Calendar Options for Families: The Lincoln Public Schools District understands and appreciates that our community has a wide variety of rich and varied religious celebrations and observances. In the event families recognize these holidays, parents should notify schools. Students will be given excused absences and allowed reasonable opportunities to make up any schoolwork missed.

Note: Changes to the calendar may occur as a result of inclement weather or other circumstances. If sufficient school time is lost as a result of calendar changes, and it brings the total number of school hours for the year below the state minimum requirements, the Superintendent will implement a plan for making up this time, which may require additional minutes added to the day, additional days added to the calendar, days previously identified as non-student days re-scheduled as student day, or other appropriate calendar or schedule measures.

Dear Students and Families,

Welcome to Fredstrom Elementary School! This handbook has been prepared for all students and parents/guardians in hopes that it will be helpful in answering questions you might have about the policies and practices of our school. Please carefully review the contents with your child. The "Important Information" booklet provided by Lincoln Public Schools also gives critical parent/student information. Note that dates for school events are subject to change. If you have questions or concerns regarding these publications, please do not hesitate to call the school office at 402-436-1140.

On behalf of the entire staff, we look forward to working together to make this a productive and successful year of learning and growing.

Brandi Luber, Principal
Kathy Moldenhauer, Assistant Principal

PHILOSOPHY

R.L. Fredstrom School is based on the belief that learning should be a successful, challenging and enjoyable experience. The school is organized into teaching teams which facilitate successful instruction for each student. Children in kindergarten through fifth grade are assessed and placed at the instructional level in which they will be successful, yet challenged. Teams of teachers work together to facilitate opportunities for student instruction. This has been an organizational plan we have implemented since the school opened in 1983 and have found it to be most advantageous for students.

R.L. Fredstrom Elementary School

R.L. Fredstrom School is named after a Nebraska educator whose long service to Lincoln resulted in many excellent programs for students. Dr. Fredstrom often visited the students at Fredstrom School where he shared his personal philosophy in education: "The motivating force throughout my life has been wanting to help people learn and grow. If I could establish a hope for this school named after me, it would be that all pupils in this school forever develop an appetite for learning."

RIGHTS AND RESPONSIBILITIES

The Lincoln Public Schools has established rights and responsibilities of students. They are noted in the “Important Information” booklet emailed to parents/guardians before each school year, and are available in the school office. The rights and responsibilities are designed to assure that students have the best opportunity possible to learn in a safe, clean environment without disruption. Please review the rights and responsibilities with your child.

COMMON AREA EXPECTATIONS

At Fredstrom School, we strive to create a safe, caring and productive environment for learning. In order to do so, certain behaviors are expected throughout the building in common areas such as hallways, restrooms and the cafeteria. These expectations are shared with students, posted, practiced and reinforced. For example, when we walk with our class in the hallways our voices are at level 0 (silent), we are walking and our hands are to ourselves. These behaviors help us to be safe, respectful and responsible. You will see posters which outline these common area expectations throughout the building when you visit. Please contact Brandi Luber at bweymuth@lps.org if you have any questions.

CREATING SUCCESS THROUGH PARTNERSHIP

Students are responsible with the support of our staff, to conduct themselves in a manner that will create a safe learning environment at Fredstrom Elementary School. All appropriate behaviors are included in Fredstrom’s three simple guidelines for success. We will work together to help our children to:

BE SAFE

We help everyone feel physically and emotionally secure.

BE RESPECTFUL

We value and are considerate of others.

BE RESPONSIBLE

We are accountable for all of our actions.

Students are handed a Falcon Feather and verbally given feedback on their effort toward being safe, responsible and/or respectful. Falcon Feathers are tallied, with individual and school-wide rewards given as goals are met.

MEDICAL AND DENTAL APPOINTMENTS ON SCHOOL TIME

Please try to schedule appointments outside of school hours. However, there are times students may be absent from school in order to keep medical or dental appointments. It is necessary that the child check in and out through the office. If the child will be late arriving to school, please send a note the previous day or call our school attendance line at 436-1140 (option 5).

ABSENCES

Please call the 24 hour attendance line at 436-1140 (option 5) to report absences. Unless the school is notified, a call will be made to your home or place of work to verify the absence.

MAKE-UP WORK

We appreciate parent/guardians' conscientious regard for picking up homework for their child.

- If your child will be absent only one day, work may be made up or taken home upon return to school.
- If your child will be absent for an extended period of time, please contact the classroom teacher to plan for completion of work and notify the office.

Please call the school (on the attendance line, option 5) in the morning to request homework to be picked up after school.

Federal/State Guidelines

The United States' Department of Agriculture and the Nebraska Department of Education competitive Foods Policy states that "no food may be sold or served that competes with the national School Lunch and/or Breakfast programs one half hour prior to the serving period." This means that no food may be sold (i.e. pop, snack machines, fund raisers). No food may be brought in as treats for class rewards, or class parties one half hour prior to the serving periods. Outside food may be brought in for your child(ren) only.

LUNCHROOM PROCEDURES

When coming to have lunch with your child, please remember these items:

- You and your child will sit at a guest table to enjoy lunch together.
- We ask that phones be put away to encourage conversation.
- Due to many food allergies and sensitivities, we ask that no food be brought in/shared with children other than your own.

SNAP is the name of our cafeteria cash register system. With the SNAP cash register system a parent/guardian deposits money into an account that is accessed by the child entering their SNAP number on a keypad in the cafeteria or by using a barcode. If your child is returning to our school, they will use the same number as last year. If your child is new to Lincoln Public Schools, a number will be assigned. Money in an account can be transferred from one school to another if a student changes schools within Lincoln Public Schools.

BULLYING

Who to contact if your student is feeling unsafe or bullied

If you feel that your child is being bullied by peers, please contact your child's teacher or the building principal, Mrs. Richter. All reported incidences of bullying/unsafe behavior will follow the protocol outlined in Lincoln Public Schools Board Policy 5482: Anti-Bullying Policy.

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.

In order to be considered bullying, the behavior must include:

- **Imbalance of Power:** Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.
- **Repetition:** Bullying behaviors happen more than once or have the potential to happen more than once.

- Hurtful aggressive physical and/or verbal behavior.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.

As an added prevention piece, please discuss with your child adults in the building who they can talk to if they feel that they are being bullied or are in an unsafe situation. These people may include, but are not limited to, their teacher, the administrator, school counselor, school psychologist, school social worker or any other adult in the building that they have built a positive relationship with.

Students are taught about what bullying looks like and sounds like, along with how to advocate for themselves through the District's Second Step program.
