Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

TRAFFIC MAP

This traffic flow pattern was designed in conjunction with the City of Lincoln traffic engineers to provide the greatest level of safety for students. It provides drop-off locations on the school side of the street. We realize that following the pattern may not always be the fastest way of picking up or dropping off a child, but it will be the safest way. Please **DO NOT** drop off and pick up students in the roundabouts.

Weather and School Closings

The decision to close schools due to extreme weather is normally made before 6:00 a.m. Parents will be notified through the LPS phone system regarding emergency closings. Local radio and television stations are notified. Generally, school will not be dismissed once it is in session. Parents who so desire may come to the school to pick children up in inclement weather at any time during the day.

The ultimate decision as to whether a child will attend school rests with the parent.

Please know we will do our best to keep your child safe during severe weather. This means:

~ If sirens sound, students will be sent to safe shelters.

~ **Students will be kept in shelters until the tornado warning expires – even if means after dismissal time.**

~ According to the LPS Important Information Booklet , **parents should NOT attempt to come to school during a tornado warning.** School officials are **NOT** permitted to release students from the school building during a tornado warning.

Absences

Students are expected to attend school daily. If students will be absent, parents are asked to call the office each day at 402-436-1225 to report the absence. All student absences need to be reported to the office. If no call is received, the school will call to confirm the absence. If no contact is made, students should bring a written note to the office the day they return to school. Full day absences can also be entered in ParentVUE.

When a student has excessive absences, school officials will have verbal or written communication with the person or persons who have legal custody of the student.

When a student continues thereafter to have absences which are Not School Excused and the absences are of concern due to the effect of the absences on the student's academics, the student's attendance history, the time of the school year, the reasons for the absences or other circumstances, one or more meetings will be held between the school (a school attendance officer, a school social worker and/or a school administrator or his or her designee), the child's parent or guardian and the child, when appropriate, to address the barriers to attendance. The result of the meeting or meetings shall be to develop a collaborative plan to reduce barriers identified to improve regular attendance. **After 20 days of absences the school, at their discretion, may refer the student to the County Attorney.**

Absences and tardies may be reported 24 hours any day by calling 402-436-1225 or submitting online attendance through ParentVue.

Tardy Policy

Students are expected to be on time for all classes and school activities. If a student arrives at school after the 8:00 a.m. starting time, he/she needs to report to the office for a tardy admission.

Homework Requests

Students should check their Google classroom for assignments if they are absent due to illness, travel etc. Parent/guardians and students can also reach out to teachers and counselors via email for assistance in getting caught up with school work due to absences.

Passes

Students need to have passes when they are out of class during class time. Passes to enter the classroom before 7:50 a.m. must be obtained from the teacher the day before so students may enter the classrooms the following morning. Should a student "NEED" to see his/her teacher before school starts they will need to come to the office to get a pass. Students must have a pass AND check out in the main office if leaving for any reason prior to dismissal time.

Messages and Items Dropped Off

Phone messages are delivered twice a day-once in the morning and once in the afternoon. Please try to limit messages sent to students. If students call home to have items brought in, it will be their responsibility to come to the office and pick them up. They may check for items between class periods or stop by during their lunch period. **If you need to contact your student during the day please call the main office instead of texting or calling their cell phone.**

Telephone/Cell Phones

Cell Phones and Electronic Devices

PLEASE NOTE:

Due to the increasing number of problems (thefts, losses, damage and inappropriate use), personal electronic devices (ipads, Kindles, etc.) are not allowed in the school building at any time. Please leave these items at home. Students seen using these devices during the school day will have these items collected and brought to the main office. These items will only be returned to a parent or guardian. Moore Middle School and Lincoln Public Schools are not responsible if these items are lost, stolen or damaged.

PLEASE NOTE:

Due to the abuse, misuse and inappropriate use of cell phones and Apple Watches by students the following rules have been put in place. It is hoped that these rules will provide a reduction in the number of disciplinary actions resulting from phone misuse and a reduction in lost instructional and administrative time.

At no time, under any circumstances, are students supposed to use cell phones in the building during the school day. If a student must bring a cell phone with them to school it is to be turned off upon entry to the building and remain in their locker TURNED OFF during the entire day. Students may only use their cell phones prior to the 7:53 AM bell and after the 3:00 PM bell.

Students are not to carry a cell phone with them during the day. Students who are seen using a cell phone after the start of the school day will have their phone collected by a staff member and brought to the main office. A third offense will result in a daily plan made by the administration team.

Continued violations may result in additional consequences. Moore Middle School and Lincoln Public Schools are not responsible if these items are lost, stolen or damaged.

We understand that parents or guardians may need to contact their child during the school day. If such a situation arises, parents or guardians may contact the main office at 402-436-1225. Messages will be delivered directly to the student. If a student needs to speak directly with a parent or guardian during the school day, they will be allowed to use a school phone to do so.

All students have access to a phone in the office to call parents or return messages.

Lost and Found

Our lost and found area is located by the starwell next to the Media Center. Unlabeled items which are not claimed are donated to a worthy cause at the end of each quarter. Please label items if possible. Encourage your child to check for lost items.

Fines

Students are responsible for any checked out materials, locks, textbooks, and Chromebooks etc. Students are also responsible for any fines due to damage or misuse of computers. Fines can be paid online in ParentVUE with an active My School Bucks account (<https://www.myschoolbucks.com/>)

Lockers and Locks

Lockers will be assigned by the office. Students are expected to use the assigned locker and not share or change lockers with any other student for the entire school year. Students are responsible for the cost of locks if they are lost, stolen, or damaged. The replacement cost is \$5.00. Students are also responsible for any damage to the locker itself (for example, physical damage or use of tape, magic markers, etc.; on or inside the locker).

The locker and lock are the property of the school district. A locker may be opened for inspection at any time there is any question as to improper use of the locker. Any inappropriate items found in a locker are considered to be in possession of the person assigned to that locker and disciplinary actions may occur. These guidelines also apply to lockers assigned in locker rooms. Lincoln Public Schools does not provide insurance for personal items. Please do not bring large amounts of money or other valuable items to school. Lincoln Public Schools is not responsible for lost or stolen articles. This includes air pods, Game Boys, iPods, and cell phones.

****PLEASE NOTE:** Students may not use large bags to carry books and supplies to classes. Classrooms become overcrowded when large bags are brought to class making it difficult for teachers to assist individual students. Please encourage your student to leave ALL unnecessary items in lockers. Students are also reminded that nuisance items such as fidgets, iPods, etc., are not allowed during school hours and should be left at home. Theft from lockers is always a possibility. Most thefts happen when lockers are left unlocked or when a student shares their combination with others. Be sure to lock your locker and keep your combination private - you won't be sorry!

School Cafeteria

All middle level schools in Lincoln have a closed campus for lunch. Students have thirty minutes for lunch/recess. They may bring their lunch from home, buy a regular school meal, or buy "a la carte" items. Meal prices for Middle School 2022-2023 are as follows: Full Price Lunch \$2.70 Reduced Price Lunch .40 Full Price Breakfast \$1.50 Reduced Breakfast .30.

After eating, students are permitted to be outside in designated areas until the next class. Activity areas are supervised by the staff. Students are not permitted to take food or beverage items either purchased from school or brought from home out of the cafeteria.

We discourage students from leaving school for lunch. Parents or older siblings who have graduated from high school may take their student to lunch but the office must be notified by a legal guardian in advance. Friends of that student are not allowed to accompany the student regardless if permission has been given by their parents. If students return after their normal lunch period, they are still responsible for any missing work. **Parents are allowed to provide lunch for their student ONLY. Lunch CANNOT be brought in for other students or groups. Lunch CANNOT be delivered from an outside establishment (Jimmy Johns, Grub Hub, etc) for a student.**

This is in violation of federal lunch guidelines.

Wellness guidelines: As part of the LPS/Moore Middle School Wellness Plan, **parents cannot bring food or treats to school for students other than their own student unless connected to a class assignment.** We are trying to encourage healthy eating for all of our students including our healthy lunch choices in our cafeteria.

Lunch/SNAP

_School Nutrition Accountability Program

Students may participate in the Lincoln Public Schools lunch program by using their SNAP I.D. numbers. Students will enter this number or scan their badge provided on a numeric keypad at the cash register. This number will identify the student on the cash register by their first name and access their account for payment.

Money can be placed in the student's account three ways, 1. For school lunch meals only 2. For school lunch meals and a la carte food items; 3. For cash only to be spent as the student wishes for lunch items. Any amount of money may be deposited to the student's account (from \$4.00-\$200.00). Parents can be assured that the money will be spent only on lunch food.

The cash register will show a zero amount due as long as there is money in the account when needed. This will apply to free lunches, reduced price lunches, or a paid meal. As the student's account is depleted, it will show on the cash register screen and the cashier will tell the student they will need to deposit more money. Please remember to write on the check or piece of paper how the money is to be deposited to the student's account. If it is not specified money will go for cash so the student can buy both a school lunch and a la carte foods (dessert, juice, etc.). If money is put in a student's account for school lunches only and they have a snack item, the cash register will show they owe \$.50 and the student would need to pay that amount. If the student brings cash daily to pay for his/her lunch, it will be accepted. Money can be deposited into a student's account in the cafeteria before school or online.

Please feel free to call the cafeteria manager at 402-436-1225 option 5 or the Director of Nutrition Services at 402-436-1742 with questions or concerns.

PLEASE REMIND YOUR STUDENT THAT THE SCHOOL DOES NOT LOAN MONEY FOR LUNCH

Student Health Policies

Health Office: the health technician and/or nurse are available for accidents, illness, medical advice, health screening, referral, and classroom resources.

Lincoln Public Schools recognizes the importance of preventing food allergy exposures and the goal will be to follow the "Guidelines for Managing Students with Food Allergies and Other dietary Needs". The district does not have control over all food products that come into a building. Even manufactures that have previously been allergen free may change the ingredients at any time and without notice.

These guidelines were adapted from information reviewed from the National Association of Secondary School Principals; the National Association of School Nurses; the Food Allergy and Anaphylaxis Network; The American Academy of Pediatrics; and the National School Boards Association.

Additionally, in order to ensure adequate communication between health services staff and food service/nutrition staff, please provide adequate information outlining your child's restrictions.

Hypersensitivities:

1. Food Allergy: Any allergy dietary restriction which would require a doctor's note to be treated at school.
2. Food Intolerance: Food restrictions based upon religious preferences, e.g. no pork, beef, etc.; Vegetarian; Other sensitivities; Lactose Intolerance that is for a beverage substitute only or texture modifications.

The complete guidelines can be found on the LPS website.

In case of emergency, can we reach you by telephone? Please be sure the school has your telephone number.

Student Medications: All medications to be administered at school must have a signed parent consent form and a current prescription, if it must be given during school hours. Over the counter medications can only be given with a written physician's order and signed parent consent. Medications are stored in the health office. Parents are encouraged to adjust the time of medication administrations so that a dose at school can be avoided, if possible. Please contact the school nurse if you have any questions or if your child has special needs.

Physical Education and Health Office Guidelines on Physical Participation

1. All physical education excuses need to be in writing and brought to the Health Office before school starts in the morning.
2. A parent may excuse their child from physical education (in writing) for up to 3 days for an injury or illness. A physical education excuse longer than 3 days requires a note from a doctor.
3. If a student has been excused from physical education a total of 5 days during the semester, a doctor's note is advised.
4. All physical education students, even those excused from physical participation, are required to be under the supervision of the physical education teacher. The student(s) must remain with the class unless other arrangements have been made.

Immunizations and Physical Examinations

Intramural Athletics

Moore Middle School offers a full year of after school intramural, co-curricular athletics- soccer, volleyball, cross country, girls and boys basketball, wrestling and track. Students should listen to the daily announcements to learn the dates of seasons and practices. Intramural athletics are for 7th and 8th grade students.

All students are expected to follow these guidelines for participation.

GOOD SPORTSMANSHIP IS THE EXPECTATION OF ALL MOORE MIDDLE SCHOOL ATHLETES AT ALL TIMES.

- As a student/athlete, the school work comes before athletics. Students involved in intramurals are expected to maintain their academic work and take care of their classroom responsibilities first.
- All athletes are expected to abide by LPSDO student rules as outlined in the Responsibilities of Students Code.
- Unsportsmanlike conduct at practices, games, toward teammates, referees, coaches or other teams may result in removal from practices, competitions, loss of participation for the season or loss of eligibility for the remainder of the year.
- Students should come to practice to learn skills and have fun.
- Students should notify their coach if they cannot attend a practice.
- Students should report to practice by 3:05 p.m. and be dressed for practice by 3:10 p.m.

- Students should have a pass from a teacher if they are going to be late for practice.
- Students should plan to walk home or have their ride pick them up as soon as practice is over. Students must leave the campus when practice is over.
- Students who are suspended out of school may not participate in intramurals or other activities while they are on suspension. Students on out-of-school suspension on Friday may not participate in Saturday activities.
- Students on in-school supervision can participate in intramural activities after they have returned to their classes.
- Students will use Moore intramural t-shirts during competitions. These must be returned to the Moore intramural program. T-shirts that are lost or not returned will be replaced by the student at their cost.
- Students should bring everything they need to practice. Students will not be able to enter the main part of the building after hours. Students should follow the directions of the coach as to where to store their items.
- Practice is for athletes only. Friends and family members may not observe practice. Parents should wait in their cars for their students.
- There is no transportation provided to intramural events by LPS.
- Intramural athletic events are held on Saturday mornings at various middle schools and high schools in Lincoln.

MULTI-TIERED SYSTEMS OF SUPPORT FOR BEHAVIOR (MTSS-B) IN THE LINCOLN PUBLIC SCHOOLS

Lincoln Public Schools uses a multi-tiered system of support for behavior (MTSS-B) for teaching procedures and techniques designed to help improve behavior. It involves procedures at the school-wide, classroom, and individual student levels. The purpose of a district-wide MTSS-B is to establish a climate in which appropriate behavior is the norm. Introducing, modeling, and reinforcing positive social behavior is an important step of a student's educational experience. Teaching behavioral expectations and then recognizing students for following our expectations is a core component of MTSS-B.

Reporting to Parents

Moore Middle School and Lincoln Public Schools now use an online grade book called Synergy. This portal will provide you access to all your students' assignments, attendance, and grades in all classes. Advanced features include the ability for you to set up email alerts based on attendance and student performance. If you have more than one student at Moore, you will be able to access all of them via a family access code. Individual students will use their own access code to view only their information. The emphasis with Synergy is for parents to set up their own time lines and parameters for reports

being sent directly to their email accounts. Students are assigned grades from “A” to “F” with a grade of “A” representing outstanding achievement and “F” being defined as unsatisfactory work. Students also receive grades for Work Study Habits and Social/Behavioral Skills. These areas are graded Commendable, Satisfactory, or Needs Improvement. These are also important parts of a student’s grade.

Students are graded on nine week quarters and receive report cards at the end of each quarter. All report cards and mid-quarter progress reports will be available for viewing through ParentVue. Mid-quarter reports indicate the areas of excellence or the need for improvement for some students. Report cards include information about grades, work study habits, conduct, and comments from the teachers. Any questions concerning grades can be answered at first and third quarter parent-teacher conferences or upon request.

Grading System

In LPS, our goal is to effectively and consistently communicate academic progress with students and parents/guardians. In order to meet this goal, LPS developed these guidelines for calculating, entering, and communicating grades. These guidelines are meant to help students and parents/guardians interpret student grades in useful ways.

Teachers, school administrators, and district curriculum specialists work together to determine how to grade and communicate students’ learning. This document describes grading practices that are common (standardized) across instruction in secondary schools. Curriculum specialists and others may provide more specific advice for teachers in other documents (i.e., curriculum specialists provide grading templates for teachers in each curriculum area via Synergy gradebook). Ultimately, teachers design classroom assessment systems to do two things:

- Emphasize the importance of practice and using feedback (formative assessment processes), and
- Provide grades that clearly communicate student achievement on LPS content/skill standards (summative assessment processes). Teachers work to ensure that grades clearly communicate academic achievement and minimize the impact of other factors, such as student behavior/compliance.

The goal of this document is to describe grading practices that are consistent across all classrooms. More detailed information about grading practices can be found on individual teacher’s Class Websites (LMS Pages) in ParentVue.

Summative and Formative Assessments

- Summative assessments and assignments (calculated as 80% of the overall grade)
 - Summative assessments are used to evaluate student learning (assessments OF learning), skill acquisition, and academic achievement at the conclusion of a defined instructional period.
 - Typical examples of summative assessment processes are unit tests/exams, projects, papers, and other examples of student work showing the current level of knowledge/skills.
- Formative assessments and assignments (calculated as 20% of the overall grade)
 - Formative assessments provide ongoing and timely feedback that instructors can use to modify their teaching and students can use to improve their learning (assessments FOR learning). Typically, teachers use student responses on these practice opportunities to determine what needs to be clarified or re-taught and/or students use feedback from the practice opportunity to try again (student practice).
 - Typical examples of formative assessment processes are entry/exit tickets, discussions, individual practice, drafts of papers, additional practice items done at home or in class, short quizzes, and other processes that help students show their learning in anticipation of summative assessment events.

Grading Scale

Synergy Gradebook uses the following scale to assign letter grades based on calculated averages:

90% = A	85% = B+	80% = B	75% = C+	70% = C	65% = D+	60% = D	Below 60% = F
---------	----------	---------	----------	---------	----------	---------	---------------

Synergy Gradebook Codes

Synergy Code	Code Description	What It Means
EX	Excused	Used to indicate an assignment is excused and does not need to be completed. It has no effect on the grade.
M	Missing	Used to indicate an assignment is missing. It calculates as a zero until the assignment is turned in and graded.
INC	Incomplete	Used to indicate an assignment is not complete enough to score. It does not affect the grade unless the teacher enters the INC with a score. The code should be removed once the assignment is revised, and then a new grade should be entered.
Grade [space] L	Late Assignment	Used to communicate timeliness/work habits. The grade is included in the overall average.
R	Retought	Used to indicate that an assignment was regraded after re-teaching or re-assessing.
Blank	Not Yet Graded	Used to indicate that an assignment/assessment still needs to be graded.
AB	Absent	Used to indicate that a student was absent while this work was completed. It calculates as a zero, but it can still be turned in for credit. It is included in missing marks/ reports.
0 (zero)	No credit	Used to indicate that the student received a grade of zero/no credit. Teachers use this code carefully (and infrequently) because a grade of zero can significantly lower an overall average and misrepresent student achievement. Instead of a zero, teachers more often use the “M” code for work that hasn’t been turned in or “INC” for work that isn’t ready to be scored yet. Teachers may have to change a grade to a zero if student work is so late that it is no longer practical or useful for students to submit it for credit.

Role of Counselors

The Moore counseling program is facilitated by three counselors this year. The counseling program has a defined curriculum with three methods of delivery. These are: 1) classroom guidance; 2) small group facilitation; and 3) individual guidance. Students may access their counselor by using the link, “Counselor request” form found on the Moore Middle School website. This will notify the assigned counselor and that counselor will meet with your student at their next availability. Counselors also depend on administrators, teachers, and parents to share with them student concerns. Counselors

meet with all instructional teams involved with their students for the purpose of staying informed of students' strengths and needs.

School Community Intervention Program (SCIP)

SCIP is a student assistance program that works with families, schools, and the community to support student behavioral, mental, and emotional health. When schools, parents, and the community build a collaborative relationship of support around students, they are more capable of reaching their full potential. SCIP can assist parents in identifying behaviors or concerns that may be interfering in a student's ability to learn, seek solutions, and explore options, which will increase student's opportunities to be successful in school. In addition to in-school supports, SCIP collaborates with community behavioral health agencies to offer another layer of support to students and families. To refer your student to SCIP or to find out more about the program please contact your school's SCIP Team Leader or the Lincoln/Lancaster County SCIP Coordinator at 402-327-6841.

School Dress

DISTRICT DRESS CODE GUIDELINES

Clothing must be appropriate for school settings in order to provide a safe and orderly environment for all students to learn. The responsibility for the dress and grooming of a student rests primarily with the student and his or her parents or guardians, **although the school administration maintains the right to determine the appropriateness or suitability of any student attire.**

Allowable Dress and Grooming

- Students must wear clothing including both a shirt with pants or skirt, or the equivalent and shoes.
- Shirts and dresses must have fabric in the front, back, and on the sides.
- Clothing must cover undergarments and all private parts.
- All tops must have straps
- All tops must meet the top of the pants
- Clothing must be suitable for all scheduled classroom activities including physical education, science labs, wood shop, and other activities where unique hazards exist.
- **Headwear is allowable as long as it follows other areas of the dress code and the student is easily identifiable**
- Specialized courses may require specialized attire, such as sports uniforms or safety gear. Students may be asked to remove headwear that interferes with the learning process.

Non-Allowable Dress and Grooming

- Clothing may not depict, advertise or advocate the use of alcohol, tobacco, marijuana or other controlled substances.
- Students may wear hoodies, but must keep the hood off their heads.
- Considerations will be made for students who wear special clothing as required by religious beliefs, disability, to convey a particular message protected by law.
- Dressing, grooming, or engaging in speech that is lewd or indecent, vulgar, or plainly offensive.

- Clothing may not use or depict hate speech targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation or any other protected groups. This also includes words or depicted graphically that have derogatory, hate or offensive images.
- Clothing, including gang identifiers, must not threaten the health or safety of any other student or staff. (examples include bandanas, gang signs)
- If the student's attire or grooming threatens the health or safety of any other person, then discipline for dress or grooming violations should be consistent with discipline policies for similar violations.
- Wearing pants below the waistline is not allowed.
- Clothing with words, pictures, or phrases that depicts violence or intimidation may not be worn (examples include images of guns, knives and any other items generally considered to be a weapon).

Consideration will be made for students who wear special clothing as required by religious beliefs, disability, or to convey a message protected by law. The final decision regarding attire and grooming will be made by the administration. In the event a student is uncertain as to whether a particular item or method of grooming is consistent with the school's guidelines, the student should contact administration for approval, and may also review such additional posting of prohibited items or grooming which may be available on the LPS website.

Coaches, sponsors, or teachers may have additional requirements for students who are in special lab classes, students who are participants in performing groups or students who are representing the school as part of an extracurricular activity program.

On a first offense of the dress code, the student is told what not to wear and may be asked to change clothes. They will be permitted to call home for proper apparel. Repeated or significant violations of the dress code will result in disciplinary actions under the Student Code of Conduct. In the event the dress code violation is determined to also violate other student conduct rules (e.g., public indecency, insubordination, expression of profanity and the like), a first offense of the dress code may result in discipline, up to expulsion.

School Visitation:

Parents are invited to visit school, however please make arrangements with administrators prior to the visitation. In the interest of students and staff, it is asked that visits to the classroom not be made during the first two weeks or the last two weeks of school. ALL visitors must check in at the office at the beginning of their visit to receive a visitor's pass and directions to the classroom. In the interest of safety, after 8:00 AM, only Door #1 on the South side of the building will be open to enter the building.

Fire, Tornado, and Building Safety Drills

The school has a plan to provide for the safety of each student in the event of an emergency situation. Drills are held periodically during the year to insure speed and efficiency in getting students to their

assigned places of safety. Staff and students also review procedures for Hold, Secure, Lockdown, Evacuate and Shelter situations annually.

Students may not be released to parents/guardians during these times.
