**Academic Integrity**

Lincoln Southwest is committed to reinforcing high academic standards. Core values of diligence, civility, and honesty demonstrate academic integrity.

**Due Process Procedure**

Any work that violates the rights of another in academic work or that involves misrepresentation of a student’s work is considered dishonest.

1. The teacher and student will conference. The teacher may write a discipline referral.
2. Teacher calls and informs parents/guardians.
3. Administrator may meet with the student to process the incident and determine consequence(s).
4. Teacher and administrator will determine if the student will be expected to complete an alternative assignment / form of the assessment for full, partial, or no credit.
5. One instance of academic dishonesty may mean possible exclusion/dismissal from National Honor Society.
6. In the case of multiple events, additional and more severe consequences will follow (i.e. possible exclusion from the academic honors, additional disciplinary action, etc.)

CONTEXT AND DEFINITIONS

Cheating - Using or attempting to use unauthorized materials, information, or study aids to gain an unfair advantage over other students in any academic exercise. Examples include using notes/cell phones to obtain materials or talking during a test or exam; copying from another student’s homework, class work, test, or quiz; and receiving information between exams in multiple sections of a course.

Plagiarism - Representing the words or ideas of another as one’s own in any academic exercise. Examples include failing to enclose a direct quotation from a reference source in quotation marks or paraphrasing the words or ideas of another person without proper citation or documentation.

Fabrication - Falsifying or inventing information or citations in an academic exercise. Examples include making up fake statistics for an essay or padding a works cited page with references not cited in the text.

Forgery - Imitating or counterfeiting of images, documents, signatures, and the like.

Multiple Submissions - Submitting the same assignment in two or more courses without the prior permission of the respective instructors. Examples include using the same (or essentially the same) term paper/essay/speech in two classes without obtaining both instructors’ permission.

Misuse of Materials - Abuse or unauthorized removal of academic materials from the classroom, library, or any other campus location. Examples include removing the pages from a book or magazine in the library, taking a book from the library without checking it out, taking pictures of academic materials with a cell phone, or stealing an exam from a faculty member’s office or desk.

Misrepresentation - Presenting false excuses or using deception to receive a higher grade or to avoid fulfilling the specific requirements of an assignment or course. Examples include giving a false excuse to miss a test, or obtaining unauthorized help from another student on a take-home exam.

Electronic Device Misuse - Disruptive, unethical, or illegal use of any electronic device, including any actions which violate the school’s rule and regulations. Examples include, but are not limited to: any unauthorized sharing of any test/quiz materials, storing notes on the cell phone/electronic device or calculator, sending text messages with questions, answers, or pop quiz warnings.

Facilitation of Academic Dishonesty - Helping another student to violate any of these provisions. Examples include allowing a student to copy from your paper on homework, class work, or during an exam; informing another student of the contents of an exam before he/she takes it; writing a paper for another student who subsequently submits it for course credit; and transmitting a false excuse for another student to a faculty member.

LINCOLN SOUTHWEST ATTENDANCE POLICIES

Regular attendance is vital for students to succeed in school. It is an important habit for teenagers to develop as most teens will soon have jobs and find their employer expects them to be at work every day. School attendance is so important that Nebraska law requires all children to attend school until the age of 18. When children are frequently absent from school, Nebraska law holds parents/guardians accountable. Nebraska law now requires schools inform the county attorney of every student who is absent 20 or more days, or the block equivalent, regardless of the reason. Following are the three attendance absence codes that the county attorney counts against you when absent from school: Illness (IL), Parental Acknowledged (PA), and Truancy (TR). If a student sees a medical provider (appointment or documented illness or procedure) and brings a note from the provider to the attendance office, then the absence will be coded Medical Documentation (MD), and does not count in the absences noted toward the county attorney referral. However, these absences still count against a perfect attendance award.

An electronic parent portal is used to record and share student information with parents and students. With this system, families are able to view attendance, grades, and assignments online. This information is live and can be accessed by parents any time they choose or by setting parameters for information to be sent to them on a regular basis.

To help us be as accurate as possible in reporting attendance, parents may report full day absences via ParentVue. If you call to report your student’s absence please include the following: (1) student name- please spell last name, (2) ID#, (3) how long (clock time) you expect them to be absent, and (4) reason that they are absent. Communication should occur with the attendance office and teachers prior to any planned school absence. When a student leaves the building prior to the end of school or comes to the building after the school day has begun due to appointments, he/she should check in/out through the attendance office with applicable documentation.

For more information on LPS Attendance Policies, please see the LPS Important Information Booklet.
LINCOLN SOUTHWEST TARDY POLICY

TARDY – If a student is not in the room when the bell rings.

1st Tardy - teacher intervention

2nd Tardy - student behavior intervention plan and contact home (conference with teacher/parent)

3rd Tardy - assigned to lunch detention

4th Tardy - assigned to lunch detention

5th Tardy - administrative referral (alpha)

• PLEASE notice there are no parent excused tardies.
• If the student is a no-show or late to lunch detention, the student will then be assigned 2 lunch detentions. The 5th tardy will result in a referral to their administrator. Failure to complete lunch detention may result in administrative consequences or suspension.
• Students who come to class late without a pass will be marked tardy. If the teacher previously marked the student TR then that will need to be changed to TD (by the teacher).
• Students who come into school late from doctor’s appointments, court, etc. with documentation from the doctor’s office, court, etc. should sign-in at the attendance office. (Documentation must be provided or student will be marked tardy) All other students who are tardy should go directly to the classroom and sign-in there.
• When leaving the building early for any reason (except early dismissal for activities), please sign-out in the attendance office.

MAKE UP WORK

Students with excused absences are responsible to take the initiative to make up missed schoolwork. Teachers will allow a 2-day make up time for each day missed. Students leaving school for a school-sponsored event must make arrangements with their teachers prior to the absence.

Make up work may be requested when a student has been absent for 2 or more days. Our online grading & attendance system is also a great way for students & their families to keep current with student work and attendance.

CELL PHONE EXPECTATIONS

Placing cell phones in a designated area as students enter each classroom is a new school-wide expectation at Southwest. Teachers will direct students if there is an appropriate time to access their phones. Students who are using a cell phone during class time without teacher permission may receive disciplinary consequences. LSW and LPS are not responsible for lost, stolen, or damaged items and encourage students to leave devices in their lockers, cars, or at home.
COUNSELING CENTER INFORMATION

Check the Counseling webpage for current Counseling Center information.

Students who need counselor recommendation letters should complete a request for a letter of recommendation at least two weeks prior to the date that the letter must be mailed and provide a stamped, addressed envelope.

Parents are encouraged to call for an appointment with counselors to ensure counselor availability.

Students that retake a course to raise a grade must see their counselor and complete a Retaking a Class to Raise a Grade form. The course that is retaken must be the same as the original course in order for the grade to be changed.

Students may choose to receive a grade of satisfactory (S) or unsatisfactory (U) instead of a letter grade. Students must complete a Pass/Fail form that must be signed by the student, teacher, parent, and counselor. This form must be turned in by the specified deadline. Students may only have 5 credits of Pass/Fail per term with a total of 30 credits between grades 9-12.

OBTAINING STUDENT TRANSCRIPTS

Students must request their transcript from the registrar’s office. If a student is under 18, a parent must complete a transcript release form requesting the transcript. Transcripts will be available for pick up on the next business day. Official transcripts are signed by the registrar and placed in a sealed envelope.

SCHEDULE CHANGE PROCEDURE

Before the Start of the Quarter:

1. Students are expected to select classes carefully during registration sessions in order to minimize the need for schedule changes.

2. All students will receive their schedules prior to the start of the next school year. Students will be enrolled in the courses that will meet high school graduation requirements.

3. If there is a problem with class schedules in the upcoming quarter, please see the counselor prior to the end of the current quarter.

After the Start of the Quarter:

1. Schedules that are incomplete or incorrect due to failures or students not meeting graduation demonstration requirements will be changed at the beginning of each quarter.

2. During days 1 and 2 of each quarter, students requesting a schedule change will need to see a counselor. Counseling Center staff will review requests and may consult with administrators when questions arise.

3. New classes cannot be added after the 3rd day of the quarter. Students may request to drop a class only for extenuating circumstances. Dropping a class can negatively affect class rank and future academic plans.

4. Please reference the “Athletic and Activities Participation” section on page 7 for NSAA eligibility requirements.

5. Students must attend the class in which they are enrolled unless and until they have been notified that a schedule change has been approved. Students who do not attend their scheduled class will be marked truant. Truancies will not be removed from the student’s attendance record.

MULTI-TIERED SYSTEMS OF SUPPORT- BEHAVIOR (MTSS-B)

MTSS-B is a research-based framework for proactively teaching and supporting positive behaviors for ALL students. This school-wide approach to discipline focuses on building a safe and positive environment in which all students can achieve social, emotional, and academic success. The benefits of implementing MTSS-B include:

- fewer behavior issues
- increased time engaged in learning
- improved school climate

While MTSS-B is used district wide in Lincoln Public Schools, Lincoln Southwest has developed unique school wide expectations. We refer to these expectations as S.O.A.R.

MTSS-B includes tiers of support for students.

Tier 1: Expectations and Supports for ALL Students
Tier 2: Supports for SOME Students
Tier 3: Supports for a FEW Students

GUIDELINES FOR SUCCESS- S.O.A.R.

Safe
Open-Minded
Accountable
Respectful

Students are responsible for conducting themselves in a manner that will create safe and positive opportunities for them at Southwest High School. S.O.A.R outlines what this acceptable behavior looks like throughout the school building.

MTSS-B IN ACTION AT LSW

The following list outlines some of the MTSS-B initiatives that are taking place at LSW:

1. Students at LSW have the opportunity to be acknowledged for displaying positive acts and following school wide expectations.
2. LSW expectations for success (S.O.A.R.) are posted in both classrooms and non-classroom settings.
3. LSW expectations for success are taught and retaught throughout the school year.
4. Interventions and supports are developed and offered to students based on a systematic review of a wide variety of student performance data.

LINCOLN PUBLIC SCHOOLS

RESPONSIBILITIES OF STUDENTS (Revised 5/2014)

In order to function properly, public school education must provide an equal learning opportunity for all students. In addition to the regular curriculum, good citizenship must be taught and demonstrated. This includes an appreciation for the rights of others.

For the complete LPS Responsibilities of Students, please see the LPS Important Information Booklet on the LPS website.
CALENDAR OF EVENTS

Please check the LSW website for all scheduled events at:
http://lsw.lps.org/
Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.
