Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

THE SCHOOL DAY

Arrival Procedures

The Humann Elementary School campus is closed until 8:50 a.m., unless students are eating breakfast. Students arriving for breakfast should not arrive before 8:40 a.m., as there is no supervision until that time. Students will line up in designated areas by grade level as they arrive in the morning. At 8:50 a.m., a supervisor will allow students to enter the building. Students are considered tardy if they are not in their classroom by the 9:00 a.m. bell. Students arriving after 9:00 a.m. should enter through the front doors. Detailed information can be found on our website.

Dismissal Procedures

First through fifth grades will exit through the doors closest to their grade level pods. Kindergarten students will exit through the front doors at 3:38 p.m. Students must go directly home or to a school sanctioned after school activity.

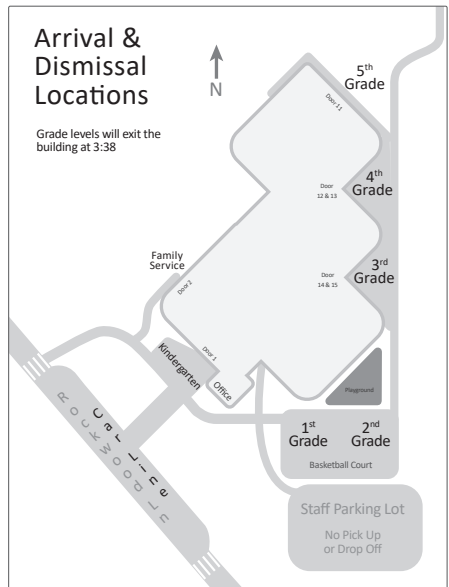

Humann School's campus (including the playground) is closed until 6:00 p.m. except for use by school childcare and clubs. Reservations for rooms/playground should be entered in the district Archibus system.

Some of our students may meet siblings or friends to walk home with for safety. It is important for families to help their children make a plan for where to meet siblings, friends, or families outside at the end of the day. All teachers will supervise students at dismissal to ensure they are connected. Any changes to your child's after school plan should be communicated with the office by 3:00 p.m.

Please refer to our traffic flow map on the inside back cover.

PLAYGROUND & RECESS

Guidelines for the Playground

All LPS elementary school campuses are closed until 6:00 p.m. including the playground area.

1. There is no playground supervision in the mornings before school. Children are, therefore, instructed not to utilize the playground equipment or initiate playground activities before school.
2. Children are to go directly to their home after school dismisses. The school does not provide playground supervision before or after school.
3. All playground procedures are reviewed with the children at the beginning of each year, and periodically throughout the school year.
4. Playground procedures are designed for the safety and welfare of the children. Children who do not follow the procedures may lose their playground privileges.
5. We ask all middle and high school students to not use the playground area or equipment while our school is in session.
6. All recesses throughout the day, including lunch periods, are supervised by school staff. It is every child's responsibility to give complete cooperation to adults supervising on the playground and observe the playground procedures.

Staying in from Recess

Students will go outside for recess each day, weather permitting. If your child has medical reasons for not participating in outside recess, a note must be sent to school that day. If an extended period is needed, a note from your doctor may be required. Students staying in from recess will remain in an area of the building to read or work quietly.

ACADEMIC INFORMATION

Report Cards & Family-School Conferences

Lincoln Board of Education states (Policy 6570) that “student progress will be reported formally to parents/guardians at least four times each year.” Information about elementary student progress is reported in four areas: Progress through district curriculum, performance in assigned curriculum level, effort, use of effective learning or study skills.

At the end of each quarter, teachers summarize and communicate student progress to parents/guardians through the report card. It is also at this time that teachers analyze assessment information and review reading and math groups to determine whether or not students are placed at the appropriate instructional level. We know that for children to experience continuous growth and success in learning they must be working at an instructional level that will adequately challenge them. Because children learn in different ways and at different rates, it is important that we examine instructional placements on a regular basis and make adjustments based on students’ needs. For these reasons, some children may move from one instructional group to another in order to meet their individual needs. This move could result in a change of teacher for reading or math instruction. Classroom teachers will notify parents/guardians if an instructional move is recommended.

Family-school conferences are scheduled twice a year, typically during the first and third quarters of the school year. Please consult the calendar for conference dates. Families with immediate questions about their child’s academic progress are encouraged to contact the teacher at any time.

Homework

Homework refers to the tasks that a student is given to do outside of the instructional time. The purpose of homework is to provide students with an opportunity for independent practice of skills that they have learned. Elementary students will have some homework each day to provide this needed practice and reinforcement of learning. Families can support learning at home by asking questions about what your child is learning and what types of homework he/she has. Families can help to clarify the directions or expectations of the homework so that the student can complete the work to the best of his/her ability. However, it is not the school’s expectation that families will help students complete their homework or provide instruction at home. If at any time the homework becomes too difficult, please write a note to your child’s teacher stating the questions or concepts that should be clarified.

Make-up Work

Unless a student has been absent for more than two days, we do not take requests for assignments to be sent home. Students and teachers will work together as the student returns to identify the assignments and learning that has been missed.

When a student is absent for more than two days, we encourage parents to call the office to request make-up work. Please call before 9:00 a.m., so we can communicate this to your child's teacher.

If a student is going to be absent from school due to traveling, it is difficult for teachers to give the correct assignments in advance. Some things your child could do while on a trip are journaling about their experience, practicing math facts, and reading. Again, students and teachers will work together as the student returns to identify the assignments and learning that has been missed.

Students are provided with necessary and basic instructional supplies (paper, pencils, crayons, scissors, glue, etc.). A voluntary supply list is included.

PLC Early Release Days

We will dismiss at 2:18 p.m. one time per month to allow teachers time to work in Professional Learning Communities (PLCs). During this time, teachers are focused on collaborating to improve instruction and increase student achievement.

The dates are as follows: **2023:** August 29, September 26, October 31, November 28, December 12. **2024:** January 30, February 27, March 26, April 23, May 23. Students will be dismissed at 2:18 p.m.

Student Use of Telephone

Students are permitted to call their parents from school if needed. We ask that they request permission from their teacher to come to the office to call, so we can assist with any special plans.

When you call school, we do not interrupt the classrooms with phone calls to students or teachers but will leave a message. We appreciate that after school plans are in place before your child arrives at school. Please call the office by 3:00 p.m. if there are changes to your child's after school plan.

Nuisance Items

The possession of articles that disrupt the learning environment shall be considered nuisance items. They include such items as: extra money, toys, balls, toy weapons, comics, candy, gum, skateboards, roller blades, radios, cassette/CD players, iPods, cell phones, trading cards, etc. Students should NOT bring these items to school. Articles taken from students shall be returned directly to the parent/guardian at their request or to the student at the end of the school year, if the student requests them. Knives or any other items that might be considered a weapon are strictly prohibited and should NEVER be brought to school. Students who violate this rule could face suspension and/or expulsion from school, in accordance with state law.

Birthdays

At Humann, we recognize student birthdays each morning during the announcements.

For information regarding birthdays, please refer to the LPS Important Information Booklet. This information can be found in the Student Services section, on page 46. The LPS Important Information Booklet can be found on the front page of the LPS website (lps.org) under Essentials. Printed copies of the booklet can be obtained by contacting our school office.

Voluntary Supplies

Parents often ask if there are supplies they need to purchase for their child. Nebraska Statutes guarantee that all schools provide a free, appropriate public education.

Lincoln Public Schools provides all necessary basic supplies and equipment for students to use in their classroom. Humann teachers often purchase extra supplies and materials for special projects. Extra supplies that teachers find helpful are listed by grade levels. This is a voluntary donation, not a request or requirement for any child. If you would like to purchase any items, they can be dropped off at school or sent with your child.

Lunch Procedures

My School Bucks is the name of our online meal payment system. With the SNAP cash register system, a parent/guardian deposits money into an account that is accessed by the child using a card with a barcode. Money in an account can be transferred from one school to another if a student changes schools within Lincoln Public Schools.

The United States Department of Agriculture and the Nebraska Department of Education Competitive Foods Policy states that “no food may be sold or served that competes with the National School Lunch and/or Breakfast programs one half hour prior to the serving period.” This means that no food may be sold (i.e., pop, snack machines, fund raisers), or class parties. Also, parents may not bring in food for more than their child, as this is in violation of the Federal Lunch Program guidelines.

Students who do not have sufficient funds to pay for breakfast/lunch will bring a note home to remind parents of the need to make a deposit. Families can also sign up for email alerts when there is a low balance.

Visitations to School

Parents and legal guardians are welcome to visit their child’s classroom or come for lunch. If you are visiting your child’s classroom, it is recommended that visits last no more than 20-30 minutes. We ask that other children not attend school as visitors in classrooms. They are welcome at all of our school events and lunch/recess visits.

To ensure the safety of our students and staff, all visitors and volunteers are required to check in the main office as you arrive at school to receive a visitor badge. If someone other than the parent/guardian is coming for lunch (such as a grandparent), please notify the office in advance so we will have your permission.

Volunteering

The PTO (Parent Teacher Organization) has organized a number of student service projects to enrich the experiences of students. Please see the PTO section on page 7.

You can refer to the Lincoln Public Schools Important Information Booklet to learn how to apply to volunteer at Humann.

LPS Rights and Responsibilities

The Lincoln Public Schools has established rights and responsibilities of students. They are printed in the Important Information booklet. Lincoln Public Schools provides physically safe and emotionally secure environments for all students and staff.

Positive behaviors (non-violence, cooperation, teamwork, understanding and acceptance of others) are encouraged in the educational program and are required of all staff. Inappropriate behaviors, including but not limited to bullying, intimidation and harassment, must be avoided by all students and staff.

Strategies and practices are implemented to reinforce positive behaviors and to discourage and protect others from inappropriate behaviors. Please review the rights and responsibilities with your child.

HUMANN SCHOOL BEHAVIOR EXPECTATIONS

Multi-Tiered Systems of Support for Behavior: MTSS-B

Multi-Tiered systems of support for behavior includes proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments.

At Humann, we want all students to be successful. In order to ensure students find success, Lincoln Public Schools has developed a framework of best practices for supporting student behavior throughout the school day.

This framework includes evidence-based practices that we know lead to more positive outcomes for students. Some of the most powerful practices faculty and staff use include:

- Developing and teaching all students our school and classroom expectations
- Acknowledging positive behavior when we see it
- Consistently practicing strategies that prevent problem behavior before it happens
- Using data to make decisions
- Identifying missing skills and teaching replacement skills

Husky High Five tickets are awarded to students exhibiting positive behaviors. Students earning tickets have the opportunity to be chosen to participate in special activities with staff members.

Check-in/Check-out (CICO) or Husky Pride Pack is a support for scholars with the primary goal of building a supportive and positive relationship between scholar and adult. Husky Pride Pack allows scholars to receive more frequent positive adult feedback throughout their day.

Scholars at Humann are responsible with the support of our staff to conduct themselves in a manner to create a safe, orderly learning environment by following three simple guidelines:

- Be Safe
- Be Respectful
- Be Responsible

Students also focus on the following life goals for behavioral success:

- I can be productive and follow directions even if I don't want to.
- I can take good care of myself, even if I am mad.
- I can be OK, even when others are not OK.

The Boys Town Social Skills and Second Steps Social/ Emotional strategies are retaught, practiced, and reinforced daily.

BULLYING

If you feel that your child is being bullied by peers, please contact your child’s teacher or the building principal, Jamie Cook. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District’s Second Step program.
