Welcome Letter

Dear Norwood Park Families,

Welcome to the 2023-2024 school year at Norwood Park Elementary! We are thrilled to have you join us for a great year of growing and learning together as a school community. This school handbook has been prepared to help you stay connected to school activities and to provide you with specific Norwood Park information you may need. Additional LPS and Elementary information and policies that apply to all school sites is available online at the Parent Center (lps.org/parents/).

The handbooks are designed to answer questions you have about the policy, standard practices and expectations in Lincoln Public Schools. If you have questions you can refer to these handbooks or call your child’s teacher, the school office or administration.

To help with the growing mental health concerns in our community LPS has created a webpage that provides information about Mental and Behavioral Health Points of Contact for your use. The QR code on page 6 will help you access this information. Additionally our school-based team, that includes our school counselor, social worker and school psychologist, is here to help you navigate the district resources and more. Please feel free to contact them with questions and concerns you may have for your children.

We look forward to working together this year to create a meaningful and productive learning experience for your child(ren). We appreciate your trust, involvement and partnership in educating them.

Sincerely,

Mrs. Pam Hale, Principal

Mrs. Kristi Mulliner, Coordinator

PLEASE NOTE: All procedures, guidelines and dates outlined in this document are subject to change, based on recommendations and directives issued by the Nebraska Department of Education, the Lincoln Lancaster County Health Department (LLCHD), or other governing body.

NORWOOD PARK MISSION STATEMENT

At Norwood Park Elementary School we promote continuous, active learning in a friendly, caring, and safe environment by:

- Keeping the learning needs of the children first;
- Striving for excellence;
- Working in partnerships with families and the community;
- Providing children with opportunities; and
- Expecting success.

NORWOOD PARK SCHOOL IMPROVEMENT GOALS

1. Our goal is to increase the literacy skills of all students.
2. Our goal is to improve the ability of all students to solve mathematical problems.
3. We will increase family engagement through school activities, family education and parent voice.
4. We will strengthen connections with our community via partnerships that enhance learning for all.

BULLYING

If you feel that your child is being bullied by peers, please contact your child's teacher or the building principal, Mrs. Pam Hale. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.

INFORMATION ABOUT LUNCH

Students at Norwood Park have 30 minutes for their lunch break each day. During this time students will get their lunch, eat and use the restroom. Students have the option to order a hot lunch from the cafeteria or bring a cold lunch from home.

As part of our school-wide health and wellness effort we encourage students to eat a lot of fruit and vegetables, healthy grains, dairy and protein to energize their bodies for learning!

GENERAL INFORMATION

CONTACTING YOUR CHILD'S TEACHER

Parents/guardians are encouraged to call their child's classroom teacher to address questions or concerns. The best time to reach a teacher by phone is before the student day begins (8:15 a.m. to 8:45 a.m.) or after school (3:40 p.m.). During instructional time, phone messages will be taken for teachers. For significant concerns such as student assessment, curriculum concerns, and school policy, a parent-teacher meeting is strongly encouraged.

CUSTODIAL/NON-CUSTODIAL PARENTS

It is Lincoln Public Schools policy to foster and facilitate parental information about, and involvement in, the education of their children. Divorced and separated parents maintain all parental rights with their children unless altered by a court order. If parental rights have been changed, the school office must have access to a copy of the court order stipulating those changes. School officials will follow the directives stated in the order and in other directives regarding access to the child as provided by the parent having legal custody.

NORWOOD PARK PTO

Our parent-teacher organization is active in providing engaging family events throughout the school year. We encourage parents, and other family members, to actively participate in the group to plan and help with these events. Our PTO meets on the first Tuesday of each month. To learn more about PTO you can call the school office, check out the information in The Beep, or visit the PTO site at: norwoodpark.ptboard.com. School Code: **DPA668**.

STUDENT USE OF TELEPHONE

Students will be permitted to call home from the school office regarding school matters with permission from school staff. Calls by students must be kept to a minimum, as there are a very limited number of phone lines in and out of school. Students are asked to make arrangements for participating in after-school activities and going home with a friend before leaving home in the morning. If you need to speak to your child by telephone during the school day, please call the office and the office staff will take a message to your child’s teacher.
