All procedures, guidelines and dates outlined in these documents are subject to change, based on recommendations and health directives put into place by the Lincoln Lancaster County Health Department (LLCHD) and the Nebraska Department of Education. Please keep in mind that, as with our Standard Response Protocols, every Lincoln Public Schools building or program which provides services may not always be in the same risk category.

Intent of Student Handbook

Each family is responsible for becoming familiar with the handbook and knowing the information contained within it. Parents are encouraged to use this handbook as a resource and to assist their child in following the rules contained in this handbook.

Although information found in this handbook contains detailed and specific information on a variety of topics, the handbook is not intended to cover every situation and circumstance that may arise during any school day, or school year. This handbook does not create a "contract." The administration reserves the right to make decisions and rule revisions at any time to implement the educational program and to assure the well being of all students. The administration will be responsible for interpreting the rules contained in the handbook. Should the situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon all applicable school district policies, and state and federal statutes and regulations.

West Lincoln Families!

Welcome to the 2022-23 school year! We have worked hard to prepare for the upcoming year and we look forward to a great year at West Lincoln.

Communication with families is a priority for us and we want to be sure that families get our communications. We sent out the Wildcat News in an email and each family will receive a paper copy. Our website will have dates for events, general information, electronic copies of handbooks, and our newsletters are posted there. Grade and teachers communicate with families as well. At our open house, families will have the opportunity to choose their preferred method of communication.

Traditionally, our parents have been very involved at West Lincoln. Our Community Learning Center organizes family nights throughout the school year that are a fun learning opportunity for your child and a great way to connect with other families. Our Parent Teacher Organization (PTO) is an excellent way for families to connect with the entire school community and more about our school. For families who are learning English, we have a Family Literacy class that meets each day from 9:15-11:15. Please call the school if you are interested in learning more about Family Literacy.

We look forward to a great school year!

Sincerely,
Scott Schwartz, Principal

Dear Parents/Guardians:

Welcome to West Lincoln Elementary School. The following plan is designed to ensure the safety of all of our students at dismissal and arrival times. Supervisors will be in place to assist students and families with the plan.

Please support us by:

- having your children arrive at school at the designated times
- supporting us in our pick-up and drop-off procedures
- developing a consistent arrival and dismissal plan with your child.

For the safety of your child, we ask that you designate a door for your child to be dismissed from. You may choose the front doors or the back door. Teachers will escort them to their doors inside the building. Please be sure to develop a consistent plan with your student.

Some of these procedures may seem like an “inconvenience” to you, but by taking an extra 1-2 minutes, you make arrival and dismissal safer and more efficient for ALL children.

Once again, thank you for supporting West Lincoln.

Scott Schwartz, Principal

Homework Tips for Parents/Guardians

School homework/make-up work should be related to curricular objectives. Students should experience regularly scheduled time at home, free of distractions or interruptions, where they can develop self-discipline and individual responsibility for learning. When students are not assigned specific homework practice, it would be beneficial for them to read a book, practice spelling words, practice math facts, or write a story. Please work with your child's teacher if you would like additional guidelines. Children will have math almost every night.

- Maintain a positive attitude toward learning and the value of homework.
- Help your child find an area to study that is quiet and relatively free of distractions.
- Be patient with the child and praise him/her for any effort made.
- If your child has trouble understanding directions, help him/her with explanations. If the child continues to have difficulty, help the child with the beginning part of the assignment. If the child still has difficulty, end the homework and write a note to the teacher explaining the problem. Do not do the homework for the child.
- Look over the assignment when the child says they are done to see if they have forgotten anything and have done it well. Praise the child for his/her accomplishment.

West Lincoln Homework Policy

Homework is vital for providing independent practice and reinforcing concepts taught in class to help students become successful. Parents, students, and the school will work in partnership to support student learning.

Roles

The Teacher Will...

- Communicate expectations and homework procedures
- Assign appropriate homework
- Provide feedback to the parents and students in a timely manner

The Parents Will...

- Provide a quiet place and time for their child to do school work
- Encourage their child to complete school work

The Students Will...

- Make a sincere effort to complete their homework Homework at all grade levels should not consume a child's evening. Most homework should take 10-30 minutes

Attendance

We know that students who attend school regularly and on time perform better in school. It is our goal to have every student in school as many days as possible, and to work with parents and guardians to help students understand the importance of being in school. Students may be excused for illness, or by parent request, the student may miss school for a family emergency or special family need, including a religious observance. Students may be excused from school to participate in a school-approved activity. **"Based on School Board Policy (Reg.5140.1), the school may report to the county attorney when a collaborative plan involving the school, guardian, and student to reduce barriers to improve regular attendance has not been successful, and the student has accumulated more than twenty (20) absences per year.**

When students reach 5 absences, a computer-generated letter is sent to parents/guardians to inform them of the situation and offer assistance. Additional letters will be generated when absences reach 10, 15 & 20 days.

Communication

West Lincoln Monday Folders

School news is typically sent home in Monday folders. The folders may include children's work, communication regarding current curriculum studies, classroom and/or school newsletter, important announcements, PTO information and WL CLC information. General information will be sent home with the oldest child in the family attending West Lincoln Elementary.

School Newsletter

The West Lincoln Newsletter contains announcements, school events and other important information. The newsletter is sent home, twice a month, with the oldest child in the family attending West Lincoln Elementary, and via email.

Community News

"LPS Community News" is a newspaper distributed by Lincoln Public Schools, free to all elementary students the first week of every month from September through May. "LPS Community News" replaces most informational flyers and can be used as a guide to community activities for students.

The monthly school lunch menu is included in each issue of "LPS Community News".

School Website

Events including events hosted by CLC, PTO meetings, parent/teacher conferences, musical programs, etc., will be located on our website. In addition to our calendars, other information is regularly updated on our website: <http://westlincoln.lps.org/>

Facebook

Please search "West Lincoln Elementary" and "like" the page. Our Facebook page will have information about school events and great photos of our kids in school.

ParentVue

Parents may access communications, attendance information, report cards and more for their child through PARENTVue. There is a link to PARENTVue on our school website.

District-Wide School Messenger

This district-wide communication system allows schools to quickly send out school or district phone calls, texts or emails to families with important information. Please be sure the school has your updated phone number and email address so you can receive this information. School Messenger is used to notify families of emergency situations or school closings and to send out reminders about upcoming events or PLC days.

General Information

Important Information Needed

For the safety of your child, it is a necessary responsibility to give the school the name of a person to contact in case you cannot be reached. It is very important that parents/guardians notify the school of any change in address and/or telephone number. The office must have a current telephone number on file in case we must contact you in the event of an emergency.

Animals on School Property

For the safety and well-being of students, parents, community members and staff, pets/personal companion animals are not allowed to be brought on school grounds when students are present except in accordance with this regulation. Having your pet in the car with you when you pick up your child is acceptable. Animals brought to school as Pet Therapy animals will follow the Pet Therapy Guidelines and service animals are permitted in accordance with Policy 3972. Thank you for your assistance with this.

Field Trips

Field trips provide students with opportunities to enrich their learning of the curriculum in the community. School buses are used to transport students on field trips. Parents/Guardians are asked to sign a form at the beginning of the school year giving permission for students to participate in field trips throughout the school year. Parents will be notified before each field trip as to the destination, date, and time of the trip. Students are expected to demonstrate appropriate conduct, as a basis for participation on field trips.

Student Use of Telephone

Students are permitted to call their parents from school if needed. We ask that they request permission from their teacher to come to the office to call. We appreciate that after school plans are in place before your child arrives at school. Please call the office if there are changes to your child's after school plan.

Lost and Found

Lost and found is located by the front door. Smaller items, like glasses and jewelry, are kept in the office. Whenever possible, label your child's belongings. Encourage your child to periodically check for lost items. Items not claimed by semester break and at the end of the school year are donated to a local children's charity.

CELL PHONE AND ELECTRONIC DEVICES

Cell phones, smart watches, and other personal electronic devices are considered nuisance items if seen or heard during the school day. If students bring a personal electronic device to school, it should be kept in their backpack, locker, or location designated by school staff during the school day. The school is not responsible for damaged, lost, or stolen devices. Please note that it is unlawful, and therefore prohibited on school grounds, to take a picture or record audio or video of another person without their consent.

West Lincoln Behavior Supports

What do we believe?

It is our goal to create a learning environment where students are highly engaged in their learning. Our teachers will work to build life and academic skills that will create positive opportunities for students in their futures. Teachers are constantly striving to create an environment of trust and respect through the entire school environment.

We do this through...

Teaching and practicing school procedures.

Intentionally developing trusting relationships with all students and parents.

Planning great and engaging instruction that considers the needs of all students.

You might hear this...

Caring Confrontation is how an adult provides a redirection with consistent language as well as non-punitive actions and intent.

Check-in/Check-Out is a practice for students who are having some difficulty engaging in the classroom. An adult is assigned to give positive reinforcement and encouragement at the beginning and end of the school day.

Processing is the discussion between the adult and student to develop a plan to be accountable for and change disruptive/hurtful behavior.

Protective Plan is what the school and family develop together to provide the structure and support to stop the student's disruptive behavior and to teach the student needed missing skills.

Please Partner with US!

For your child to learn, perform and behave at grade level or above, your child needs to be positively engaged in school. This means trying to never be disruptive or hurtful. If your child is hurtful or disruptive, we will follow established procedures. If your child's teacher talks with you about his/her behavior, please know that we want to work with you to find ways to help your child.

Help us build and then support a behavior plan.

Talk to us and ask us questions to clarify the plan

Encourage your child to let adults be in charge of his/her life.

Show your child how strong the school, teacher, family partnership is!

Bullying

If you feel that your child is being bullied by peers, please contact your child's teacher or an administrator. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.
