**Calendar Options for Families:** The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

**Note:** Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

Adams is dedicated to promoting healthy lifestyles for children.

In the school lunchroom we ask that students bringing cold lunch refrain from packing sodas and food items that lack nutritional value. Additionally, our staff integrates concepts of wellness, nutrition and meal-time etiquette into lunch periods.

## Lunch Procedures

LUNCH SCHEDULE	
Kindergarten	10:45 a.m. - 11:15 a.m.
1st Grade	11:00 a.m. - 11:30 a.m.
2nd Grade	11:15 a.m. - 11:45 a.m.
4th Grade	11:30 a.m. - 12:00 p.m.
3rd Grade	11:50 p.m. - 12:20 p.m.
5th Grade	12:10 p.m. - 12:40 p.m.

Our cafeteria cash register system is computerized. With this cash register system a parent/guardian deposits money into an account that is accessed by a student ID card which is scanned when purchases are made in the cafeteria. Money in an account can be transferred from one school or another if a student changes schools within Lincoln Public Schools.

If a child received free/reduced lunch and breakfast last year, the application is valid for the first 30 days of the new school year. A new application must be completed each school year. The fastest way to complete an application for your family is the Free/Reduced Meal Application online. Paper applications will be accepted at the school; but are processed at the Nutrition Services Department. Completing the application online eliminates delay.

Parents/guardians are welcome to join their child(ren) for lunch. Parents, please notify the office before 9:00 a.m. if you plan to have school lunch. Please be aware you may take their own child out for lunch, but may not take other students with them. Your assistance in getting your child back within the allotted thirty minutes to avoid being tardy is appreciated.

The United States Department of Agriculture and the Nebraska Department of Education Competitive Foods Policy states that "no food may be sold or served that competes with the National School Lunch and/or Breakfast programs one half hour prior to the serving period." This means that no food may be sold (i.e., pop, snack machines, fund raisers), or class parties. Parents may not bring in food for more than their child, as this is in violation of the Federal Lunch Program guidelines.

Classrooms will enter the cafeteria and go through the hot lunch line or sit down at assigned spots with cold lunch. Students will be seated with their classroom in the cafeteria. After eating, students will be dismissed, clean up their areas, and return to class.

Any food that is associated with classroom parties/celebrations will be provided by the school or PTO with the approval of Principal Rust. Parents may not send food to share in the classrooms.

# Communicating Student Progress

## Report Cards & Parent-Teacher Conferences

Lincoln Board of Education states (Policy 6570) that “student progress will be reported formally to parents/guardians at least four times each year.” Information about elementary student progress is reported in four areas:

1. Progress through district curriculum objectives.
2. Performance in assigned curriculum level.
3. Effort.
4. Use of effective learning or study skills.

At the end of each quarter, teachers summarize and communicate student progress to parents/guardians through the report card. It is also at this time that teachers analyze assessment information and review reading and math groups to determine whether or not students are placed at the appropriate instructional level. We know that for children to experience continuous growth and success in learning they must be working at an instructional level that will adequately challenge them. Because children learn in different ways and at different rates, it is important that we examine instructional placements on a regular basis and make adjustments based on students' needs. For these reasons, some children may move from one instructional group to another in order to meet their individual needs. This move could result in a change of teacher for reading or math instruction. Classroom teachers will notify parents/guardians if an instructional move is recommended.

Parent-Teacher conferences are scheduled twice a year, typically during the first and third quarters of the school year. Please consult the calendar for conference dates. Parents with immediate questions about their child's academic progress are encouraged to contact the teacher at any time.

# Communication

## District-Wide School Messenger

This district-wide communication system allows schools to quickly send out school or district phone calls, texts or emails to families with important information. Please be sure the school has your updated phone number and email address so you can receive this information. School Messenger is used to notify families of emergency situations or school closings and to send out reminders about upcoming events or PLC Days.

## Adams Advantage

The “Adams Advantage” contains announcements, information, specialist reports, school events, etc. Classroom teachers will send home regular communication to inform parents of current curriculum studies, upcoming events, classroom news, etc.

## Adams Wednesday Folders

Typically, school news will be sent home via Wednesday folders. Please return the folder on Thursday. You are to return notes to your child’s teacher via the folder. General information will be sent with the oldest child in the household attending Adams.

## Community News

“Community News” is a newspaper distributed by Lincoln Public Schools, free to all elementary students the first week of every month from September through May. “Community News” replaces most informational flyers and can be used as a guide to community activities for students. The monthly school lunch menu is included in each issue of “Community News.”

## School Website

Information is regularly updated on our website: [adams.lps.org](http://adams.lps.org)

## ParentVue

Parents may access communications, attendance information and more for their child through ParentVue. A “button” linking you to ParentVue can be found on our school website.

## Facebook

Check out school happenings on our Facebook Page! “Like” us at [www.facebook.com/adamsaviators](http://www.facebook.com/adamsaviators)

## Mental and Behavioral Health Point of Contact

Your student’s mental health is important to their academic success. If you have concerns about your student’s mental or behavioral health, you can contact the social worker at your student’s school/program. LPS social workers are licensed mental health practitioners and can help connect you to appropriate mental health or behavioral supports.

# Bullying

If you feel that peers are bullying your child, please contact your child's teacher or the building principal, Mr. Rust. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.

## Before-&-After School Care

Before and after school care is available to families at Adams School through the Family Service "School's Out" program. "School's Out" provides before-and after-school care for kindergarten through fifth grade students. Hours are 7:00–8:15 a.m. and 2:53–5:45 p.m. Please call **(402) 441-7949** for registration information and fee schedule.

## Student Use of Telephone

Students will be permitted to call home regarding school matters after getting permission from the classroom teacher. Calls by students must be kept to a minimum, as there are a very limited number of phone lines in and out of school. Students are asked to make arrangements for participating in after-school activities or going home with a friend before arriving at school.

## Birthdays

Classrooms recognize birthdays in a variety of ways. Students are not allowed to bring birthday treats (edible or non-edible). Invitations will not be distributed during the school day. Teachers should be notified ahead of time if a student has invitations to distribute after school. Phone numbers and address cannot be distributed by school personnel.

## Nuisance Items

The possession of articles that disrupt the learning environment shall be considered nuisance items. They include such items as: extra money, toys, balls, toy weapons, comics, candy, gum, skateboards, roller blades, radios, cassette/CD players, iPods, cell phones, trading cards, etc. Students should NOT bring these items to school. Articles taken from students shall be returned directly to the parent/guardian at their request or to the student at the end of the school year, if the student requests them. Knives or any other items that might be considered a weapon are strictly prohibited and should NEVER be brought to school. Students who violate this rule could face suspension and/or expulsion from school, in accordance with state law.

## After School Clubs & Activities

Throughout the school year, a variety of interest clubs and activities are sponsored by the Adams PTO. Club and registration information will be sent home with students. Additional activities available to students (some for only designated grade levels) include: chorus, band, and orchestra. Other clubs and activities may be organized to address special interests of students and staff.
