

PHYSICAL EXAMINATION REQUIREMENTS
Health Services Department
Lincoln Public Schools

"The Board of Education shall require evidence of a physical examination by a physician, physician assistant, or an advanced practice registered nurse within six months prior to the entrance of a child into the beginner grade and the seventh grade, or in the case of a transfer from out-of-state to any other grade of the local school; provided no such examination shall be required of any child whose parent or guardian shall object thereto in writing." A complete visual evaluation is required at the entry grade (kindergarten, or grade of transfer from out of state). A vision professional may also complete the required visual evaluation. Waiver forms are available in each school health office. School Law 79-214 (3). Physical examinations are recommended at the third and tenth grade in addition to the required examinations. **Annual Blood Pressure, Hemoglobin/Hematocrit and Blood Lead Level are required for E-Cite (Head Start) preschool students.**

Each student participating in interscholastic athletics is required to have a complete physical examination (Nebraska School Activities Association requirement) to be given after May 1 of each year. This certifies that the athlete is qualified for the entire school year, May 1 through the following closing day of school, or the current school year.

For participation in interscholastic athletics, please complete other side.

(Preparticipation Medical History)
Health Services Department
Lincoln Public Schools

The Lincoln Public Schools' Medical Advisory Committee recommends that every student participating in interscholastic athletics complete a medical questionnaire to reduce the risk of serious injury in young athletes. In addition to physical examination by a qualified health professional, completion of the following questions will aid the identification of any health concerns related to athletic participation.

Parent or Guardian: Please complete and sign below if your child is interested in interscholastic sports participation.
