Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

Vehicle Pick-Up *continued...*

Grades 4 and 5

Students will use the sidewalk connecting to the neighborhood. Parents picking up students will meet them along NW 51st, W. Superior St. or NW 50th St.

Families with more than one child

Meet as family groups in the location where the youngest child in the family is dismissed.

Parks & Rec After School Program or Club Participants

Remain in the building and go directly to the location of their activity.

Students walking or biking

Pre-school students and other students who qualify for bussing

Will be escorted by staff to bus loading zone on the North side of the building.

- No parking will be allowed in the North and South loops during dismissal. These spaces will be used for loading students only. It will be important for vehicles to load and leave the pick-up loops as quickly as possible so other vehicles can enter and pick up students.
- The Northeast parking lot is visitor/public parking. The Northwest parking lot is reserved to staff members. Parent will not be allowed to use the staff parking lot for student pickup.

STOPPING ON NW 48TH IS NOT ALLOWED. Therefore, if traffic becomes stacked up on either W Cuming or Mike Scholl, parents are highly encouraged to turn East of NW 48th at W Cuming (toward Bowling Lake) and circle back around.

Attendance and Tardies

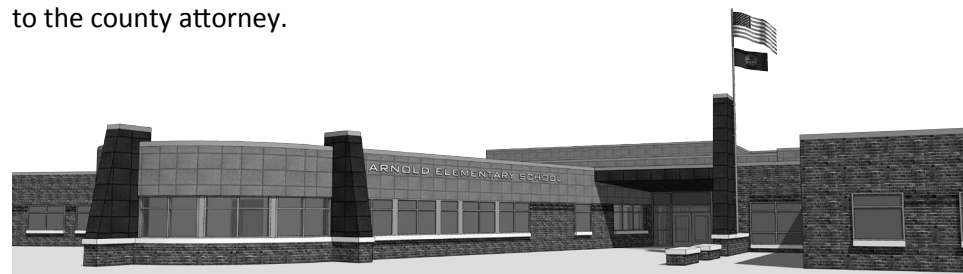

Based on School Board Policy (Reg. 5140.1), the school may report to the county attorney when a collaborative plan involving the school, guardian, and student to reduce barriers to improve regular attendance has not been successful and the student has accumulated more than twenty (20) absences per year. Absence codes that make up the excessive absences include: IL-Illness PA-Parent Acknowledged TR-Truant

It is our goal to have every student in school as many school days as possible, and to work with parents and guardians to help student understand the importance of being in school. When a student is absent from class for any reason, it becomes more difficult for the student to master the content of the course. Therefore, it is important that absences be eliminated or kept to a minimum. Equivalent experiences for students who miss class are difficult and sometime impossible to recreate. It is the responsibility of the student to make up work which has been missed because of any absence. The school staff will support the student's initiative to make up work missed.

If your child is unable to attend school, a telephone call to the school office is requested. A note from home is appreciated when your child returns to school. An absence which neither the parent nor the school condones, or is not called in, will be recorded as truancy. This will be subject to disciplinary action at the discretion of the principal.

If a student is excessively absent, 5+ days, an administrator will send a written notice home. If a student is absent 10 days a second notice will be sent and staff member will call home to discuss a plan to improve attendance. If a student is absent 15 days a third notice will be sent and an administrator will call to schedule a meeting. If absences exceed 20 days the administrator will file a report with the county attorney.

Students are considered tardy if they are not in the building at the 9:00 a.m. bell. Excessive tardies may result in a meeting with administration or a referral to the county attorney.

Outstanding Attendance and Perfect Attendance

Students having exemplary attendance will be recognized each quarter with an Outstanding Attendance Award. To receive an attendance award a student may have no absences; one absence and one tardy; or any combination of these criteria. Attendance assemblies are held for distribution of the certificates and recognize the recipients. Parents and friends are invited to attend and show support for a job well done by students. Students with no absences or tardies (excused or unexcused) during the entire year are recognized for perfect attendance.

Lunch/Breakfast Program

Both breakfast and hot lunch will be served at school. Breakfast is served from 8:20 a.m. to 8:45 a.m.

LPS uses a computerized cash register system. Parents may deposit money into their student's personal account online. When food is purchased the computer subtracts the cost from the student's balance. Any amount of money may be deposited at any given time. Cash may also be used to pay for food. To access their account at meal time each student has their own SNAP number to enter on a pin pad. Students must not lend their SNAP number to other students. Parents will be notified when a student's account gets low.

Lunch Account Balances

Should a child forget his/her hot lunch money or the student runs out of money in their account, the child will be borrowing for their hot lunch. This has become a serious problem in the past and we really need parental support to keep lunch accounts with a positive balance.

Children from low income families may be eligible for free or reduced price meals. If you feel your family qualifies, please come to the Arnold School office to fill out an online application. You can find how to access this online form in the Important Information Booklet. New applications need to be completed each school year.

General Information

Custodial/Non-Custodial Parents

It is Lincoln Public Schools policy to foster and facilitate parental information about, and involvement in, the education of their children. Divorced and separated parents maintain all parental rights with their children unless altered by a court order.

If parental rights have been changed, the school office must have access to a copy of the court order stipulating those changes. School officials will follow the directives stated in the order and in other directives regarding access to the child as provided by the parent having legal custody.

Lost Items

Names on jackets, lunch boxes, etc. improve chances for lost articles to be returned to the owners. Lost and found items are not free for the taking. They do belong to someone. Encourage your child to check periodically for an article they may have lost. Articles not claimed at the end of each semester are donated to a worthy cause.

School Telephone Use

Students will be permitted to call home regarding school matters with permission from their classroom teacher or office staff. However, students need to make social arrangements for after-school activities with a friend before leaving home in the morning.

Office Information

Enrollment

A student enrolling for the first time in Lincoln Public Schools must present a certified copy of a birth certificate. The requirement for a certified copy was implemented in 1990 with the passage of new state legislation to help track missing children. The document given to parents from the hospital at the time a child is born looks like a birth certificate, but it is not a certified copy, which has the raised seal of the state of Nebraska and the signature of the director of vital statistics. If you need to obtain a certified copy of the certificate, contact the Nebraska Bureau of Vital Statistics, P.O. Box 95007, Lincoln, NE 68509.

Needed Updates

It is important that we have some way to contact each parent or other responsible adult. It is also important that our records have up-to-date information for the benefit of your child.

For information about the management of specific health concerns in the school setting, parents are encouraged to contact the school nurse.

If an emergency or illness does take place during the school hours every attempt will be made to contact you or those you have indicated we should contact.

Care of Property

It is the responsibility of each student to give proper care to all books, instructional equipment, materials, supplies, and furniture supplied by the school. Where carelessness leads to destruction or loss of equipment or materials beyond normal use, the student and parent will be requested to make appropriate payments for the damage done.

All procedures, guidelines and dates outlined in these documents are subject to change, based on recommendations and directives issued by the Nebraska Department of Education, the Lincoln Lancaster County Health Department (LLCHD), or other governing body.

BULLYING

If you feel that your child is being bullied by peers, please contact your child's teacher or the building principal, Jodi Frager. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- **Imbalance of Power:** Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- **Repetition:** Bullying behaviors happen more than once or have the potential to happen more than once.
- **Hurtful aggressive physical and/or verbal behavior.**

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.
