Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

School Philosophy and Organization

Morley Elementary School opened in 1961 and is named after former teacher and principal, May Morley. We currently serve approximately 400 students in grades K through 5. In 2009, through a building improvement plan, Morley added six new classrooms, and an administrative wing. Additional improvements and renovations throughout the remainder of the building were also completed at that time.

Our community believes in having high expectations for academics and behavior. We help students grow in all academic areas as we prepare them to be successful in all future endeavors by building their life skills. Morley Elementary has strong parent involvement and an active, supportive PTO. The level of parent participation at Morley School makes a difference.

Our vision for Morley School is To empower all Morley students to become productive citizens and lifelong learners. Our mission is to believe, achieve and succeed.

Methods of Communication

District-Wide School Messenger

This district-wide communication system allows schools to quickly send out school or district phone calls, texts or emails to families with important information. Please be sure the school has your updated phone number and email address so you can receive this information. School Messenger is used to notify families of emergency situations or school closings and to send out reminders about upcoming events or PLC Days.

School Newsletter: The Morley Messenger

Our school newsletter is called the Morley Messenger and contains announcements, information, celebrations and lists of upcoming school events. This newsletter comes out the last Friday of each month via email through School Messenger.

Weekly Communication Friday Folders

Typically, school news will be sent home via Friday folders. Please return the folder on Monday including any notes to your child's teacher. General information will be sent with the oldest child in the family attending Morley School.

Community News

"Community News" is a newspaper distributed by Lincoln Public Schools, free to all elementary students the first week of every month from September through May. "Community News" replaces most informational flyers and can be used as a guide to community activities for students. The monthly school lunch menu is included in each issue of "Community News."

School Website

Information is regularly updated on our website:

<http://wp.lps.org/morley/>

The current Morley Messenger, along with all past issues, are posted on our websites. Many times pictures from different activities or information about upcoming events are also given. The school website has several tabs. One of the tabs is the calendar which will give updated event dates and times.

ParentVue

Parents may access communications, attendance information and more for their child through ParentVue. A "button" linking you to ParentVue can be found on our school website.

Lunch Procedures

SNAP is the name of our cafeteria cash register system. With the SNAP cash register system, a parent/guardian deposits money into an account that is accessed by the child using a card with a barcode. If your child is returning to our school, they will use the same number as last year. If your child is new to Lincoln Public Schools, a number will be assigned. Money in an account can be transferred from one school to another if a student changes schools within Lincoln Public Schools.

The United States Department of Agriculture and the Nebraska Department of Education Competitive Foods Policy states that “no food may be sold or served that competes with the National School Lunch and/or Breakfast programs one half hour prior to the serving period.” This means that no food may be sold (i.e., pop, snack machines, fund raisers), or class parties. Also, parents may not bring in food for more than their child, as this is in violation of the Federal Lunch Program guidelines.

Students who do not have sufficient funds to pay for breakfast/lunch will bring a note home to remind parents of the need to make a deposit. Families can also sign up for email alerts when there is a low balance.

Homework

Homework refers to the tasks that a student is given to do outside of the instructional time. The purpose of homework is to provide students with an opportunity for independent practice of skills that they have learned. Elementary students will have some homework each day to provide this needed practice and reinforcement of learning. Parents can support learning at home by asking questions about what your child is learning and what types of homework he/she has. Parents can help to clarify the directions or expectations of the homework so that the student can complete the work to the best of his/her ability. However, it is not the school's expectation that parents will help students complete their homework or provide instruction at home. If at any time the homework becomes too difficult, please write a note to your child's teacher stating the questions or concepts that should be clarified. If homework is left at school, students can get it the next school day. Students will not be allowed to go back to the classroom after school hours to get homework.

Make-up Work

Unless a student has been absent for more than two days, we do not take requests for assignments to be sent home. Students and teachers will work together as the student returns to identify the assignments and learning that has been missed. When a student is absent for more than two days, we encourage parents to call the office to request make-up work. Please call before 9:00 a.m., so we can communicate this to your child's teacher. If a student is going to be absent from school due to traveling, it is difficult for teachers to give the correct assignments in advance. Some ideas of things your child could do while on a trip are journaling about their experience, practicing math facts, and read. Again, students and teachers will work together as the student returns to identify the assignments and learning that has been missed.

Parent-Teacher Conferences

Parent-Teacher conferences are scheduled twice a year, typically during the first and third quarters of the school year. Please consult the calendar for conference dates. Parents with immediate questions about their child's academic progress are encouraged to contact the teacher at any time.

Cell Phone/Personal Electronic Device

Use of cell phones, smart watches, and other personal electronic devices are considered nuisance items if seen or heard during the school day. If students bring a personal electronic device to school, it should be kept in their backpack, locker, or location designated by school staff during the school day. The school is not responsible for damaged, lost, or stolen devices. Please note that it is unlawful, and therefore prohibited on school grounds, to take a picture or record audio or video of another person without their consent. When at school, parents should take only pictures of their own child. Some parents do not want their child photographed. Please help us honor all parent wishes by not taking pictures of other students while at Morley.

Animals on School Property

For the safety and well-being of students, parents, community members and staff, pets/personal companion animals are not allowed to be brought on school grounds when students are present except in accordance with this regulation. Having your pet in the car with you when you pick up your child is acceptable. Animals brought to school as Pet Therapy animals will follow the Pet Therapy Guidelines and service animals are permitted in accordance with Policy 3972. Thank you for your assistance with this.

Before/After-School Care

Family Service “School’s Out” program, which will be housed at Morley, provides before- and after-school care for kindergarten through fifth grade students. Hours are 7:00-9:00 a.m. and 3:38-5:30 p.m. Please call 402 441-7949 for registration information and fee schedule.

MTSS-B (Multi-Tiered System of Support for Behavior)

The philosophy of MTSS-B framework is that relationships, strong academic and behavior instruction, and a continuum of strategies and interventions support positive behavior.

We believe all children have the right to a positive, successful learning climate. The staff and parents work cooperatively to implement strategies and practices to reinforce positive behaviors. Of course, building relationships, fostering belonging, having informal conversations and giving feedback all show students how valuable and essential they are to the Morley community.

Teachers also use a variety of rewards in the classroom to encourage and recognize students doing the right thing. Some examples are: sitting in the teacher's chair or being first in line for lunch. Positive feedback is given to students to encourage a growth mindset. Students are recognized quarterly at assemblies and in our newsletters for their character and effort.

Lincoln Public Schools provides a physically safe and emotionally secure environment for all students and staff. Positive behaviors (non-violence, cooperation, teamwork, understanding, and acceptance of others) are encouraged in the educational program and are required of all staff. Inappropriate behaviors, including, but not limited to bullying, intimidation and harassment, must be avoided by all students and staff.

Some students are not able to handle their behavior. Teachers work to discourage inappropriate behaviors by structuring the classroom, instituting routines and procedures and developing strong instructional lessons. In order to protect others and the learning environment, teachers and the administration commit to teaching these students the skills so they are missing so they can succeed behavior appropriately in school.

Believe - in each other, in our students and in our families.

Achieve - to our highest potential, using effort and learning.

Succeed - as learners and caring community members.

Bullying

If you feel that peers are bullying your child, please contact your child's teacher or the building principal, Brandi Hennerberg. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- **Imbalance of Power:** Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- **Repetition:** Bullying behaviors happen more than once or have the potential to happen more than once.
- **Hurtful aggressive physical and/or verbal behavior.**

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building with whom they have built a positive relationship.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.

Mental and Behavioral Health Point of Contact

Your student's mental health is important to their academic success. If you have concerns about your student's mental or behavioral health, you can contact the social worker at your student's school/program. LPS social workers are licensed mental health practitioners and can help connect you to appropriate mental health or behavioral supports.

Traffic At Morley

One-Way Traffic Pattern for drop-off and pick-up of students at Morley School

1. Traffic will flow one way (from east to west) in front of the school, turning south at Pacific Street. Only DAYCARE CARE VANS and LPS BUSSES will utilize the area on the north side of Monterey Drive between Pacific Street and E. Bermuda Drive.
2. Please use both cut-outs on the north side of Monterey to drop off and/or pick up students. Do not let students get out/in the car in the street.
3. There will be NO loading or unloading on the south side of Monterey Drive in front of the school. This is a "NO PARKING" area.

4. Utilize alternate areas for pick-up/drop-off such as Sumner Street, East Bermuda Drive, the east side of 70th Street, etc. Establish a spot where your child can walk to you instead of you driving to your child.
5. Remember that there are staff members outside to help your child cross Monterey Drive and also 70th Street at arrival and dismissal times. Also, as students are dismissed in the afternoon, a staff member supervises the Monterey & E. Bermuda crosswalk. The supervision is provided when crossing streets and should give parents more confidence regarding their child's safety.
6. Carpooling with other families reduces the number of cars at arrival and dismissal times. **WE ENCOURAGE CARPOOLING!**
7. Please do not drop off and/or pick up students in the staff parking lots which also includes handicap parking spots. Only families with special permission from the principal may use the staff parking lots.

Flock Friends Building Community

Every PLC day, students meet with their Flock Friends for 30 minutes.

An activity is planned by the two classroom teachers or by the grade levels and can be a variety of things: Reading together, games, practicing math facts, reviewing PBIS/BIST components, role playing, sharing research projects, singing the Morley song, learning new songs, discussing scenarios, bullying discussions, problem solving social situations, etc.

Classrooms are matched in the following way: Kindergarten with third grade, first grade with fourth grade and second grade with fifth grade.

Parent Teacher Organization

The Morley School Parent Teacher Organization is a vital part of Morley's success with children. As an organization, they represent parents, guardians, teachers and organize events and projects that serve children and families. Monthly meetings are held in the library and all are invited.

Scheduled events and activities are sent to families during the summer. Complete PTO information may be obtained in the Morley office or by looking at the Morley calendar on the Morley webpage at <http://morley.lps.org>.

The 2023-2024 PTO President is Becky Ziemba. You may email the PTO at president@morley.lps.org.

Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.
