Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

Arrival and Dismissal

Arrival

Students should not enter school grounds until **8:45 a.m.** unless eating breakfast. Breakfast starts at **8:30 a.m.** Supervision is not provided before this time. All grade levels will enter the building at Door 1 and go to the Gym to meet their class supervisors/teachers. The welcome bell will ring at **8:55 a.m.** All students should be in the gym with their supervisors/teachers at this time.

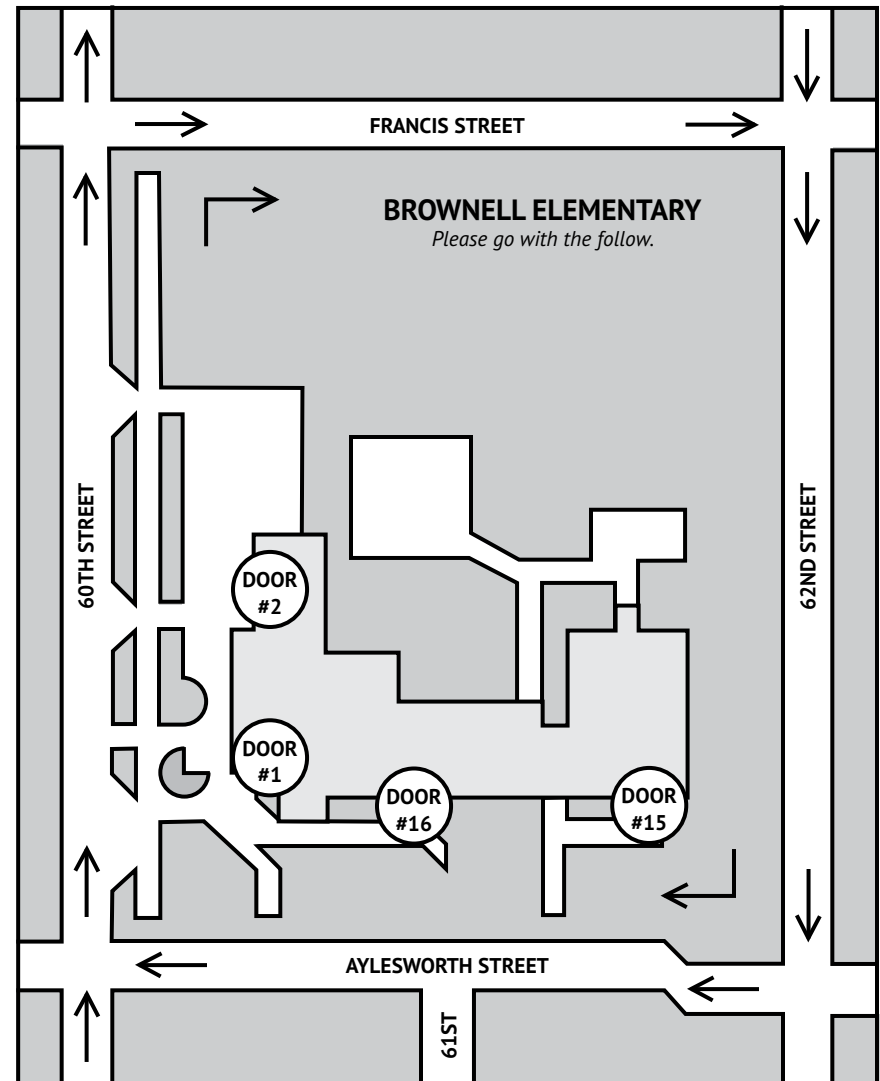

Dismissal

Teachers will teach until the **3:38 p.m.** bell and dismiss when closure of activities are complete. To avoid unnecessary confusion at dismissal time, please plan to meet your child outside the school building. Teachers will walk students outside to meet parents and caregivers. In some situations, children will need to complete assignments, or may need additional help from a teacher. Phone calls will be made to alert parents/guardians if the child is remaining after school for more than 10 minutes.

Before and After School Plans must be completed at the time of enrollment and can be updated as needed. Parents / legal guardians may request their child(ren) walk home after dismissal but this needs to be included on the plan.

In the event the parent/guardian or designated escort does not arrive to pick up their student, the school will attempt to contact the parent/legal guardian or emergency contacts. Police may be called when students are not picked up.

The playgrounds are closed until **5:30 p.m.** and reserved for our CLC services.

Positive Supports

Herd Tickets

Herd tickets are earned when students following our HERD expectations of being honest, expressing respect, being responsible and being determined are met. How many can your student earn?

Bentley Badges

Bentley Badges Special recognition is given to students who are role models following HERD expectations. Monthly, each classroom teacher, resource team and specialist team nominate one student to receive a **Bentley Badge**. The students are recognized on The Brownell Buzz and receive a special certificate and button. They also get to take their picture with our life-size stuffed buffalo, named Bentley.

Super Sub Certificate

Super Sub Certificate At Brownell, following HERD expectations is so important that we even include our guest teachers. We recognize that when your child's classroom teacher is absent, it can feel different. Guest teachers are encouraged to look for students following HERD expectations and recognize their efforts by giving **Super Sub Certificates**.

In and Out of Class Movements

Relationships and preventative practices are a top priority at Brownell. Before teachers involve administration with student behavior many strategies are tried. Some examples of these strategies include proximity, private redirected, non-verbal cues, triage, change of location, choices, and calm down time/break.

In Class Movement

A student may earn an in class movement through hurtful or disruptive behavior. The teacher will ask the student to move to an in class movement seat after they have tried other classroom management strategies.

Out of Class Movement

A student may earn an out of class movement if they continue to have hurtful or disruptive behavior after an in class movement.

What Happens After An In Class Or Out Of Class Movement?

Restorative practices are also a top priority at Brownell. Therefore, punishment is not the “go to” response. Restorative practices include: problem solving, peer mediation (if needed), and processing with the teacher. Parents are notified if hurtful and/or disruptive behavior becomes chronic.

Bullying

If you feel that peers are bullying your child, please contact your child's teacher or the building principal, Nikosia Kruse. All reported incidences of bullying/unsafe behavior will follow the protocol in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- Imbalance of Power: Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- Repetition: Bullying behaviors happen more than once or have the potential to happen more than once.
- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.

Everyone at Brownell Elementary School is committed to making our school a safe and caring place for all students. We will treat each other with respect, and we will refuse to tolerate bullying in any form at our school.

Staff at our school will do the following to prevent bullying and help students feel safe at school:

- Closely supervise students in all areas
- Watch for signs of bullying and stop it when it happens
- Teach Bully Prevention to all students
- Take bully concerns reported seriously and investigate

Students at our school will do the following to prevent bullying:

- We will not bully others
- We will help others who are bullied
- We will not laugh or join in when someone is being bullied
- We will include everyone and not leave anyone out
- Report bullying to an adult

Brownell reinforce behaviors against bullying:

- Rules against bullying will be discussed
- Rules will be posted throughout the building
- Strategies will be taught to students using 2nd Steps and in team meetings
- Staff members will look for students displaying building expectations: Honest, Express Respect, Responsible and Determined. HERD tickets will be used to reinforce.
- Drawings will be weekly during lunch time.
