln Board of Education states (Policy 6570) that “student progress will be reported formally to parents/guardians at least four times each year.” Information about elementary student progress is reported in four areas.

1. Progress through district curriculum objectives
2. Performance in assigned curriculum level
3. Effort
4. Use of effective learning or study skills

Parent-Teacher conferences are scheduled twice a year. Please consult the Roper School Calendar for Parent-Teacher conference dates. Parents with immediate questions about their child's academic progress are encouraged to contact the teacher at any time.

**Boundary**

It is important that as a parent you have a generic picture of Roper’s boundaries. If you are concerned about a specific address please call the office: 436-1170, or go to the LPS web page @ www.lps.org and click on Home School Look Up. Currently the boundaries are A Street on the north; West Bypass on the east.

Guidelines for the Dismissal of Students with Health Concerns

- The student with a temperature of 100 degrees or more
- The student with an undiagnosed rash. (Exception: If the student is taken to a physician, he/she may be readmitted with the doctor’s written permission stating the rash is not contagious.)
- Other conditions, which may warrant a student being sent home, include: inflamed red eyes and/or drainage, vomiting and/or diarrhea, frequent persistent coughs, earache and/or drainage from the ear, questionable illness or injuries which may require evaluation by a physician, sores that appear infected or are draining, and any other possible communicable condition.

No Student will be sent home until a parent or emergency contact has been notified.

Medical and Dental Appointments on School Time

Students are granted approved absences from school in order to keep medical and dental appointments during school hours. However, with Roper’s early dismissal we encourage these appointments be made after school hours.

Dental Inspections

Dentists recommended by the Lincoln District Dental Society and approved by the board of education perform dental inspections in the school. Students presenting a dental report form signed by their own dentist will be excused from the annual dental inspection.

Fund-A-Need

Fund-A-Need — is an award winning online program designed to help students and staff in Lincoln Public Schools. The program allows teachers and schools the avenue to post innovative educational ideas and classroom needs as a “proposal” for the community to view.

Proposals are approved by principals, submitted to the Foundation, and posted online. Donors may choose from the online list and make a tax-deductible donation to fund these classroom needs. Individuals who support a proposal will receive information about the activity from the teacher and students touched by the gift and a receipt from the Foundation as a record for the IRS.

TRAFFIC FLOW/PARKING

Please follow these directives to alleviate traffic congestion at these busy times:

- Consider drop-off or pick-up points away from Roper in surrounding neighborhoods. Please be courteous to our neighbors. Do not block driveways or mailboxes. Students must use crosswalks.
- If you choose to park in the school’s parking lot, please do not block cars that are parked in parking. Once you find a legal place to park, please walk your child to the building for their safety.
- Do not double-park in the loops.
- Do not encourage students to pass between cars when being picked up or dropped off. Always pull over to the curb before allowing your child out of the car.
- Do not park in a handicapped parking space unless you have a registered parking permit or license plate. This includes drop-off and pick-up. Do not use Handicap stalls unless you have a visible permit.
- Preference for handicapped spaces will be given to staff and students who need the spaces.

PLEASE NOTE: All procedures, guidelines and dates outlined in these documents are subject to change, based on recommendations and health directives put into place by the Lincoln Lancaster County Health Department (LLCHD) and the Nebraska Department of Education.
